FROM: Medical Providers of Holton Community Hospital

RE: House Bill 2390 (Proponent)

On behalf of Holton Community Hospital, we appreciate the opportunity to provide testimony in support of House Bill 2390.

This bill is important because it allows the people of Jackson County to decide whether a county-wide sales tax is warranted to assist in the continued operations of the local hospital, a major source of health and economic stability in the county.

Thank you for your consideration of our comments regarding this bill. We ask you recommend favorably House Bill 2390 for passage.

Sincerely,

Dr. Lee Schnee, Chief of Staff

Dr. Marija Lawless, Vice Chief of Staff
