HB 2448 Opponent  
1/29/2026

Chair Proctor and Members of the Committee - my name is Adrienne Newlin and I am a voter in Overland Park (Johnson County). I am writing today to encourage the committee to vote NO on HB 2448.

Elections in Kansas are secure. The ideas of fraud are just that, ideas - conspiracy theories with no supporting facts or evidence. This bill is just another way for unpopular politicians to rig the system instead of letting the will and voice of voters be reflected in the polls.

Thank you for your time. Vote NO on HB 2448.
