Chairman Kessler and members of the House Federal and State Affairs Committee:

HB 2052 does three things.

First, it will offer a senior lifetime combination license for seniors 65 years and older for about \$40.

Second, it offers a Kansas kid lifetime combination hunting and fishing license. 5 years and younger, the license shall not exceed \$300. Ages 6-15, the license shall not exceed \$400. The license fee may be paid on behalf of the child.

Both the senior and youth combination license requires the applicant to be a Kansas resident. This bill also removes the sunset clause. So when KDWP gets a new Secretary and have turnovers, the sunset clause will not cause the termination of sales of these two very special licenses.

Thank you,
