Chair Proctor and Members of the Committee, thank you so much for giving me time to share my thoughts on HB 2448 with you today. My name is WRITE YOUR NAME and I am a voter in WRITE YOUR COUNTY/CITY. I am writing today to encourage the committee to vote NO on HB 2448.

Voter fraud is so rare as to be non existent. This wasting time and our tax dollars to solve a problem that doesn't exist. As your constituent, I would prefer you spend your time and my money to fix things that are actually broken. You could start with healthcare, public schools, corporate greed, the environment...the list goes on. Anyone of these topics would be far more beneficial than conspiracy theory based baloney like HB 2448.

Once again, I thank you all for hearing my story and thoughts on this bill, and I encourage you all to vote no of the passage of HB 2448. Thank you.
