Sales Tax Authority for Labette County**

**Senate Assessment and Taxation Committee
January 21, 2026
Proponent Testimony**

The Kansas County Commissioners Association supports Senate Bill 303.

The KCCA represents the elected Commissioners in all 105 counties. That's more than 360 elected leaders. Republicans. Democrats. Rural. Urban. All of them working to serve their local communities.

The KCCA Legislative Program is based on the principle the State Legislature and County Governments are partners in the effort to make Kansas and its communities great places for people to live, work and play.

Approving SB 303 is a perfect example of that kind of cooperation.

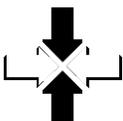

The Kansas County Commissioners Association also supports leaving local decisions to locally elected officials as much as possible.

KCCA will also be supporting legislation which will be discussed later in this session allowing counties to place countywide sales tax questions on the ballot without legislative approval.
