Ken Rahjes  
Representative, 110th District

Good Afternoon Chairman Francis and members of the House Transportation Committee, I am Ken Rahjes, Representative for the 110<sup>th</sup> Kansas House District. I come today to offer my support and strong endorsement of HB 2201, the Kansas FFA Foundation distinctive license plate.

Kansas is an agrarian state and many of today's farmers and ranchers learned many skills in 4-H or FFA. You may be wondering, yes, the Kansas 4-H plate was passed by the 2017 Kansas Legislature. You will find that the impact that FFA has made goes beyond the farm gate or ranch headquarters, but to small town main street and many of the corporate companies that are proud to call Kansas home.

In upcoming testimony, you will hear of the strengths of FFA and how it has made an impact not only on the lives of those who spent their formative years going to contests and conventions but also how it extended to their families as well.

Once this is passed, you will see many of the FFA foundation distinctive license plates from Liberal to Shawnee and Scott City to Mulberry. I encourage your support for HB 2201.

Thank you for your time and consideration.

Representative Ken Rahjes
