MEMORANDUM

To: Senate Committee on Public Health and Welfare
From: Office of Revisor of Statutes
Date: February 6, 2025
Subject: Bill Brief on SB 41

Senate Bill 41 adds advanced practice registered nurses to the definition of healthcare provider for purposes of the healthcare provider insurance availability act.

Senate Bill 41 amends K.S.A. 40-3401, by adding APRN to the definition of healthcare provider in the healthcare provider insurance availability act. Being part of this act would subject all APRN to the minimum amount of professional liability insurance required by the act as well as the protections of the health care stabilization fund for any claims that go above the amount of professional liability insurance maintained by the APRN.
