The Honorable Michael Fagg, Chairperson
Senate Committee on Utilities
300 SW 10th Avenue, Room 548-S
Topeka, Kansas 66612

Dear Senator Fagg:

SUBJECT: Fiscal Note for SB 168 by Senate Committee on Utilities

In accordance with KSA 75-3715a, the following fiscal note concerning SB 168 is respectfully submitted to your committee.

SB 168 would prohibit the Director of Legislative Administrative Services (LAS) from retaining any legislative video recording on any cloud server or video-on-demand platform beyond a ten-year period. The bill would define a “cloud-based server” and “video-on-demand” platform.

According to LAS, the enactment of SB 168 would likely have no fiscal effect on the Legislature’s budget. LAS indicates that its current cloud services offer substantial storage, which may be exceeded at some point in time; however, this limit has not been approached. If the storage of the data would near the cloud services limit in the future, LAS has processes in place to remove archival files to free storage space.

Sincerely,

Adam C. Proffitt
Director of the Budget
