The Honorable Tom Kessler, Chairperson
House Committee on Federal and State Affairs
300 SW 10th Avenue, Room 346-S
Topeka, Kansas 66612

Dear Representative Kessler:

SUBJECT: Fiscal Note for HB 2511 by Representative W. Carpenter

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2511 is respectfully submitted to your committee.

Under current law, all monies received from agricultural production on state-owned property under the control and jurisdiction of the Secretary of Wildlife and Parks are used for expenses associated with the management of each property. HB 2511 would allow those monies to be used on all state-owned properties under the control and jurisdiction of the Secretary of Wildlife and Parks.

The Department of Wildlife and Parks states that the bill would not increase or decrease revenues from agricultural production on state-owned property. However, allowing the Department to use the revenues on any state-owned property would allow the agency to meet the needs of other state-owned properties across the state, which could decrease the reliance on other funds. Any fiscal effect associated with HB 2511 is not reflected in *The FY 2027 Governor's Budget Report*.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam C. Proffitt".
