Senate Federal, State Affairs  
Hb 2016, proponent, written only testimony  
hearing 3.5.25

Chairman Thompson and Committee Members,

I am a proponent on Hb 2016. It is a must to secure our elections with any means possible. This bill is a measure we need to secure our voter rolls. Expanding sources for verification of any deaths here or out of state is essential in keeping the voter rolls clean. We will ensure that only eligible citizens are registered to vote. The integrity of Kansas elections starts with the voter rolls.

I ask that you pass out favorably Hb 2016.

Thank you
