(3) An order appointing an attorney to represent the proposed ward or ward. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed ward or ward in other matters, if the court has knowledge of that prior representation. Any such order shall expire immediately after the hearing upon the petition, or as the court may otherwise specify, or

Such evidence shall not be privileged for the purpose of this hearing.

Any such grant of continuing authority shall expire two years after the date of final discharge of the ward from such a treatment facility if the ward has not had to be readmitted to a treatment facility during that two-year period of time. Thereafter, any such grant of continuing authority may be renewed only after the filing of another petition seeking authority in compliance with the provision of this section.

(g) Nothing herein shall be construed so as to prohibit the head of a treatment facility from admitting a proposed ward or ward to that facility as a voluntary patient if the head of the treatment facility is satisfied that the proposed ward or ward at that time has the capacity to understand such ward's illness and need for treatment, and to consent to such ward's admission and treatment. Upon any such admission, the head of the treatment facility shall give notice to the temporary guardian or guardian as soon as possible of the ward's admission, and shall provide to the temporary guardian or guardian copies of any consents the proposed ward or ward has given. Thereafter, the temporary guardian or guardian shall timely either seek to obtain proper authority pursuant to this section to admit the proposed ward or ward to a treatment facility and to consent to further care and treatment, or shall otherwise assume responsibility for the care of the proposed ward or ward, consistent with the authority of the temporary guardian or guardian, and may arrange for the discharge from the facility of the proposed ward or ward, unless the head of the treatment facility shall file a petition requesting the involuntary commitment of the proposed ward or ward to that or some other facility.
