Written Testimony

HB 2299 is not about anti-semitism. It is about the continuance of silencing Pro-Palestinian voices, and continues in the tradition of "unwavering" support of Israel. This bill is dangerous to our freedom of speech and is about criminalizing voices that are against perpetual Israeli violence, not anti Jewish voices. Stop using our tax dollars to silence us and to fund a genocide. The history of the decades of murder and destruction to Gaza and the Palestinian people is nothing short of genocide and is nowhere close to antisemitism.

I oppose this bill and urge you to vote against it.

Sincerely a concerned Kansan,

Caryleen M. Gunderman
