HB2378

Oral Testimony

Chairman Warren and committee, I stand in strong support of HB2378, known as the Squatter's Bill. Property owners across the nation are struggling with this epidemic. It is either here now or will be in the future. I want to bring this bill for property owners to be prepared for the situation when it arises.

Thank you for your time and I will stand for questions at the appropriate time.

Representative Will Carpenter

District 75
