The Honorable Renee Erickson, Chairperson
Senate Committee on Education
300 SW 10th Avenue, Room 144-S
Topeka, Kansas 66612

Dear Senator Erickson:

SUBJECT: Fiscal Note for SB 514 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 514 is respectfully submitted to your committee.

SB 514 would provide that a student who participates in an activity for a school and transfers to another school that is in Kansas would immediately be eligible to participate in the activity, under the following conditions:

1. The student meets the requirements to participate in the activity;
2. The student meets any standards of acceptance, behavior, and performance that are required of any student;
3. The student possesses the skill and ability requirements to participate in the activity, as determined by the coach or director of the activity; and
4. The maximum number of students allowed to participate in the activity has not been reached.

However, any student that would transfer would be ineligible for the activity if the student was recruited, induced, or unduly influenced to transfer primarily for the activity. The bill would also define “nonathletic activities.”

The Department of Education indicates that the enactment of the bill would have no fiscal effect on state aid to school districts or the agency's operations. The Kansas Association of School Boards indicates that the enactment of the bill would have no fiscal effect on schools.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam C. Proffitt". The signature is fluid and cursive, with a large initial "A" and a stylized "P" at the end.

Adam C. Proffitt
Director of the Budget
