

***Viola Heskett individual submission of
Written testimony only: in FAVOR HB 2025***

JANUARY 27, 2025

***To the Honorable Emil Bergquist, Chair of the Kansas House
Committee on Local Government and all House committee members.***

***As a citizen of Emporia, Lyon County, Kansas I am submitting this
written testimony in support of HB 2025 to repeal the three-mile
zoning authority for cities.***

***Property rights and representation for taxation are pillars of our
national republic and state government as written in their respective
constitutions.***

***The three-mile zoning authority for cities negates both of the
republican government pillars for the folks who reside outside the
current "city limits" but within that three-mile area.***

I am respectfully asking for your support of HB 2025.

Viola Heskett
