SB 4 Written only Opponent

Chairman Thompson and Members of the Committee, thank you so much for giving me time to share my thoughts on SB 4 with you today. My name is Alexis and I am a voter in Leavenworth County. I am writing today to encourage the committee to vote no on SB 4

Access to voting is a pivotal aspect of democracy. It is the very foundation we stand on as citizens as it is our only way to ensure our voices are heard. Removing the acceptance of ballots based on factors that they cannot fully control such as how quickly the mail service is able to process their mail is voter suppression. Inherently, removing the 3 day acceptance is voter suppression, therefore; it should not be considered a viable option for our state as it would signal a regression from our democratic standards.

Thank you for hearing my thoughts, and I implore you to vote no on SB 4. Thank you again.
