The Honorable Elaine Bowers, Chairperson
Senate Committee on Local Government, Transparency and Ethics
300 SW 10th Avenue, Room 142-S
Topeka, Kansas 66612

Dear Senator Bowers:

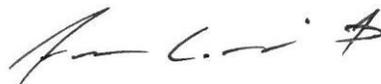

SUBJECT: Fiscal Note for SB 362 by Senator Shallenburger

In accordance with KSA 75-3715a, the following fiscal note concerning SB 362 is respectfully submitted to your committee.

SB 362 would require each state officer's agency to maintain a full and complete record of information regarding all travel locations and expenses of each state officer that were paid or reimbursed by the state each fiscal year. Each agency of the state office would be required to provide travel location and expense records upon request by a member of the public. State officers would include the Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, and Commissioner of Insurance. The provisions of the bill would not apply to certain confidential information, as outlined in KSA 45-221.

The Division of the Budget estimates that the enactment of the bill would have no fiscal effect. The agencies of the listed state officers currently as standard practice keep most of the required information in the state's central accounting system. Agencies may have to alter internal recordkeeping to make sure the data points required by the bill are available upon request, but likely would be able to meet the requirements of the bill with existing staff and budget.

Sincerely,

Adam C. Proffitt
Director of the Budget
