Senate Public Health and Welfare
SB 63, Proponent, Written testimony only

Chair Gossage and Committee Members,

I am a proponent on SB 63. Our tax payers dollars must not be used on gender transitions. We must protect our children from these harmful treatments and procedures. We must hold Doctors accountable for breaking this law. The patients must have a way for recourse personally against any provider of these harmful treatments.

Please Pass out favorably SB 63.

Thank you,
Debbie Detmer
