

STATE OF KANSAS

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **HB 2727**, on page 1, in line 11, after the comma by inserting "or pursuant to subsection (d),"; in line 13, by striking all before "any" and inserting "reasonable attorney fees. In addition to such amount, when the defendant is a physician and not a governmental entity pursuant to subsection (d), the plaintiff may recover"; in line 15, by striking ", along with reasonable attorney fees"; in line 17, after "(a)" by inserting "when the defendant is a physician"; in line 23, after "(d)" by inserting "Notwithstanding the provisions of K.S.A. 75-6104(a)(1) through (a)(4), and amendments thereto, a woman shall have a private right of action against any governmental entity that enforces any provision of the woman's-right-to-know act that requires a physician to provide such woman with information that the physician believes to be scientifically inaccurate and such information results in harm to the woman. Such private action may not be brought against the physician.

(e)";

Also on page 1, in the title, in line 4, after "made" by inserting "and the defendant is a physician; establishing a private right of action against governmental entities when enforcement of the woman's-right-to-know act requires a physician to provide information that the physician believes is scientifically inaccurate and such information results in harm to the woman"
