

Testimonial in support of naming a future interchange after Kris Norton as proposed in House Bill No. 2263

Submitted to the Kansas House Transportation Committee
by CHUCK GOODMAN, Colleague of Kris Norton
February 10, 2025

Chairperson Rep. Francis, Vice Chair Rep. Neelly, Ranking Minority Member Rep. Ballard, and esteemed members of the Kansas House Transportation Committee,

I had the privilege of being a colleague, as well as a friend, to Kris Norton for the better part of 35 years. Kris was an outstanding representative of the State of Kansas in many aspects during his career at KDOT. Kris had a very strong work ethic and always remembered who he actually worked for....the People of this GREAT State of Kansas! It did not matter how large or how small the project was, Kris put his all into it.

I support the naming of this interchange due to the items listed above and am proud that Kris is being considered for this. It is well deserved, and I anticipate that this honor to him will be accomplished.

Sincerely,
Charles L. Goodman, P.E.
Civil Engineer, Resident of House District 39
