HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **House Substitute for SB 244**, on page 2, in line 16, after the period by inserting "The governing body, or chief administrative officer if no governing body exists, shall post a sign next to the door of any multiple-occupancy private space stating: "This private space is for single sex use only as required by law enacted by the 2026 Kansas Legislature." Each governing body, or chief administrative officer if no governing body exists, shall provide personnel to monitor entry of each multiple-occupancy private space at all times that private space is open to the public. The costs associated with monitoring multiple-occupancy private spaces shall be borne by the state."
