

## HOUSE BILL No. 2186

By Committee on Education

Requested by Representative Hill

1-31

AN ACT concerning education; relating to school districts; requiring boards of education of school districts to adopt policies and procedures to prohibit students from using privately owned electronic communication devices during school hours; authorizing such uses under limited circumstances; requiring school districts to adopt policies and procedures to prohibit students from using school district computers or devices to access social media platforms.

*Be it enacted by the Legislature of the State of Kansas:*

Section 1. (a) Each board of education of a school district shall adopt policies and procedures to govern the use of privately owned electronic communication devices. Such policies and procedures shall:

(1) Prohibit students from using any privately owned electronic communication device at school during the normal hours of the school day, including during passing periods and in the classroom;

(2) set forth disciplinary actions and consequences that may occur if a student violates such policies and procedures; and

(3) authorize a student to use a privately owned electronic communication device during the normal hours of a school day only if the use is:

(A) Required for the implementation of a student's individualized education program or 504 plan;

(B) authorized by a teacher or administrator for educational purposes, except that such use shall not be authorized as part of a classroom reward or free time; or

(C) pre-approved on an individual student basis by a teacher or administrator due to health concerns, emergency concerns or other special circumstances.

(b) Each school district board of education shall adopt policies and procedures to prohibit students from using school computers and devices to access any social media platform.

(c) As used in this section:

(1) "Privately owned electronic communication device" means any wireless electronic communication device that:

(A) Provides for voice, text or video communication between two or

1 more parties, including, but not limited to, a mobile or cellular phone,  
2 tablet, computer, watch, text messaging device or personal digital  
3 assistant; and

4 (B) is not owned or issued to students by the school district or school.

5 (2) "Social media platform" means a website, application or other  
6 internet medium that:

7 (A) Permits a person to become a registered user, establish an  
8 account, or create a profile for the purpose of allowing the person to  
9 create, share and view user-generated content through such account or  
10 profile; and

11 (B) primarily serves as a medium for users to interact with content  
12 generated by other users of the medium.

13 Sec. 2. This act shall take effect and be in force from and after its  
14 publication in the statute book.
