

Written-only Neutral Testimony on SB 179

Senate Assessment and Taxation Committee | March 4, 2025

Chairwoman Tyson and Members of the Committee,

I am Jeanne Gawdun, Director of Government Relations with Kansans for Life. Thank you for the opportunity to submit neutral testimony regarding SB 179.

KFL's statewide membership strongly supports life-affirming tax policies, and a child tax credit can encourage families and help provide much needed financial relief.

With the declining birth rate in Kansas, the state should take steps to curb this trend by also addressing the social concerns that many couple face.

While we appreciate the concept of SB 179, we respectfully ask that an interim study be conducted to determine the best way to enact tax policies that would be most beneficial to Kansas families.

Thank you for your consideration.
