TOPEKA

SENATE CHAMBER

BRAD STARNES
SENATOR, 22ND DISTRICT
7925 FALCON ROAD
RILEY, KS 66531

Proponent Testimony Written only SB358

Concerning Crimes, punishment and criminal procedures

This bill is to protect those who've been sexually exploited without their consent. A Manhattan chiropractor guilty of multiple crimes was let go after court, walking through the same door as these unfortunate multiple victims.

I stand in support of these women and others who've had to experience this atrocity.

Please pass SB358-a common sense protection bill.

Respectfully,

A handwritten signature in black ink, appearing to read "Brad Starnes".

Brad Starnes

Riley County Senate District 22
