

Testimonial in support of naming a future interchange after Kris Norton as proposed in House Bill No. 2263

Submitted to the Kansas House Transportation Committee
by Dan Scherschligt, Former Supervisor at Kansas Department of Transportation,
2/13/2035

Chairperson Rep. Francis, Vice Chair Rep. Neelly, Ranking Minority Member Rep. Ballard, and esteemed members of the Kansas House Transportation Committee,

I am retired from the Kansas Department of Transportation. As Director of Engineering and Design at KDOT, Kris Norton was a Design Leader in my Road Office.

Kris was one of those public sector employees who was extremely dedicated to his work. He worked on many projects. One of his more significant projects was being the Design leader for the South Lawrence Trafficway in Douglas county. This project is currently under design, and truly is successful due to the efforts of Kris. I very much support, and Kris is well deserving, to be memorialized with a sign on this project.

Thank you,

Dan Scherschligt
