**MEMORANDUM**

To: Senate Committee on Education  
From: Office of Revisor of Statutes  
Date: January 21, 2026  
Subject: SB 338—Defining "Home School"

---

Senate Bill 338 would include the term home school within the definition of private elementary and secondary school and would provide a definition of home school.

SB 338 would amend K.S.A. 72-4345 to explicitly include the term "home school" within the definition of private elementary or secondary school. The bill would then define "home school" to mean a "nonaccredited nonpublic school where a parent or person acting as parent directs the private instruction of such parent's or person's child."

SB 338 would take effect on July 1, 2026, upon publication in the statute book.
