ORAL or WRITTEN ONLY TESTIMONY: Written testimony only

DATE OF HEARING: February 5, 2025

Chair Estes & Members of the Committee,

I am writing to voice my opposition to bill number HB 2136.

I am opposed to school vouchers. They will take away funding from our public schools. We should be investing more money into our public schools so that each student in our communities can have access to a good education. They say “the children are our future”.

I do not personally have any children but have always been happy to pay my taxes to help support the schools so my neighborhood children could have access to really good schools.

I am asking you to please vote no on bill HB 2136]
