

Chairman Proctor and Committee Members,

I am Debbie Detmer from Shawnee and a KS GOP Delegate. Election integrity is a must.

I am a proponent of Hb 2503. It is time to get back to traditional in person voting. Stopping the mail in voting only is the right step to take.

Other suggestions to get more people to trust the elections would be to stop the non-Partisan races, paper ballot only {no machines,} and hand counted at precincts.

Please pass out Hb 2503 favorably.

Thank you,

Debbie Detmer
