Proponent, written testimony only, of HB 2503

Respected Chair Proctor and Committee members,

I am a proponent of HB 2503 and would ask that you vote YES on HB 2503 and pass it out of committee favorably.

We need bills that will tighten up election integrity in our state, and this is a good one. No more mail in ballot elections! We need to go back to 1 day voting, in person voting, and paper ballot voting. Any other method invites shenanigans which result in voter fraud and completely stolen elections.

Please vote YES on HB 2503, pass it favorably out of Committee, and do what you can to protect our elections.

Thank you.

Most sincerely,

Jill O'Connor
