Senate Fed and State

HCR 5004, Proponent, Written only testimony

Hearing 3.8.25

Chairman Thompson and Committee Members,

I am a proponent on HCR 5004. Protecting election integrity is a must. The Kansas Constitution already states that only U.S. citizens can vote, but HCR5004 strengthens and clarifies this requirement to prevent any future misinterpretation or legal challenge.

Voting is a fundamental right and responsibility of U.S. citizenship. This amendment ensures that only those with a legal, vested interest in our country's future are making decisions that affect our government.

Please Pass out favorably HCR 5004 out of Committee.

Thank you,

Debbie Detmer
