MEMORANDUM

To: The House Committee on Federal and State Affairs

From: The Office of Revisor of Statutes

Date: 2/4/2026

Re: H.B. 2507, As introduced; Removing the requirement for migratory waterfowl stamps to be validated by a signature across the face of each such stamp and increasing the fees for such stamps.

H.B. 2507 would remove the current requirement for migratory waterfowl habitat stamps to be validated by the signature of the stamp holder on the face of the stamp.

The current fee for a migratory waterfowl habitat stamp cannot exceed \$8. The bill would raise the maximum amount to \$25 for residents and \$100 for nonresidents.

H.B. 2507 would become effective upon publication in the statute book.
