The Honorable Emil Bergquist, Chairperson
House Committee on Local Government
300 SW 10th Avenue, Room 281-N
Topeka, Kansas 66612

Dear Representative Bergquist:

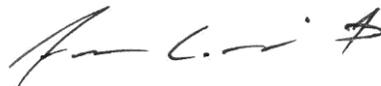

SUBJECT: Fiscal Note for HB 2624 by Representative Johnson

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2624 is respectfully submitted to your committee.

HB 2624 would allow a board of county commissioners to disorganize a fire district that contains no territory as a result of the exclusion of lands. Under current law, a fire district may be disorganized only four years after the date of the publication of the final resolution for its organization and only upon a petition to the board of county commissioners. The bill would allow disorganization at any time upon motion by the board of county commissioners when a district has no remaining territory. The bill would also make technical changes to existing statute.

The State Fire Marshal indicates that enactment of the bill would have no fiscal effect on its operations. The Kansas Association of Counties indicates that the bill could require counties to perform some initial administrative work to disorganize a district, but it would reduce ongoing administrative costs by eliminating the need to process budgets and tax distributions for a district that contains no territory.

Sincerely,

Adam C. Proffitt
Director of the Budget
