

PRIVATE CITIZEN  
HCR 5021 Opposition Testimony  
1/29/2026

Chair Proctor and Members of the Committee, thank you so much for giving me time to share my thoughts on HCR 5021 with you today. My name is Emily Steinwart and I am a voter in Overland Park, KS. I am writing today to encourage the committee to vote NO on HCR 2051.

Voter fraud is so rare as to be non existent. This wasting time and our tax dollars to solve a problem that doesn't exist. As your constituent, I would prefer you spend your time and my money to fix things that are actually broken. You could start with healthcare, public schools, corporate greed, the environment...the list goes on. Anyone of these topics would be far more beneficial than conspiracy theory based baloney like HCR 2051.

Once again, I thank you all for hearing my story and thoughts on this bill, and I encourage you all to vote no of the passage of HCR 2051. Thank you.
