SB 195

Kansas Association of Counties
Proponent Testimony – Written Only

Chairwoman Tyson and members of the Committee:

Thank you for allowing the Kansas Association of Counties to offer proponent testimony on SB 195, which would create a property tax taskforce to study property tax issues in Kansas.

KAC supports the need to give property tax an extensive study. There are many issues surrounding property tax in Kansas that merit a more deliberate study than can be afforded during the legislative session due to time constraints. Issues like tax exemptions take time to assess, something a task force can spend time doing.

KAC supports creation of a task force and supports moving SB 195 forward to study these issues more.

Thank you for the opportunity to share this perspective on this legislation.
