Re: Designation a future interchange on K-10 Highway as the Kris Norton Memorial Interchange

To Whom It May Concern:

I am writing you in support of the designation of a future interchange on K-10 Highway as the Kris Norton Memorial Interchange.

As someone who knew him both personally and professionally, I am for naming this interchange after him. As reflected on this letterhead, I work for a private engineering firm, CFS Engineers. I crossed paths with him through work on several occasions. One example was that he helped me through an easement issue for the Veritas Christian School property along US-59 Highway. He was instrumental on keeping that project moving forward, and taking it to completion. I don't think I could have got it done without him.

Board of Directors:
Kenneth M. Blair, P.E.
Kevin K. Holland, P.E.
Daniel W. Holloway, P.E.
Lance W. Scott, P.E.
Sabin A. Yañez, P.E.

I knew him personally first. We also played on the same bowling and softball teams for the past +/- 20 years. He was a guy with great character, a great family man, a good sense of humor and a good friend. Based on my experiences through work and outside of work, wholeheartedly think this interchange needs to be named after him.

Feel free to reach out to me if there are any questions,

Sincerely,

Senior Associates:
Aaron J. Gaspers, P.E.
Michelle L. Mahoney, P.E.
Michael J. Morrissey, P.E.
Todd R. Polk, P.E.
