Bill number: HB2020

Proponent- Written Only

Name : Patricia DeDamos

Self, small business owner

Dear Chairman Thompson and Members of the Committee,

We are the United States of America- NO other country in the world would allow non citizens to vote for their countries leadership and Government.

We need clean voter rolls or only legal citizens of the USA and of Kansas.

Pleas support HB2020!

Thank you,

Patricia DeDamos
