

Loveness Mpanje
PRIVATE CITIZEN
HB 2448 Opponent
1/29/2026

N/A

Enacting such a bill into law would put lives in danger and it is not necessary since Kansas ID system already verified information to make sure those receiving ID are legal residents.

I beg you all to vote no of passage of HB 2448 bill. Thank you all on this committee for your time and for upholding humanity.
