The Honorable Renee Erickson, Chairperson
Senate Committee on Education
300 SW 10th Avenue, Room 144-S
Topeka, Kansas 66612

Dear Senator Erickson:

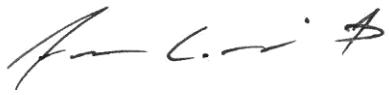

SUBJECT: Fiscal Note for SB 342 by Senate Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning SB 342 is respectfully submitted to your committee.

Under current law, the Kansas School Equity and Enhancement Act that contains the current school finance formula is set to expire on July 1, 2027. SB 342 would extend the expiration date to July 1, 2028.

The Department of Education indicates that the enactment of SB 342 would continue the current school finance process through FY 2028. The Division of the Budget notes that although current school finance law expires at the end of FY 2027, amounts included for FY 2028 in *The FY 2027 Governor's Budget Report* modeled state aid to school districts would be under the current school finance law, for planning purposes. The enactment of SB 342 would not change amounts under current school finance law that was included in the Governor's recommendations for school finance for FY 2028.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam C. Proffitt".

Director of the Budget
