Senate Federal, State Affairs
Sb 2020, proponent, written only testimony
hearing 3.5.25

Chairman Thompson and Committee Members,

I am a proponent on Sb 2020. It is a must to secure our elections with any means possible. This bill is a measure we need to secure our voter list. By the driver license division reporting to the SOS all non-citizens who apply for their driver license gives us over-site. This allows the cross referencing by SOS office with the voter rolls. We will ensure that only eligible citizens are registered to vote. The integrity of Kansas elections starts with the voter rolls.

I ask that you pass out favorably Sb 2020.

Thank you
