

Chairwoman Tyson and committee member,

I am Debbie Detmer a retired homeowner in Shawnee, Ks.

I am proponent of Sb 319. Our property taxes have increased each year to the point that I would not be able to sale my house for the price that I pay taxes on. This unrealized gain is not fair to me. I have no intentions of selling my home unless I am forced out by these increase taxes and Insurance each year.

Please pass Sb 319 out of committee favorably.

Thank you,

Debbie Detmer
