SB 4 Written Only Opponent

Members of the committee thanks for giving me some time out of your day to listen to my concerns with SB 4. My name is Saihaj Parmar.  
Im a voter in Johnson county. I'm writing in hopes to influence the committee to vote NO on SB 4

I oppose the bill because I believe any restriction on the current voting system we have in this state is anti democratic and tyrannical in nature. I am concerned with a growing trend I've observed in this country when it comes to restricting/ attacking voting methods, specifically mail in voting. I believe this is an attack on our fundamental rights and limits the voices of your constituents who aren't able to traditionally participate in our democratic processes.

Thank you again for listening to my thoughts on SB 4. A vote no is a vote to protect democracy in our state. I hope you do the right thing.
