Madam Chair and Members of the Committee,

KASB opposes SB 339 based on our member-approved legislative platform, which states that local school boards should have authority and control over district policies, curriculum, and procedures.

Thank you. I'll stand for questions at the appropriate time.

Thank you.

KASB is a non-profit service organization built on an abiding belief in Kansas public schools. We have put the needs of students and K-12 leaders first since 1917.
