Chair Thompson & members of the committee,

I am writing to voice my opposition to bill SB 4.

The mail service in Kansas continues to be unreliable regarding delivery in a timely manner. There have been times when I have not received delivery for 2 or 3 days. If ballots are not delivered to voters in a timely manner, they may not be delivered to the election offices in a timely manner. The requirement to have advanced ballots in by election day does not seem reasonable.

I ask you to please vote NO on SB4.
