

Oral neutral testimony on HB 2022

Special elections

By

In

Senate Federal and State Affairs

March 3, 2025

Mr. Chair and members of the Committee,

KASB appears as neutral today on HB 2022 as written because it will not have a negative impact on school district special elections.

We would oppose any effort to amend the bill to specify an arbitrary date for special elections. School districts should have the flexibility to schedule special elections to have maximum impact and effectiveness.

Thank you.
