26 which the testimony is to be taken.

27 (b) In a guardianship or protective proceeding, a court in this state
28 may permit a witness located in another state to be deposed or to testify by
29 telephone or audiovisual or other electronic means. A court of this state
30 shall cooperate with the court of the other state in designating an
31 appropriate location for the deposition or testimony.

32 New Sec. 7. (a) As used in sections 7 through 15, and amendments
33 thereto:

34 (1) "Emergency" means a circumstance that likely will result in
35 substantial harm to a respondent's health, safety or welfare, and for which

38 (2) "home state" means the state in which the respondent was
39 physically present, including any period of temporary absence, for at least

42 which the respondent was physically present, including any period of
43 temporary absence, for at least six consecutive months ending within the

1 six months prior to the filing of the petition; and

2 (3) "significant-connection state" means a state, other than the home
3 state, with which a respondent has a significant connection other than mere
4 physical presence and in which substantial evidence concerning the
5 respondent is available.

6 (b) In determining under sections 9 and 16(e), and amendments
7 thereto, whether a respondent has a significant connection with a particular
8 state, the court shall consider:

9 (1) The location of the respondent's family and other persons required
10 to be notified of the guardianship or protective proceeding;

11 (2) the length of time the respondent at any time was physically
12 present in the state and the duration of any absence;

13 (3) the location of the respondent's property; and

14 (4) the extent to which the respondent has ties to the state such as
15 voting registration, state or local tax return filing, vehicle registration,
16 driver's license, social relationship and receipt of services.

17 New Sec. 8. Sections 7 through 15, and amendments thereto,
18 provides the exclusive jurisdictional basis for a court of this state to
19 appoint a guardian or issue a protective order for an adult.

20 New Sec. 9. A court of this state has jurisdiction to appoint a guardian
21 or issue a protective order for a respondent if:

22 (a) This state is the respondent's home state;

23 (b) on the date the petition is filed, this state is a significant-
24 connection state and:

25 (1) The respondent does not have a home state or a court of the
26 respondent's home state has declined to exercise jurisdiction because this
27 state is a more appropriate forum; or

28 (2) the respondent has a home state, a petition for an appointment or
29 order is not pending in a court of that state or another significant-
30 connection state, and, before the court makes the appointment or issues the
31 order:

32 (A) A petition for an appointment or order is not filed in the
33 respondent's home state;

34 (B) an objection to the court's jurisdiction is not filed by a person
35 required to be notified of the proceeding; and

36 (C) the court in this state concludes that it is an appropriate forum
37 under the factors set forth in section 12, and amendments thereto;

38 (c) this state does not have jurisdiction under either subsection (a) or
39 (b), the respondent's home state and all significant-connection states have
40 declined to exercise jurisdiction because this state is the more appropriate
41 forum and jurisdiction in this state is consistent with the constitutions of
42 this state and the United States; or

43 (d) the requirements for special jurisdiction under section 10, and

1 amendments thereto, are met.

2 New Sec. 10. (a) A court of this state lacking jurisdiction under
3 section 9(a), (b) or (c), and amendments thereto, has special jurisdiction to
4 do any of the following:

5 (1) Appoint a guardian in an emergency for a term not exceeding 90
6 days for a respondent who is physically present in this state;

7 (2) issue a protective order with respect to real or tangible personal
8 property located in this state;

9 (3) appoint a guardian or conservator for an incapacitated or protected
10 person for whom a provisional order to transfer the proceeding from
11 another state has been issued under procedures similar to section 16, and
12 amendments thereto.

13 (b) If a petition for the appointment of a guardian in an emergency is
14 brought in this state and this state was not the respondent's home state on
15 the date the petition was filed, the court shall dismiss the proceeding at the
16 request of the court of the home state, if any, whether dismissal is
17 requested before or after the emergency appointment.

18 New Sec. 11. Except as otherwise provided in section 10, and
19 amendments thereto, a court that has appointed a guardian or issued a
20 protective order consistent with this act has exclusive and continuing
21 jurisdiction over the proceeding until it is terminated by the court or the
22 appointment or order expires by its own terms.

23 New Sec. 12. (a) A court of this state having jurisdiction under
24 section 9, and amendments thereto, to appoint a guardian or issue a
25 protective order may decline to exercise its jurisdiction if it determines at
26 any time that a court of another state is a more appropriate forum.

27 (b) If a court of this state declines to exercise its jurisdiction under
28 subsection (a), it shall either dismiss or stay the proceeding. The court may
29 impose any condition the court considers just and proper, including the
30 condition that a petition for the appointment of a guardian or issuance of a
31 protective order be filed promptly in another state.

32 (c) In determining whether it is an appropriate forum, the court shall
33 consider all relevant factors, including:

34 (1) Any expressed preference of the respondent;

35 (2) whether abuse, neglect or exploitation of the respondent has
36 occurred or is likely to occur and which state could best protect the
37 respondent from the abuse, neglect or exploitation;

38 (3) the length of time the respondent was physically present in or was
39 a legal resident of this or another state;

40 (4) the distance of the respondent from the court in each state;

41 (5) the financial circumstances of the respondent's estate;

42 (6) the nature and location of the evidence;

43 (7) the ability of the court in each state to decide the issue

1 expeditiously and the procedures necessary to present evidence;

2 (8) the familiarity of the court of each state with the facts and issues
3 in the proceeding; and

4 (9) if an appointment were made, the court's ability to monitor the
5 conduct of the guardian or conservator.

6 New Sec. 13. (a) If at any time a court of this state determines that it
7 acquired jurisdiction to appoint a guardian or issue a protective order
8 because of unjustifiable conduct, the court may:

9 (1) Decline to exercise jurisdiction;

10 (2) exercise jurisdiction for the limited purpose of fashioning an
11 appropriate remedy to ensure the health, safety and welfare of the
12 respondent or the protection of the respondent's property or prevent a
13 repetition of the unjustifiable conduct, including staying the proceeding
14 until a petition for the appointment of a guardian or issuance of a
15 protective order is filed in a court of another state having jurisdiction; or

16 (3) continue to exercise jurisdiction after considering:

17 (A) The extent to which the respondent and all persons required to be
18 notified of the proceedings have acquiesced in the exercise of the court's
19 jurisdiction;

20 (B) whether it is a more appropriate forum than the court of any other
21 state under the factors set forth in section 12(c), and amendments thereto;
22 and

23 (C) whether the court of any other state would have jurisdiction under
24 factual circumstances in substantial conformity with the jurisdictional
25 standards of section 9, and amendments thereto.

26 (b) If a court of this state determines that it acquired jurisdiction to
27 appoint a guardian or issue a protective order because a party seeking to
28 invoke its jurisdiction engaged in unjustifiable conduct, it may assess
29 against that party necessary and reasonable expenses, including attorney
30 fees, investigative fees, court costs, communication expenses, witness fees
31 and expenses and travel expenses. The court may not assess fees, costs or
32 expenses of any kind against this state or a governmental subdivision,
33 agency or instrumentality of this state unless authorized by law other than
34 this act.

35 New Sec. 14. If a petition for the appointment of a guardian or
36 issuance of a protective order is brought in this state and this state was not
37 the respondent's home state on the date the petition was filed, in addition
38 to complying with the notice requirements of this state, notice of the
39 petition must be given to those persons who would be entitled to notice of
40 the petition if a proceeding were brought in the respondent's home state.
41 The notice must be given in the same manner as notice is required to be
42 given in this state.

43 New Sec. 15. Except for a petition for the appointment of a guardian

1 in an emergency or issuance of a protective order limited to property
2 located in this state under section 10(a)(1) or (2), and amendments thereto,
3 if a petition for the appointment of a guardian or issuance of a protective
4 order is filed in this state and in another state and neither petition has been
5 dismissed or withdrawn, the following rules apply:

6 (a) If the court in this state has jurisdiction under section 9, and
7 amendments thereto, it may proceed with the case unless a court in another
8 state acquires jurisdiction under provisions similar to section 9, and
9 amendments thereto, before the appointment or issuance of the order.

10 (b) If the court in this state does not have jurisdiction under section 9,
11 and amendments thereto, whether at the time the petition is filed or at any
12 time before the appointment or issuance of the order, the court shall stay
13 the proceeding and communicate with the court in the other state. If the
14 court in the other state has jurisdiction, the court in this state shall dismiss
15 the petition unless the court in the other state determines that the court in
16 this state is a more appropriate forum.

17 New Sec. 16. (a) A guardian or conservator appointed in this state
18 may petition the court to transfer the guardianship or conservatorship to
19 another state.

20 (b) Notice of a petition under subsection (a) must be given to the
21 persons that would be entitled to notice of a petition in this state for the
22 appointment of a guardian or conservator.

23 (c) On the court's own motion or on request of the guardian or
24 conservator, the incapacitated or protected person, or other person required
25 to be notified of the petition, the court shall hold a hearing on a petition
26 filed pursuant to subsection (a).

27 (d) The court shall issue an order provisionally granting a petition to
28 transfer a guardianship and shall direct the guardian to petition for
29 guardianship in the other state if the court is satisfied that the guardianship
30 will be accepted by the court in the other state and the court finds that:

31 (1) The incapacitated person is physically present in or is reasonably
32 expected to move permanently to the other state;

33 (2) an objection to the transfer has not been made or, if an objection
34 has been made, the objector has not established that the transfer would be
35 contrary to the interests of the incapacitated person; and

36 (3) plans for care and services for the incapacitated person in the
37 other state are reasonable and sufficient.

38 (e) The court shall issue a provisional order granting a petition to
39 transfer a conservatorship and shall direct the conservator to petition for
40 conservatorship in the other state if the court is satisfied that the
41 conservatorship will be accepted by the court of the other state and the
42 court finds that:

43 (1) The protected person is physically present in or is reasonably

1 expected to move permanently to the other state, or the protected person
2 has a significant connection to the other state considering the factors in
3 section 7(b), and amendments thereto;

4 (2) an objection to the transfer has not been made or, if an objection
5 has been made, the objector has not established that the transfer would be
6 contrary to the interests of the protected person; and

7 (3) adequate arrangements will be made for management of the
8 protected person's property.

9 (f) The court shall issue a final order confirming the transfer and
10 terminating the guardianship or conservatorship upon its receipt of:

11 (1) A provisional order accepting the proceeding from the court to
12 which the proceeding is to be transferred which is issued under provisions
13 similar to section 17, and amendments thereto; and

14 (2) the documents required to terminate a guardianship or
15 conservatorship in this state.

16 New Sec. 17. (a) To confirm transfer of a guardianship or
17 conservatorship transferred to this state under provisions similar to section
18 16, and amendments thereto, the guardian or conservator must petition the
19 court in this state to accept the guardianship or conservatorship. The
20 petition must include a certified copy of the other state's provisional order
21 of transfer.

22 (b) Notice of a petition under subsection (a) must be given to those
23 persons that would be entitled to notice if the petition were a petition for
24 the appointment of a guardian or issuance of a protective order in both the
25 transferring state and this state. The notice must be given in the same
26 manner as notice is required to be given in this state.

27 (c) On the court's own motion or on request of the guardian or
28 conservator, the incapacitated or protected person, or other person required
29 to be notified of the proceeding, the court shall hold a hearing on a petition
30 filed pursuant to subsection (a).

31 (d) The court shall issue an order provisionally granting a petition
32 filed under subsection (a) unless:

33 (1) An objection is made and the objector establishes that transfer of
34 the proceeding would be contrary to the interests of the incapacitated or
35 protected person; or

36 (2) the guardian or conservator is ineligible for appointment in this
37 state.

38 (e) The court shall issue a final order accepting the proceeding and
39 appointing the guardian or conservator as guardian or conservator in this
40 state upon its receipt from the court from which the proceeding is being
41 transferred of a final order issued under provisions similar to section 16,
42 and amendments thereto, transferring the proceeding to this state.

43 (f) Not later than 90 days after issuance of a final order accepting

1 transfer of a guardianship or conservatorship, the court shall determine
2 whether the guardianship or conservatorship needs to be modified to
3 conform to the law of this state.

4 (g) In granting a petition under this section, the court shall recognize
5 a guardianship or conservatorship order from the other state, including the
6 determination of the incapacitated or protected person's incapacity and the
7 appointment of the guardian or conservator.

8 (h) The denial by a court of this state of a petition to accept a
9 guardianship or conservatorship transferred from another state does not
10 affect the ability of the guardian or conservator to seek appointment as
11 guardian or conservator in this state under sections 24 through 135, and
12 amendments thereto, if the court has jurisdiction to make an appointment
13 other than by reason of the provisional order of transfer.

14 New Sec. 18. If a guardian has been appointed in another state and a
15 petition for the appointment of a guardian is not pending in this state, the
16 guardian appointed in the other state, after giving notice to the appointing
17 court of an intent to register, may register the guardianship order in this
18 state by filing as a foreign judgment in a court, in any appropriate county
19 of this state, certified copies of the order and letters of office.

20 New Sec. 19. If a conservator has been appointed in another state and
21 a petition for a protective order is not pending in this state, the conservator
22 appointed in the other state, after giving notice to the appointing court of
23 an intent to register, may register the protective order in this state by filing
24 as a foreign judgment in a court of this state, in any county in which
25 property belonging to the protected person is located, certified copies of
26 the order and letters of office and of any bond.

27 New Sec. 20. (a) Upon registration of a guardianship or protective
28 order from another state, the guardian or conservator may exercise in this
29 state all powers authorized in the order of appointment except as
30 prohibited under the laws of this state, including maintaining actions and
31 proceedings in this state and, if the guardian or conservator is not a
32 resident of this state, subject to any conditions imposed upon nonresident
33 parties.

34 (b) A court of this state may grant any relief available under this act
35 and other law of this state to enforce a registered order.

36 New Sec. 21. In applying and construing this uniform act,
37 consideration must be given to the need to promote uniformity of the law
38 with respect to its subject matter among states that enact it.

39 New Sec. 22. This act modifies, limits or supersedes the electronic
40 signatures in global and national commerce act, 15 U.S.C. § 7001 et seq.,
41 but does not modify, limit or supersede section 101(c) of that act, 15
42 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices
43 described in section 103(b) of that act, 15 U.S.C. § 7003(b).

1 New Sec. 23. (a) This act applies to guardianship and protective
2 proceedings begun on or after January 1, 2026.

3 (b) Sections 1 through 6 and 16 through 22, and amendments thereto,
4 apply to proceedings begun before January 1, 2026, regardless of whether
5 a guardianship or protective order has been issued.

7 uniform child custody jurisdiction and enforcement act, K.S.A. 23-37,101
8 through 23-37,405, and amendments thereto, the district court has
9 jurisdiction over a guardianship for a minor domiciled or present in this
10 state. The court has jurisdiction over a conservatorship or protective
11 arrangement instead of conservatorship for a minor domiciled or having
12 property in this state.

13 (b) The district court has jurisdiction over a guardianship,
14 conservatorship or protective arrangement under section 120 or 121, and
15 amendments thereto, for an adult as provided in the uniform adult

39 New Sec. 28. (a) This section does not apply to a guardianship or
40 conservatorship for an adult that is subject to the transfer provisions of
41 section 16 or 17, and amendments thereto.

42 (b) After appointment of a guardian or conservator, the court that
43 made the appointment may transfer the proceeding to a court in another

1 county in this state or another state if transfer is in the best interest of the
2 individual subject to the guardianship or conservatorship.

3 (c) If a proceeding for a guardianship or conservatorship is pending in
4 another state or a foreign country and a petition for guardianship or
5 conservatorship for the same individual is filed in a court in this state, the
6 court shall notify the court in the other state or foreign country and, after
7 consultation with that court, assume or decline jurisdiction, whichever is in
8 the best interest of the respondent.

9 (d) A guardian or conservator appointed in another state or country
10 may petition the court for appointment as a guardian or conservator in this
11 state for the same individual if jurisdiction in this state is or will be
12 established. The appointment may be made on proof of appointment in the
13 other state or foreign country and presentation of a certified copy of the
14 part of the court record in the other state or country specified by the court
15 in this state.

16 (e) Notice of hearing on a petition under subsection (d), together with
17 a copy of the petition, must be given to the respondent, if the respondent is
18 at least 12 years of age at the time of the hearing, and to the persons that
19 would be entitled to notice if the procedures for appointment of a guardian
20 or conservator under this act were applicable. The court shall make the
21 appointment unless it determines the appointment would not be in the best
22 interest of the respondent.

23 (f) Not later than 14 days after appointment under subsection (e), the
24 guardian or conservator shall give a copy of the order of appointment to
25 the individual subject to guardianship or conservatorship, if the individual
26 is at least 12 years of age, and to all persons given notice of the hearing on

32 (2) the county in which another proceeding concerning the custody or
33 parental rights of the minor is pending.

34 (b) Except as provided in subsection (e), venue for a guardianship
35 proceeding or protective arrangement instead of guardianship for an adult
36 is in:

37 (1) The county in which the respondent resides;

38 (2) if the respondent has been admitted to an institution by court
39 order, the county in which the court is located; or

40 (3) if the proceeding is for appointment of an emergency guardian for
41 an adult, the county in which the respondent is present.

42 (c) Except as provided in subsection (e), venue for a conservatorship
43 proceeding or protective arrangement instead of conservatorship is in:

1 (1) The county in which the respondent resides, whether or not a
2 guardian has been appointed in another county or other jurisdiction; or

3 (2) if the respondent does not reside in this state, in any county in
4 which property of the respondent is located.

5 (d) If proceedings under this act are brought in more than one county,
6 the court of the county in which the first proceeding is brought has the
7 exclusive right to proceed unless the court determines that venue is
8 properly in another court or the interest of justice otherwise requires
9 transfer of the proceeding.

10 (e) If proceedings under this act are brought in a county other than as
11 provided in subsections (a), (b) or (c), the court may determine that venue
12 is proper if it is in the best interest of the respondent and in the interest of
13 justice for the proceedings to take place in that county.

14 New Sec. 30. (a) The petitioner and the respondent shall each be
15 afforded an opportunity to appear at the trial, to testify and to present and
16 cross-examine witnesses. If the trial has been consolidated with a trial
17 being held pursuant to either the care and treatment act for mentally ill
18 persons or the care and treatment act for persons with an alcohol or
19 substance abuse problem, persons not necessary for the conduct of the
20 proceedings may be excluded as provided for in those acts. The trial shall
21 be conducted in as informal a manner as may be consistent with orderly
22 procedure. The court shall have the authority to receive all relevant and
23 material evidence which may be offered, including the testimony or
24 written report, findings or recommendations of any professional or other
25 person who has examined or evaluated the respondent and the testimony
26 and written findings and recommendations of any court liaison appointed
27 pursuant to section 67, and amendments thereto. Such evidence shall not
28 be privileged for the purpose of this trial.

29 (b) If proceedings for a guardianship, conservatorship or protective
30 arrangement under section 120 or 121, and amendments thereto, for the
31 same individual are commenced or pending in the same court, the
32 proceedings may be consolidated.

33 (c) A respondent may demand a jury trial in a proceeding under this
34 act on the issue of whether a basis exists for appointment of a guardian or
35 conservator.

36 New Sec. 31. (a) The court shall issue letters of office to a guardian
37 on filing by the guardian of:

38 (1) An acceptance of appointment;

39 (2) an oath or affirmation as required by K.S.A. 59-1702, and
40 amendments thereto;

41 (3) evidence of completion of a basic instructional program

7 amendments thereto;

8 (3) any required bond or compliance with any other asset-protection
9 arrangement required by the court;

10 (4) evidence of completion of a basic instructional program
11 concerning the duties and responsibilities of a conservator; and

13 information about the conservator required by the court. Such information
14 shall not be disclosed to the public.

16 property subject to conservatorship must be stated on the letters of office.
17 If the court appoints co-guardians or co-conservators, the letters of office
18 must specify whether such co-guardians or co-conservators may act
19 independently, whether they must act jointly, or under what circumstances
20 or with regard to what matters they may act independently or must act
21 jointly.

22 (d) The court at any time may limit the powers conferred on a
23 guardian or conservator. The court shall issue new letters of office to
24 reflect the limitation. The court shall give notice of the limitation to the
25 guardian or conservator, individual subject to guardianship or
26 conservatorship, each parent of a minor subject to guardianship or
27 conservatorship and any other person the court determines.

28 (e) The judicial council shall prepare a basic instructional program
29 concerning the duties and responsibilities of a guardian and a conservator.
30 The court shall have the authority to require any guardian or conservator
31 appointed prior to January 1, 2026, to complete the basic instructional
32 program and provide evidence thereof to the court.

33 New Sec. 32. (a) On acceptance of appointment, a guardian or
34 conservator submits to personal jurisdiction of the court in this state in any
35 proceeding relating to the guardianship or conservatorship.

36 (b) Every guardian or conservator that resides outside the state of
37 Kansas shall appoint a resident agent by executing an appointment of
38 resident agent that specifically identifies the person or entity that will act
39 as the resident agent. A resident agent may be either:

40 (1) An individual resident in this state; or

41 (2) a corporation, limited partnership, limited liability partnership,
42 limited liability company or business trust that has its principal place of
43 business in this state.

1 (c) Every resident agent for a guardian or conservator shall:

2 (1) Maintain contact with and remain aware of the current address
3 and phone number of the guardian or conservator;

4 (2) accept service of process and other communications directed to
5 the guardian or conservator; and

6 (3) forward to the guardian or conservator documents sent by the
7 court, the secretary of state or any other state agency.

8 (d) Every resident agent shall accept the appointment as resident
9 agent by executing an acceptance of appointment that specifically
10 identifies the name of the guardian or conservator and expresses the
11 appointed resident agent's agreement to fulfill their role, as described in
12 this section.

13 (e) For purposes of this section, the terms guardian and conservator
14 shall include co-guardians and co-conservators, temporary substitute
15 guardians and conservators, standby guardians and conservators, successor
16 guardians and conservators and emergency guardians and conservators.

17 New Sec. 33. (a) The court at any time may appoint a co-guardian or
18 co-conservator who may act when that co-guardian or co-conservator
19 complies with section 31(a) or (b), and amendments thereto, respectively.

20 (b) If the court appoints co-guardians or co-conservators, the court
21 shall specify in the letters of office whether such co-guardians or co-
22 conservators may act independently, whether they must act jointly, or
23 under what circumstances or with regard to what matters they may act
24 independently or must act jointly.

25 New Sec. 34. (a) The court at any time may appoint a successor
26 guardian or successor conservator to serve immediately or when a
27 designated event occurs, including the absence, impairment, resignation or
28 death of the guardian or conservator.

29 (b) A person entitled under section 52 or 65, and amendments thereto,
30 to petition the court to appoint a guardian may petition the court to appoint
31 a successor guardian. A person entitled under section 84, and amendments
32 thereto, to petition the court to appoint a conservator may petition the court
33 to appoint a successor conservator.

34 (c) A successor guardian or successor conservator appointed to serve
35 when a designated event occurs may act as guardian or conservator when:

36 (1) The event occurs; and

37 (2) the successor complies with section 31(a) or (b), and amendments
38 thereto, respectively.

39 (d) A successor guardian or successor conservator has the
40 predecessor's powers unless otherwise provided by the court.

41 New Sec. 35. (a) Any corporation organized under the Kansas general
42 corporation code may act as guardian for an individual found to be in need
43 of a guardian under the Kansas uniform guardianship, conservatorship and

1 other protective arrangements act, sections 24 through 135, and
2 amendments thereto, if the corporation has been certified by the secretary
3 for children and families as a suitable agency to perform the duties of a
4 guardian.

5 (b) The secretary for children and families shall establish criteria for
6 determining whether a corporation should be certified as a suitable agency
7 to perform the duties of a guardian. The criteria shall be designed for the
8 protection of the ward and shall include, but not be limited to, the
9 following:

10 (1) Whether the corporation is capable of performing the duties of a
11 guardian;

12 (2) whether the staff of the corporation is accessible and available to
13 wards and to other persons concerned about their well-being and is
14 adequate in number to properly perform the duties and responsibilities of a
15 guardian;

16 (3) whether the corporation is a stable organization which is likely to
17 continue in existence for some time; and

18 (4) whether the corporation will agree to submit such reports and
19 answer such questions as the secretary may require in monitoring
20 corporate guardianships.

21 (c) Application for certification under this section shall be made to
22 the secretary for children and families in such manner as the secretary may
23 direct. The secretary for children and families may suspend or revoke
24 certification of a corporation under this section, after notice and hearing,
25 upon a finding that such corporation has failed to comply with the criteria
26 established by rules and regulations under subsection (b). Such corporation
27 shall not be appointed as a guardian during the period of time the
28 certificate is suspended or revoked.

29 (d) No corporation shall be eligible for appointment as provided for
30 in sections 55 and 71, and amendments thereto, as the guardian of any
31 person if such corporation provides care, treatment or housing to that
32 person or is the owner, part owner or operator of any adult care home,
33 lodging establishment or institution utilized for the care, treatment or
34 housing of that person.

35 (e) The secretary for children and families may adopt rules and
36 regulations necessary to administer the provisions of this section.

37 New Sec. 36. (a) Appointment of a guardian or conservator
38 terminates on the death or removal of the guardian or conservator, or when
39 the court under subsection (b) approves a resignation of the guardian or
40 conservator.

41 (b) A guardian or conservator must petition the court for approval to
42 resign. The petition may include a request that the court appoint a
43 successor. Notice of the petition must be given to the person subject to

1 guardianship or conservatorship and any other person the court
2 determines. Resignation of a guardian or conservator is effective on the
3 date the resignation is approved by the court.

4 (c) Death, removal or resignation of a guardian or conservator does
5 not affect liability for a previous act or the obligation to account for:

6 (1) An action taken on behalf of the individual subject to
7 guardianship or conservatorship; or

8 (2) the individual's funds or other property.

9 New Sec. 37. (a) Except as otherwise provided in sections 53, 57, 66,
10 85 and 123, and amendments thereto, if notice of a hearing under this act
11 is required, the movant shall give notice of the date, time and place of the
12 hearing to the person to be notified unless otherwise ordered by the court
13 for good cause. Except as otherwise provided in this act, notice must be
14 given in compliance with K.S.A. 59-2208, and amendments thereto, at
15 least 14 days before the hearing.

16 (b) Proof of notice of a hearing under this act must be made before or
17 at the hearing and filed in the proceeding.

18 (c) Notice of a hearing under this act must be in at least 16-point font,
19 in plain language, and, to the extent feasible, in a language in which the
20 person to be notified is proficient.

21 New Sec. 38. A respondent, individual subject to guardianship,
22 individual subject to conservatorship or individual subject to a protective
23 arrangement under section 120 or 121, and amendments thereto, may not
24 waive notice under this act. Any other person may waive notice in a record
25 signed by the person or person's attorney and filed in the proceeding.

26 New Sec. 39. The court at any time may appoint a guardian ad litem
27 for an individual if the court determines the individual's interest otherwise
28 would not be adequately represented. If no conflict of interest exists, a
29 guardian ad litem may be appointed to represent multiple individuals or
30 interests. The guardian ad litem may not be the same individual as the
31 attorney representing the respondent. The court shall state the duties of the
32 guardian ad litem and the reasons for the appointment in the order of
33 appointment.

34 New Sec. 40. (a) A person may file with the court a request for notice
35 under this act if the person is:

36 (1) Not otherwise entitled to notice; and

37 (2) interested in the welfare of a respondent, individual subject to
38 guardianship or conservatorship or individual subject to a protective
39 arrangement under section 120 or 121, and amendments thereto.

40 (b) A request under subsection (a) must include a statement showing
41 the interest of the person making the request and the address of the person
42 or an attorney for the person to whom notice is to be given.

43 (c) If the court approves a request under subsection (a), the court shall

1 give notice of the approval to the guardian or conservator, if one has been
2 appointed, or the respondent if no guardian or conservator has been
3 appointed.

4 New Sec. 41. (a) Before accepting appointment as a guardian or
5 conservator, a person shall disclose to the court whether the person:

6 (1) Is or has been a debtor in a bankruptcy, insolvency or receivership
7 proceeding;

8 (2) has been convicted of:

9 (A) A felony;

10 (B) a crime involving dishonesty, neglect, violence or use of physical
11 force; or

12 (C) other crime relevant to the functions the individual would assume
13 as guardian or conservator;

14 (3) has committed an act of physical, mental or emotional abuse or
15 neglect or sexual abuse as validated by the Kansas department for children
16 and families pursuant to K.S.A. 38-2226, and amendments thereto; or

17 (4) has been found to have committed an act of abuse, neglect or
18 exploitation of an adult as contained in the register of reports under K.S.A.
19 39-1434, and amendments thereto.

20 (b) A guardian or conservator that engages or anticipates engaging a
21 service provider the guardian or conservator knows has been convicted of
22 a felony, a crime involving dishonesty, neglect, violence or use of physical
23 force, or other crime relevant to the functions the service provider is being
24 engaged to perform promptly shall disclose that knowledge to the court in
25 writing.

26 (c) If a conservator engages or anticipates engaging a service provider
27 under section 47, and amendments thereto, to manage finances of the
28 individual subject to conservatorship and knows the service provider is or
29 has been a debtor in a bankruptcy, insolvency or receivership proceeding,
30 the conservator promptly shall disclose that knowledge to the court in
31 writing.

32 New Sec. 42. (a) Unless otherwise compensated or reimbursed, an
33 attorney for a respondent in a proceeding under this act is entitled to
34 reasonable compensation for services and reimbursement of reasonable
35 expenses from the property of the respondent.

36 (b) Unless otherwise compensated or reimbursed, an attorney or other
37 person whose services resulted in an order beneficial to an individual
38 subject to guardianship or conservatorship or for whom a protective
39 arrangement under section 120 or 121, and amendments thereto, was
40 ordered is entitled to reasonable compensation for services and
41 reimbursement of reasonable expenses from the property of the individual.

42 (c) The court must approve compensation and expenses payable
43 under this section before payment. Approval is not required before a

1 service is provided or an expense is incurred. The costs may be taxed to
2 the property of the respondent or individual subject to guardianship or
3 conservatorship or for whom a protective arrangement under section 120
4 or 121, and amendments thereto, was ordered, to those bound by law to
5 support such person, to other parties whenever it would be just and
6 equitable to do so, or to the county of residence of the respondent or
7 individual subject to guardianship or conservatorship or for whom a
8 protective arrangement under section 120 or 121, and amendments thereto,
9 was ordered as the court having venue shall direct.

10 (d) If the court dismisses a petition under this act and determines the
11 petition was filed in bad faith, the court may assess the cost of any court-
12 ordered professional evaluation or court liaison and attorney fees against
13 the petitioner or the petitioner's counsel.

14 (e) In any contested proceeding the court, in its discretion, may
15 require one or more parties to give security for the costs of the proceeding
16 or, in lieu of such security, to file a poverty affidavit as provided for in the
17 code of civil procedure.

18 (f) Any district court receiving a statement of costs from another
19 district court shall approve the same for payment out of the general fund of
20 its county except that it may refuse to approve the same for payment only
21 on the grounds that the respondent or person under guardianship or
22 conservatorship is not a resident of that county. In such case it shall
23 transmit the statement of costs to the secretary of the department for
24 children and families who shall determine the question of residence and
25 certify those findings to each district court. If the claim for costs is not
26 paid within 30 days after such certification, an action may be maintained
27 thereon by the claimant county in the district court of the claimant county
28 against the debtor county. The findings made by the secretary of the
29 department for children and families as to the residence of the respondent
30 or person subject to guardianship or conservatorship shall be applicable
31 only to the assessment of costs. Any county of residence which pays from
32 its general fund court costs to the district court of another county may
33 recover the same in any court of competent jurisdiction from the estate of
34 the respondent or person subject to guardianship or conservatorship or
35 from those bound by law to support the respondent or person subject to
36 guardianship or conservatorship, unless the court finds that the
37 proceedings in which such costs were incurred were instituted without
38 good cause and not in good faith.

39 New Sec. 43. (a) Subject to court approval, a guardian is entitled to
40 reasonable compensation for services as guardian and to reimbursement
41 for room, board, clothing and other appropriate expenses advanced for the
42 benefit of the individual subject to guardianship.

43 (b) Subject to court approval, a conservator is entitled to reasonable

1 compensation for services and reimbursement for appropriate expenses
2 from the property of the individual subject to conservatorship.

3 (c) In determining reasonable compensation for a guardian or
4 conservator, the court, or a conservator in determining reasonable
5 compensation for a guardian as provided in subsection (a), shall consider:

6 (1) The necessity and quality of the services provided;

7 (2) the experience, training, professional standing and skills of the
8 guardian or conservator;

9 (3) the difficulty of the services performed, including the degree of
10 skill and care required;

11 (4) the conditions and circumstances under which a service was
12 performed, including whether the service was provided outside regular
13 business hours or under dangerous or extraordinary conditions;

14 (5) the effect of the services on the individual subject to guardianship
15 or conservatorship;

16 (6) the extent to which the services provided were or were not
17 consistent with the guardian's plan under section 79, and amendments
18 thereto, or conservator's plan under section 103, and amendments thereto;
19 and

20 (7) the fees customarily paid to a person that performs a like service
21 in the community.

22 (d) A guardian or conservator need not use personal funds of the
23 guardian or conservator for the expenses of the individual subject to
24 guardianship or conservatorship.

25 (e) If an individual subject to guardianship or conservatorship seeks
26 to modify or terminate the guardianship or conservatorship or remove the
27 guardian or conservator, the court may order compensation to the guardian
28 or conservator for time spent opposing modification, termination or
29 removal only to the extent the court determines the opposition was
30 reasonably necessary to protect the interest of the individual subject to
31 guardianship or conservatorship.

32 (f) Nothing in this section shall prohibit a guardian or a conservator
33 associated with the Kansas guardianship program from receiving a stipend
34 from that program.

35 New Sec. 44. A guardian or conservator is not personally liable to
36 another person solely because of the guardianship or conservatorship for
37 an act or omission of the individual subject to guardianship or
38 conservatorship.

39 New Sec. 45. (a) A guardian or conservator may petition the court for
40 instruction concerning fiduciary responsibility or ratification of a
41 particular act related to the guardianship or conservatorship.

42 (b) Upon the filing of a petition under this section, the court may
43 appoint counsel for the individual subject to guardianship or

1 conservatorship.

2 (c) On notice and hearing on a petition under subsection (a), the court
3 may give an instruction and issue an appropriate order.

4 New Sec. 46. (a) A person must recognize the authority of a guardian
5 or conservator to act on behalf of an individual subject to guardianship or
6 conservatorship unless:

7 (1) The person has actual knowledge or a reasonable belief that the
8 letters of office of the guardian or conservator are invalid or the
9 conservator or guardian is exceeding or improperly exercising authority
10 granted by the court;

11 (2) the person has actual knowledge that the individual subject to
12 guardianship or conservatorship is subject to physical or financial abuse,
13 neglect, exploitation or abandonment by the guardian or conservator or a
14 person acting for or with the guardian or conservator; or

15 (3) the person makes, or has actual knowledge that another person
16 has made, a report under K.S.A. 39-1402 or 39-1431, and amendments
17 thereto, stating a good-faith belief that the individual subject to
18 guardianship or conservatorship is subject to physical or financial abuse,
19 neglect, exploitation or abandonment by the guardian or conservator or a
20 person acting for or with the guardian or conservator.

21 (b) A person that refuses to accept the authority of a guardian or
22 conservator must, within 10 days of the refusal, report the refusal and the
23 reason for refusal to the court. Upon receiving the report, the clerk of the
24 district court shall forward the report to the presiding judge who shall
25 consider whether further action is appropriate. A report of a refusal under
26 this section shall be treated in the same manner as a grievance under
27 section 50, and amendments thereto.

28 (c) A guardian or conservator may petition the court to require a third
29 party to accept a decision made by the guardian or conservator on behalf
30 of the individual subject to guardianship or conservatorship.

31 New Sec. 47. (a) A guardian or conservator may retain a third person
32 to provide any service to an individual subject to guardianship or
33 conservatorship if retaining such third person, hereinafter referred to as a
34 service provider, is consistent with the guardian's or conservator's fiduciary
35 duties and the guardian's plan under section 79, and amendments thereto,
36 or conservator's plan under section 103, and amendments thereto.

37 (b) In retaining a service provider under subsection (a), the guardian
38 or conservator shall exercise reasonable care, skill and caution in:

39 (1) Selecting the service provider;

40 (2) establishing the scope and terms of the service provider's work in
41 accordance with the guardian's plan under section 79, and amendments
42 thereto, or the conservator's plan under section 103, and amendments
43 thereto;

1 (3) monitoring the service provider's performance and compliance
2 with the scope and terms of work; and

3 (4) redressing an act or omission of the service provider which would
4 constitute a breach of the guardian's or conservator's duties if done by the
5 guardian or conservator.

6 (c) In providing services under this section, a service provider shall
7 exercise reasonable care to comply with the scope and terms of the work
8 and use reasonable care in the performance of the work.

9 (d) A service provider who agrees to provide services under
10 subsection (a) submits to the personal jurisdiction of the courts of this state
11 in an action involving the service provider's performance.

12 (e) A guardian or conservator that retains and monitors a service
13 provider in compliance with this section is not liable for the decision, act
14 or omission of the service provider.

15 New Sec. 48. (a) The court may appoint a temporary substitute
16 guardian for an individual subject to guardianship for a period not
17 exceeding six months if:

18 (1) A proceeding to remove a guardian for the individual is pending;
19 or

20 (2) the court finds a guardian is not effectively performing the
21 guardian's duties and the welfare of the individual requires immediate
22 action.

23 (b) The court may appoint a temporary substitute conservator for an
24 individual subject to conservatorship for a period not exceeding six
25 months if:

26 (1) A proceeding to remove a conservator for the individual is
27 pending; or

28 (2) the court finds that a conservator for the individual is not
29 effectively performing the conservator's duties and the welfare of the
30 individual or the conservatorship estate requires immediate action.

31 (c) Except as otherwise ordered by the court, a temporary substitute
32 guardian or temporary substitute conservator appointed under this section
33 has the powers stated in the order of appointment of the guardian or
34 conservator. The authority of the existing guardian or conservator is
35 suspended for as long as the temporary substitute guardian or conservator
36 has authority.

37 (d) (1) The court shall give notice of appointment of a temporary
38 substitute guardian or temporary substitute conservator, not later than five
39 days after the appointment, to:

40 (A) The individual subject to guardianship or conservatorship;

41 (B) the affected guardian or conservator; and

42 (C) in the case of a minor, each parent of the minor and any person
43 currently having care or custody of the minor.

1 (2) If the individual subject to guardianship or conservatorship is not
2 represented by an attorney, the court shall appoint an attorney under the
3 same conditions as in sections 54 and 68, and amendments thereto. The
4 court shall set the matter for hearing if any person entitled to notice so
5 requests.

6 (e) The court may remove a temporary substitute guardian or
7 temporary substitute conservator at any time. The temporary substitute
8 guardian or temporary substitute conservator shall make any report the
9 court requires.

10 New Sec. 49. (a) If a guardian has been appointed in another state for
11 an individual, and a petition for guardianship for the individual is not
12 pending in this state, the guardian appointed in the other state, after giving
13 notice to the appointing court, may register the guardianship order in this
14 state by filing as a foreign judgment, in a court of an appropriate county of
15 this state, certified copies of the order and letters of office.

16 (b) If a conservator has been appointed in another state for an
17 individual, and a petition for conservatorship for the individual is not
18 pending in this state, the conservator appointed for the individual in the
19 other state, after giving notice to the appointing court, may register the
20 conservatorship in this state by filing as a foreign judgment, in a court of a
21 county in which property belonging to the individual subject to
22 conservatorship is located, certified copies of the order of conservatorship,
23 letters of office and any bond or other asset-protection arrangement
24 required by the court.

25 (c) On registration under this section of a guardianship or
26 conservatorship order from another state, the guardian or conservator may
27 exercise in this state all powers authorized in the order except as
28 prohibited by this act and law of this state other than this act. If the
29 guardian or conservator is not a resident of this state, the guardian or
30 conservator may maintain an action or proceeding in this state subject to
31 any condition imposed by this state on an action or proceeding by a
32 nonresident party.

33 (d) The court may grant any relief available under this act and law of
34 this state other than this act to enforce an order registered under this
35 section. However, absent a transfer pursuant to section 28, and
36 amendments thereto, jurisdiction remains with the court that established
37 the guardianship or conservatorship.

38 New Sec. 50. (a) An individual who is subject to guardianship or
39 conservatorship, or person interested in the welfare of an individual
40 subject to guardianship or conservatorship, who reasonably believes the
41 guardian or conservator is breaching the guardian's or conservator's
42 fiduciary duty or otherwise acting in a manner inconsistent with this act
43 may file a grievance in a record with the court. The clerk of the district

- 1 court shall forward the grievance to the presiding judge.
- 2 (b) Subject to subsection (c), after receiving a grievance under
3 subsection (a), the court:
- 4 (1) Shall review the grievance and, if necessary to determine the
5 appropriate response, court records related to the guardianship or
6 conservatorship;
- 7 (2) shall schedule a hearing if the individual subject to guardianship
8 or conservatorship is an adult and the grievance supports a reasonable
9 belief that:
- 10 (A) Removal of the guardian and appointment of a successor may be
11 appropriate under section 81, and amendments thereto;
- 12 (B) termination or modification of the guardianship may be
13 appropriate under section 82, and amendments thereto;
- 14 (C) removal of the conservator and appointment of a successor may
15 be appropriate under section 112, and amendments thereto; or
- 16 (D) termination or modification of the conservatorship may be
17 appropriate under section 113, and amendments thereto; and
- 18 (3) may take any action supported by the evidence, including:
- 19 (A) Ordering the guardian or conservator to provide the court a
20 report, accounting, inventory, updated plan or other information;
- 21 (B) appointing a guardian ad litem;
- 22 (C) appointing an attorney for the individual subject to guardianship
23 or conservatorship; or
- 24 (D) holding a hearing.
- 25 (c) The court may decline to act under subsection (b) if a similar
26 grievance was filed within the six months preceding the filing of the
27 current grievance and the court followed the procedures of subsection (b)
28 in considering the earlier grievance.
- 29 New Sec. 51. (a) A person becomes a guardian for a minor only on
30 appointment by the court.
- 31 (b) After a hearing under section 53, and amendments thereto, the
32 court may appoint a guardian for a minor who does not have a guardian if
33 the court finds the appointment is in the minor's best interest and:
- 34 (1) Each parent of the minor, after being fully informed of the nature
35 and consequences of guardianship, consents;
- 36 (2) all parental rights have been terminated;
- 37 (3) there is clear and convincing evidence that the parents of the
38 minor are unwilling, unable or unfit to exercise the powers the court is
39 granting the guardian; or
- 40 (4) there is clear and convincing evidence that highly unusual or
41 extraordinary circumstances exist that cause the court to appoint the
42 guardian over the objection of a parent of the minor.
- 43 New Sec. 52. (a) A person interested in the welfare of a minor,

1 including the minor, may file a verified petition for appointment of a
2 guardian for the minor.

3 (b) A petition under subsection (a) must state the petitioner's name,
4 principal residence, current street address if different, relationship to the
5 minor, interest in the appointment, the name and address of any attorney
6 representing the petitioner and, to the extent known, the following:

7 (1) The minor's name, age, principal residence, current street address
8 if different and address of the dwelling in which it is proposed the minor
9 will reside if the appointment is made;

10 (2) the names and current street addresses of the minor's parents;

11 (3) the name and address, if known, of each person that had primary
12 care or custody of the minor for at least 60 days during the two years
13 immediately before the filing of the petition or for at least 730 days during
14 the five years immediately before the filing of the petition;

15 (4) the name and address of any attorney for the minor and any
16 attorney for each parent of the minor;

17 (5) the reason guardianship is sought and would be in the best interest
18 of the minor;

19 (6) the name and address of any proposed guardian and the reason the
20 proposed guardian should be selected;

21 (7) the name, address and relationship of any other person entitled to
22 notice under section 53, and amendments thereto;

23 (8) if the minor has property other than personal effects, a general
24 statement of the minor's property with an estimate of its value;

25 (9) whether the minor needs an interpreter, translator or other form of
26 support to communicate effectively with the court or understand court
27 proceedings;

28 (10) whether any parent of the minor needs an interpreter, translator
29 or other form of support to communicate effectively with the court or
30 understand court proceedings; and

31 (11) identify any other proceeding concerning the care or custody of
32 the minor that is pending in any court in this state or another jurisdiction.

33 (c) The petition shall contain, or be accompanied by an affidavit
34 which contains, the information required by K.S.A. 23-37,209, and
35 amendments thereto.

36 New Sec. 53. (a) When a petition is filed under section 52, and
37 amendments thereto, the court shall schedule a hearing, and the petitioner
38 shall:

39 (1) Serve notice of the date, time and place of the hearing, together
40 with a copy of the petition, personally on each of the following that is not
41 the petitioner:

42 (A) The minor, if the minor will be 12 years of age or older at the
43 time of the hearing;

1 (B) each parent of the minor or, if there is none, the adult nearest in
2 kinship who can be found with reasonable diligence;

3 (C) any adult with whom the minor resides;

4 (D) each person that had primary care or custody of the minor for at
5 least 60 days during the two years immediately before the filing of the
6 petition or for at least 730 days during the five years immediately before
7 the filing of the petition; and

8 (E) any other person the court determines should receive personal
9 service of notice; and

10 (2) give notice under section 37, and amendments thereto, of the date,
11 time and place of the hearing, together with a copy of the petition, to:

12 (A) Any person nominated as guardian by the minor, if the minor is
13 12 years of age or older;

14 (B) any nominee of a parent;

15 (C) each grandparent and adult sibling of the minor who can be found
16 with reasonable diligence;

17 (D) any guardian or conservator acting for the minor in any
18 jurisdiction; and

19 (E) any other person the court determines.

20 (b) Notice required by subsection (a) must include a statement of the
21 right to request appointment of an attorney for the minor or object to
22 appointment of a guardian and a description of the nature, purpose and
23 consequences of appointment of a guardian.

24 (c) The court may not grant a petition for guardianship of a minor if
25 notice substantially complying with subsection (a)(1) is not served on:

26 (1) the minor, if the minor is 12 years of age or older; and

27 (2) each parent of the minor, unless the court finds by clear and
28 convincing evidence that the parent cannot with due diligence be located
29 and served or the parent waived, in a record, the right to notice.

30 (d) If a petitioner is unable to serve notice under subsection (a)(1) on
31 a parent of a minor or alleges that the parent waived, in a record, the right
32 to notice under this section, the court may appoint a court liaison who
33 shall:

34 (1) Interview the petitioner and the minor;

35 (2) if the petitioner alleges the parent cannot be located, ascertain
36 whether the parent cannot be located with due diligence; and

37 (3) investigate any other matter relating to the petition the court
38 directs.

39 New Sec. 54. (a) The court shall appoint an attorney to represent a
40 minor who is the subject of a proceeding under section 52, and
41 amendments thereto, if:

42 (1) Requested by the minor and the minor is 12 years of age or older;

43 (2) recommended by a guardian ad litem; or

1 (3) the court determines the minor needs representation.

2 (b) An attorney appointed under subsection (a) shall:

3 (1) Make a reasonable effort to ascertain the minor's wishes;

4 (2) advocate for the minor's wishes to the extent reasonably
5 ascertainable; and

6 (3) if the minor's wishes are not reasonably ascertainable, advocate
7 for the minor's best interest.

8 (c) A minor who is the subject of a proceeding under section 52, and
9 amendments thereto, may retain an attorney to represent the minor in the
10 proceeding.

11 (d) The court shall appoint an attorney to represent a parent of a
12 minor who is the subject of a proceeding under section 52, and
13 amendments thereto, if the court determines the parent needs
14 representation.

15 New Sec. 55. (a) The court may require a minor who is the subject of
16 a hearing under section 53, and amendments thereto, to attend and
17 participate in the hearing. If the court orders the minor to attend the
18 hearing but later rescinds that order, the court shall enter in the record of
19 the proceedings the facts upon which the court found that the presence of
20 the minor should be excused.

21 (b) Unless excused by the court for good cause, the person proposed
22 to be appointed as guardian for a minor shall attend a hearing under
23 section 53, and amendments thereto.

24 (c) The minor who is the subject of a hearing under section 53, and
25 amendments thereto, has the right to attend the hearing. Each parent of a
26 minor who is the subject of a hearing under section 53, and amendments
27 thereto, has the right to attend the hearing.

28 (d) A person may request permission to participate in a hearing under
29 section 53, and amendments thereto. The court may grant the request, with
30 or without hearing, on determining that it is in the best interest of the
31 minor who is the subject of the hearing. The court may impose appropriate
32 conditions on the person's participation.

33 New Sec. 56. (a) After a hearing under section 53, and amendments
34 thereto, the court may appoint a guardian for a minor, if appointment is
35 proper under section 51, and amendments thereto, dismiss the proceeding
36 or take other appropriate action.

37 (b) In appointing a guardian under subsection (a), the following rules
38 apply:

39 (1) The court shall appoint a person nominated as guardian by a
40 parent of the minor in a will or other record unless the court finds the
41 appointment is contrary to the best interest of the minor.

42 (2) If multiple parents have nominated different persons to serve as
43 guardian, the court shall appoint the nominee whose appointment is in the

1 best interest of the minor, unless the court finds that appointment of none
2 of the nominees is in the best interest of the minor.

3 (3) If a guardian is not appointed under paragraph (1) or (2), the court
4 shall appoint the person nominated by the minor if the minor is 12 years of
5 age or older unless the court finds that appointment is contrary to the best
6 interest of the minor, in which case, the court shall appoint as guardian a
7 person whose appointment is in the best interest of the minor.

8 (c) An order granting a guardianship for a minor must state that each
9 parent of the minor is entitled to notice that:

10 (1) The guardian has changed the residence or school of the minor
11 subject to guardianship;

12 (2) the court has modified or limited the powers of the guardian; or

13 (3) the court has removed the guardian.

14 (d) An order granting a guardianship for a minor must identify any
15 person, in addition to a parent of the minor, who is entitled to notice of the
16 events listed in subsection (c).

17 (e) The appointment of a guardian under this section shall not be
18 construed to relieve a parent of any obligation imposed by law for the
19 support, maintenance, care, treatment, habilitation or education of that
20 parent's minor child.

21 New Sec. 57. (a) A standby guardian appointed under this section
22 may act as guardian, with all duties and powers of a guardian under
23 sections 59 and 60, and amendments thereto, when no parent of the minor
24 is willing or able to exercise the duties and powers granted to the guardian.

25 (b) A parent of a minor, in a signed record, may nominate a person to
26 be appointed by the court as standby guardian for the minor. The parent, in
27 a signed record, may revoke or amend the nomination at any time before
28 the court appoints a standby guardian.

29 (c) The court may appoint a standby guardian for a minor on:

30 (1) Petition by a parent of the minor or a person nominated under
31 subsection (b); and

32 (2) finding that no parent of the minor likely will be able or willing to
33 care for or make decisions with respect to the minor not later than two
34 years after the appointment.

35 (d) A petition under subsection (c)(1) must include the same
36 information required under section 52, and amendments thereto, for the
37 appointment of a guardian for a minor.

38 (e) On filing a petition under subsection (c)(1), the petitioner shall:

39 (1) Serve a copy of the petition personally on:

40 (A) The minor, if the minor is 12 years of age or older, and the
41 minor's attorney, if any;

42 (B) each parent of the minor;

43 (C) the person nominated as the standby guardian; and

1 (D) any other person the court determines; and

2 (2) include with the copy of the petition served under paragraph (1) a
3 statement of the right to request appointment of an attorney for the minor
4 or to object to appointment of the standby guardian, and a description of
5 the nature, purpose and consequences of appointment of a standby
6 guardian.

7 (f) A person entitled to notice under subsection (e), not later than 30
8 days after service of the petition and statement, may object to appointment
9 of the standby guardian by filing an objection with the court and giving
10 notice of the objection to each other person entitled to notice under
11 subsection (e).

12 (g) If an objection is filed under subsection (f), the court shall hold a
13 hearing to determine whether a standby guardian should be appointed and,
14 if so, the person that should be appointed. If no objection is filed, the court
15 may make the appointment.

16 (h) The court may not grant a petition for a standby guardian of the
17 minor if notice substantially complying with subsection (e) is not served
18 on:

19 (1) The minor, if the minor is 12 years of age or older; and

20 (2) each parent of the minor, unless the court finds by clear and
21 convincing evidence that the parent, in a record, waived the right to notice
22 or cannot be located and served with due diligence.

23 (i) If a petitioner is unable to serve notice under subsection (e) on a
24 parent of the minor or alleges that a parent of the minor waived the right to
25 notice under this section, the court may appoint a court liaison who shall:

26 (1) Interview the petitioner and the minor;

27 (2) if the petitioner alleges the parent cannot be located and served,
28 ascertain whether the parent cannot be located with due diligence; and

29 (3) investigate any other matter relating to the petition the court
30 directs.

31 (j) If the court finds under subsection (c) that a standby guardian
32 should be appointed, the following rules apply:

33 (1) The court shall appoint the person nominated under subsection (b)
34 unless the court finds that the appointment is contrary to the best interest
35 of the minor.

36 (2) If the parents have nominated different persons to serve as
37 standby guardian, the court shall appoint the nominee whose appointment
38 is in the best interest of the minor, unless the court finds that appointment
39 of none of the nominees is in the best interest of the minor.

40 (k) An order appointing a standby guardian under this section must
41 state that each parent of the minor is entitled to notice, and identify any
42 other person entitled to notice, if:

43 (1) The standby guardian assumes the duties and powers of the

1 guardian;

2 (2) the standby guardian changes the residence or school of the
3 minor;

4 (3) the court modifies or limits the powers of the standby guardian; or

5 (4) the court removes the standby guardian.

6 (l) Before assuming the duties and powers of a guardian, a standby
7 guardian must file with the court an acceptance of appointment as guardian
8 and give notice of the acceptance to:

9 (1) Each parent of the minor, unless the parent, in a record, waived
10 the right to notice or cannot be located and served with due diligence;

11 (2) the minor, if the minor is 12 years of age or older; and

12 (3) any person, other than the parent, having care or custody of the
13 minor.

14 (m) A person that receives notice under subsection (k) or any other
15 person interested in the welfare of the minor may file with the court an
16 objection to the standby guardian's assumption of duties and powers of a
17 guardian. The court shall hold a hearing if the objection supports a
18 reasonable belief that the conditions for assumption of duties and powers
19 have not been satisfied.

20 New Sec. 58. (a) On its own, or on verified petition by a person
21 interested in a minor's welfare, the court may appoint an emergency
22 guardian for the minor if the court finds a sufficient factual basis to
23 establish probable cause that:

24 (1) Appointment of an emergency guardian is necessary to prevent
25 imminent and substantial harm to the minor's health, safety or welfare; and

26 (2) no other person has authority and willingness to act in the
27 circumstances.

28 (b) The duration of authority of an emergency guardian for a minor
29 may not exceed 30 days, and the emergency guardian may exercise only
30 the powers specified in the order of appointment. The emergency
31 guardian's authority may be extended up to three times for not more than
32 30 days per extension if the court finds good cause and that the conditions
33 for appointment of an emergency guardian in subsection (a) continue.

34 (c) Except as otherwise provided in subsection (d), reasonable notice
35 of the date, time and place of a hearing on a petition for appointment of an
36 emergency guardian for a minor must be given to:

37 (1) The minor, if the minor is 12 years of age or older;

38 (2) any attorney appointed under section 54, and amendments thereto;

39 (3) each parent of the minor;

40 (4) any person, other than a parent, having care or custody of the
41 minor; and

42 (5) any other person the court determines.

43 (d) The court may appoint an emergency guardian for a minor

1 without notice under subsection (c) and without a hearing only if the court
2 finds from an affidavit or testimony that the minor's health, safety or
3 welfare will be substantially harmed before a hearing with notice on the
4 appointment can be held. If the court appoints an emergency guardian
5 without notice to an unrepresented minor or the attorney for a represented
6 minor, notice of the appointment must be given not later than 48 hours
7 after the appointment to the individuals listed in subsection (c). Not later
8 than seven days after the appointment, the court shall hold a hearing on the
9 appropriateness of the appointment.

10 (e) Appointment of an emergency guardian under this section, with or
11 without notice, is not a determination that a basis exists for appointment of
12 a guardian under section 51, and amendments thereto.

13 (f) The emergency guardian shall make any report the court requires.

14 (g) The court may remove an emergency guardian appointed under
15 this section at any time.

16 New Sec. 59. (a) A guardian for a minor is a fiduciary. Except as
17 otherwise limited by the court, a guardian for a minor has the duties and
18 responsibilities of a parent regarding the minor's support, care, education,
19 health, safety and welfare. A guardian shall act in the minor's best interest
20 and exercise reasonable care, diligence and prudence.

21 (b) A guardian for a minor shall:

22 (1) Be personally acquainted with the minor and maintain sufficient
23 contact with the minor to know the minor's abilities, limitations, needs,
24 opportunities and physical and mental health;

25 (2) take reasonable care of the minor's personal effects and bring a
26 proceeding for a conservatorship, or protective arrangement instead of
27 conservatorship, if necessary to protect other property of the minor;

28 (3) if authorized by the court under section 61, and amendments
29 thereto, expend funds of the minor which have been received by the
30 guardian for the minor's current needs for support, care, education, health,
31 safety and welfare;

32 (4) conserve any funds of the minor not expended under paragraph
33 (3) for the minor's future needs, but if a conservator is appointed for the
34 minor, pay the funds at least quarterly to the conservator to be conserved
35 for the minor's future needs;

36 (5) report the condition of the minor and account for funds and other
37 property of the minor in the guardian's possession or subject to the
38 guardian's control, as required by court rule or ordered by the court on
39 application of a person interested in the minor's welfare;

40 (6) inform the court of any change in the minor's dwelling or address;
41 and

42 (7) in determining what is in the minor's best interest, take into
43 account the minor's preferences to the extent actually known or reasonably

1 ascertainable by the guardian.

2 New Sec. 60. (a) Except as otherwise limited by court order, a
3 guardian of a minor has the powers a parent otherwise would have
4 regarding the minor's support, care, education, health, safety and welfare.

5 (b) Except as otherwise limited by court order, a guardian for a minor
6 may:

7 (1) If authorized by the court under section 61, and amendments
8 thereto, apply for and receive funds and benefits otherwise payable for the
9 support of the minor to the minor's parent, guardian or custodian under a
10 statutory system of benefits or insurance or any private contract, devise,
11 trust, conservatorship or custodianship;

12 (2) unless inconsistent with a court order entitled to recognition in
13 this state, take custody of the minor and establish the minor's place of
14 dwelling and, on authorization of the court, establish or move the minor's
15 dwelling outside this state;

16 (3) if the minor is not subject to conservatorship, commence a
17 proceeding, including an administrative proceeding, or take other
18 appropriate action to compel a person to support the minor or make a
19 payment for the benefit of the minor; and

20 (4) consent to health or other care, treatment or service for the minor.

21 (c) The court may authorize a guardian for a minor to consent to the
22 adoption of the minor if the minor does not have a parent.

23 (d) A guardian for a minor may consent to the marriage of the minor
24 if authorized by the court, and the guardianship shall terminate upon such
25 marriage.

26 New Sec. 61. A guardian for a minor may not exercise any control or
27 authority over the minor's estate, unless specifically authorized by the
28 court. Any guardian who is granted such authority must prepare an
29 inventory and provide notice of the inventory as provided in section 104,
30 and amendments thereto. The court may assign such authority to the
31 guardian and may waive the requirement of the posting of a bond, only if:

32 (a) Initially, the combined value of any funds and assets owned by the
33 minor equals \$25,000 or less;

34 (b) either the court requires the guardian to report to the court the
35 commencement of the exercising of such authority, or requires the
36 guardian to obtain court authorization to commence the exercise of such
37 authority, as the court shall specify; and

38 (c) the court also requires the guardian, whenever the combined value
39 of such funds and property exceeds \$25,000, to:

40 (1) File a guardian's plan as provided for in section 63, and
41 amendments thereto, that contains elements similar to those that would be
42 contained in a conservator's plan as provided for in section 103, and
43 amendments thereto;

- 1 (2) petition the court for appointment of a conservator; or
- 2 (3) notify the court as the court shall specify that the value of the
- 3 minor's estate has equaled or exceeded \$25,000, if the court has earlier
- 4 appointed a conservator but did not issue letters of conservatorship
- 5 pending such notification.

6 New Sec. 62. (a) Guardianship under this act for a minor terminates:

- 7 (1) On the minor's death, adoption, emancipation or attainment of
- 8 majority; or
- 9 (2) when the court finds that the standard in section 51, and
- 10 amendments thereto, for appointment of a guardian is not satisfied, unless
- 11 the court finds that:

12 (A) Termination of the guardianship would be harmful to the minor;

13 and

14 (B) the minor's interest in the continuation of the guardianship

15 outweighs the interest of any parent of the minor in restoration of the

16 parent's right to make decisions for the minor.

17 (b) A minor subject to guardianship or a person interested in the

18 welfare of the minor may petition the court to terminate the guardianship,

19 modify the guardianship, remove the guardian and appoint a successor

20 guardian or remove a standby guardian and appoint a different standby

21 guardian.

22 (c) A petitioner under subsection (b) shall give notice of the hearing

23 on the petition to the minor, if the minor is 12 years of age or older and is

24 not the petitioner, the guardian, each parent of the minor and any other

25 person the court determines.

26 (d) The court shall follow the priorities in section 56(b), and

27 amendments thereto, when selecting a successor guardian for a minor.

28 (e) Not later than 30 days after appointment of a successor guardian

29 for a minor, the court shall give notice of the appointment to the minor

30 subject to guardianship, if the minor is 12 years of age or older, each

31 parent of the minor and any other person the court determines.

32 (f) When terminating a guardianship for a minor under this section,

33 the court may issue an order providing for transitional arrangements that

34 will assist the minor with a transition of custody and is in the best interest

35 of the minor.

36 (g) A removed guardian for a minor shall cooperate with a successor

37 guardian to facilitate transition of the guardian's responsibilities and

38 protect the best interest of the minor.

39 (h) Not later than 30 days after entering an order under this section,

40 the court or the court's designee shall give notice of the order to the minor

41 subject to guardianship and any person entitled to notice under section 56,

42 and amendments thereto, or a subsequent order.

43 New Sec. 63. (a) At any time, the court may require the guardian of a

1 minor, or the guardian of a minor may choose, to develop and file with the
2 court a plan of care for the minor. Any such plan must be based on the
3 needs of the minor and take into account the best interest of the minor as
4 well as the minor's preferences, to the extent known to or reasonably
5 ascertainable by the guardian. The guardian may include in the plan:

- 6 (1) Where the minor will reside and attend school;
7 (2) whether the parents of the minor will have contact or visitation
8 with the minor;
9 (3) whether the parents of the minor will have access to medical,
10 educational or other records of the minor;
11 (4) whether the parents of the minor will retain any rights to decision
12 making regarding the minor's healthcare, education or other matters;
13 (5) any other provisions the guardian deems appropriate; and
14 (6) any other provisions the court requires.

15 (b) The guardian for a minor shall give notice of the filing of the
16 guardian's plan under subsection (a), together with a copy of the plan, to
17 the minor if the minor is 12 years of age or older, any attorney representing
18 the minor in the guardianship proceeding or any other proceeding
19 concerning the care or custody of the minor identified in the petition, each
20 parent of the minor, a person entitled to notice under section 56(d), and
21 amendments thereto, or a subsequent order, and any other person the court
22 determines. The notice shall include a statement of the right to object to
23 the plan and shall be given at the time of the filing.

24 (c) The minor, a parent of the minor and any person entitled under
25 subsection (b) to receive notice and a copy of the guardian's plan may
26 object to the plan in writing not later than 21 days after the filing.

27 (d) The court shall review the guardian's plan filed under subsection
28 (a) and determine whether to approve the plan, modify the plan or require
29 a new plan. In deciding whether to approve the plan, the court shall
30 consider an objection under subsection (c) and whether the plan is
31 consistent with the guardian's duties and powers under sections 59 and 60,
32 and amendments thereto. The court may not approve the plan until 30 days
33 after the filing.

34 (e) After the guardian's plan filed under this section is approved by
35 the court, the guardian shall provide a copy of the plan to the minor if the
36 minor is 12 years of age or older, to any attorney representing the minor in
37 the guardianship proceeding or any other proceeding concerning the care
38 or custody of the minor identified in the petition, to each parent of the
39 minor, to any person entitled to notice under section 56(d), and
40 amendments thereto, or a subsequent order, and any other person the court
41 determines.

42 New Sec. 64. (a) On petition and after notice and hearing, the court
43 may:

1 (1) Appoint a guardian for an adult if the court finds by clear and
2 convincing evidence that:

3 (A) The respondent lacks the ability to meet essential requirements
4 for physical health, safety or self-care because the respondent is unable to
5 receive and evaluate information or make or communicate decisions, even
6 with appropriate supportive services, technological assistance or supported
7 decision making; and

8 (B) the respondent's identified needs cannot be met by a protective
9 arrangement instead of guardianship or other less restrictive alternative; or

10 (2) with appropriate findings, treat the petition as one for a
11 conservatorship under sections 83 through 118, and amendments thereto,
12 or a protective arrangement under sections 119 through 130, and
13 amendments thereto, issue any appropriate order or dismiss the
14 proceeding.

15 (b) The court shall grant a guardian appointed under subsection (a)
16 only those powers necessitated by the demonstrated needs and limitations
17 of the respondent and issue orders that will encourage development of the
18 respondent's maximum self-determination and independence. The court
19 may not establish a full guardianship if a limited guardianship, protective
20 arrangement instead of guardianship or other less restrictive alternatives
21 would meet the needs of the respondent.

22 New Sec. 65. (a) A person interested in an adult's welfare, including
23 the adult for whom the order is sought, may file a verified petition for
24 appointment of a guardian for the adult.

25 (b) A petition under subsection (a) must state the petitioner's name,
26 principal residence, current street address if different, relationship to the
27 respondent, interest in the appointment, the name and address of any
28 attorney representing the petitioner and, to the extent known, the
29 following:

30 (1) The respondent's name, age, principal residence, current street
31 address if different and address of the dwelling in which it is proposed the
32 respondent will reside if the petition is granted;

33 (2) the name and address of the respondent's:

34 (A) Spouse or, if the respondent has none, an adult with whom the
35 respondent has shared household responsibilities for more than six months
36 in the 12-month period immediately before the filing of the petition;

37 (B) adult children, adult stepchildren, adult grandchildren and each
38 parent and adult sibling of the respondent, or, if none, at least one adult
39 nearest in kinship to the respondent who can be found with reasonable
40 diligence; and

41 (C) adult former stepchildren with whom the respondent had an
42 ongoing relationship in the two-year period immediately before the filing
43 of the petition;

1 (3) the name and current address of each of the following, if
2 applicable:

3 (A) A person primarily responsible for care of the respondent;

4 (B) any attorney currently representing the respondent;

5 (C) any representative payee appointed by the social security
6 administration for the respondent;

7 (D) a guardian or conservator acting for the respondent in this state or
8 in another jurisdiction;

9 (E) a trustee or custodian of a trust or custodianship of which the
10 respondent is a beneficiary;

11 (F) any fiduciary for the respondent appointed by the department of
12 veterans affairs and any curator appointed under K.S.A. 73-507, and
13 amendments thereto;

14 (G) an agent designated under a power of attorney for healthcare in
15 which the respondent is identified as the principal;

16 (H) an agent designated under a power of attorney for finances in
17 which the respondent is identified as the principal;

18 (I) a person nominated as guardian by the respondent;

19 (J) a person nominated as guardian by the respondent's parent or
20 spouse in a will or other signed record; and

21 (K) a person known to have routinely assisted the respondent with
22 decision making during the six months immediately before the filing of the
23 petition;

24 (4) (A) The proposed guardian's name, age, date of birth, gender,
25 address, place of employment and relationship to the respondent, if any;

26 (B) the reason the proposed guardian should be selected;

27 (C) any potential conflict of interest including any personal or agency
28 interest of the proposed guardian that may be perceived as self-serving or
29 adverse to the position or best interest of the respondent; and

30 (D) whether the proposed guardian is under contract with the Kansas
31 guardianship program;

32 (5) the reason a guardianship is necessary, including a description of:

33 (A) The nature and extent of the respondent's alleged need;

34 (B) any protective arrangement instead of guardianship or other less
35 restrictive alternatives for meeting the respondent's alleged need which
36 have been considered or implemented;

37 (C) if no protective arrangement instead of guardianship or other less
38 restrictive alternatives have been considered or implemented, the reason
39 they have not been considered or implemented; and

40 (D) the reason a protective arrangement instead of guardianship or
41 other less restrictive alternative is insufficient to meet the respondent's
42 alleged need;

43 (6) whether the petitioner seeks a limited guardianship or full

1 guardianship;

2 (7) if the petitioner seeks a full guardianship, the reason a limited
3 guardianship or protective arrangement instead of guardianship is not
4 appropriate;

5 (8) if a limited guardianship is requested, the powers to be granted to
6 the guardian;

7 (9) the name and current address, if known, of any person with whom
8 the petitioner seeks to limit the respondent's contact;

9 (10) if the respondent has property other than personal effects, a
10 general statement of the respondent's property, with an estimate of its
11 value, including any insurance or pension, and the source and amount of
12 other anticipated income or receipts; and

13 (11) whether the respondent needs an interpreter, translator or other
14 form of support to communicate effectively with the court or understand
15 court proceedings.

16 New Sec. 66. (a) On filing of a petition under section 65, and
17 amendments thereto, for appointment of a guardian for an adult, the court
18 shall set a date, time and place for hearing the petition.

19 (b) A copy of a petition under section 65, and amendments thereto,
20 and notice of a hearing on the petition must be served personally on the
21 respondent. The notice must inform the respondent of the respondent's
22 rights at the hearing, including the right to an attorney and to attend the
23 hearing. The notice must include a description of the nature, purpose and
24 consequences of granting the petition. The court may not grant the petition
25 if notice substantially complying with this subsection is not served on the
26 respondent. The court may order any of the following persons to serve the
27 notice upon the respondent:

28 (1) The petitioner or the attorney for the petitioner;

29 (2) the attorney appointed by the court to represent the respondent;

30 (3) any law enforcement officer; or

31 (4) any other person whom the court finds to be a proper person to
32 serve this notice.

33 (c) In a proceeding on a petition under section 65, and amendments
34 thereto, the notice required under subsection (b) must be given to the
35 persons required to be listed in the petition under section 65(b)(1) through
36 (3), and amendments thereto, and any other person interested in the
37 respondent's welfare the court determines. Failure to give notice under this
38 subsection does not preclude the court from appointing a guardian.

39 (d) After the appointment of a guardian, notice of a hearing on a
40 petition for any other order under sections 64 through 82, and amendments
41 thereto, together with a copy of the petition, must be given to:

42 (1) The adult subject to guardianship;

43 (2) the guardian; and

1 (3) any other person the court determines.

2 New Sec. 67. (a) On receipt of a petition under section 65, and
3 amendments thereto, for appointment of a guardian for an adult, the court
4 may appoint a court liaison. The court liaison must be an individual with
5 training or experience in the type of abilities, limitations and needs alleged
6 in the petition.

7 (b) (1) A court liaison appointed under subsection (a) shall interview
8 the respondent in person and, in a manner the respondent is best able to
9 understand:

10 (A) Explain, in general, the petition and the nature and purpose of the
11 proceeding, including the potential loss of rights as a result of the
12 proceeding; and

13 (B) obtain the respondent's views about the appointment sought by
14 the petitioner, including views about a proposed guardian, the guardian's
15 proposed powers and duties and the scope and duration of the proposed
16 guardianship.

17 (2) These explanations and discussions are not intended to be a
18 substitute for the attorney appointed to represent the respondent to inform
19 the respondent of the respondent's rights and the nature and purpose of the
20 proceeding.

21 (c) The court liaison appointed under subsection (a) may be assigned
22 any or all of the following duties, in the discretion of the presiding judge:

23 (1) Interview the petitioner and proposed guardian, if any;

24 (2) visit the respondent's present dwelling and any dwelling in which
25 it is reasonably believed the respondent will live if the appointment is
26 made;

27 (3) obtain information from any physician or other provider known to
28 have treated, advised or assessed the respondent's relevant physical or
29 mental condition, to the extent that such information has not already been
30 provided to the court; and

31 (4) investigate the allegations in the petition and any other matter
32 relating to the petition as directed by the court, including, but not limited
33 to, the respondent's family relationships, past conduct, the nature and
34 extent of any property or income of the respondent, whether the
35 respondent is likely to injure self or others and other matters as the court
36 may specify.

37 (d) A court liaison appointed under subsection (a) shall file a report
38 with the court at least 10 days prior to the hearing on the petition, or other
39 hearing as directed by the court. Unless otherwise ordered by the court,
40 such report must include:

41 (1) A summary of self-care and independent-living tasks the
42 respondent can manage without assistance or with existing supports, could
43 manage with the assistance of appropriate supportive services,

1 technological assistance or supported decision making, and cannot
2 manage;

3 (2) a recommendation regarding the appropriateness of guardianship,
4 including whether a protective arrangement instead of guardianship or
5 other less restrictive alternative for meeting the respondent's needs is
6 available and;

7 (A) If a guardianship is recommended, whether it should be full or
8 limited; and

9 (B) if a limited guardianship is recommended, the powers to be
10 granted to the guardian;

11 (3) a statement of the qualifications of the proposed guardian and
12 whether the respondent approves or disapproves of the proposed guardian;

13 (4) a statement whether the proposed dwelling meets the respondent's
14 needs and whether the respondent has expressed a preference as to
15 residence;

16 (5) a statement whether the respondent is able to attend a hearing at
17 the location court proceedings typically are held;

18 (6) a statement whether the respondent is able to participate in a
19 hearing and which identifies any technology or other form of support that
20 would enhance the respondent's ability to participate; and

21 (7) any other matter the court directs.

22 (e) The costs of an investigation by a court liaison shall be assessed
23 as provided for in section 42, and amendments thereto.

24 New Sec. 68. (a) The court shall appoint an attorney to represent the
25 respondent, regardless of the respondent's ability to pay. The court shall
26 give preference in the appointment of an attorney to any attorney who has
27 represented the respondent in other matters if the court has knowledge of
28 that prior representation or to an attorney whom the respondent has
29 requested. Any appointment made by the court shall terminate after the
30 guardian's plan has been approved and after any appeal from the
31 appointment of a guardian, unless the court continues the appointment by
32 further order. Thereafter, an attorney may be appointed by the court if
33 requested, in writing, by the adult subject to guardianship, the guardian, or
34 upon the court's own motion.

35 (b) An attorney representing the respondent in a proceeding for
36 appointment of a guardian for an adult shall:

37 (1) Make reasonable efforts to ascertain the respondent's wishes;

38 (2) advocate for the respondent's wishes to the extent reasonably
39 ascertainable; and

40 (3) if the respondent's wishes are not reasonably ascertainable,
41 advocate for the result that is the least restrictive in type, duration and
42 scope, consistent with the respondent's interests.

43 (c) An attorney representing the respondent shall interview the

1 respondent in person and, in a manner the respondent is best able to
2 understand:

3 (1) Explain to the respondent the substance of the petition, the nature,
4 purpose and effect of the proceeding, the respondent's rights at the hearing
5 on the petition and the general powers and duties of a guardian;

6 (2) determine the respondent's views about the appointment sought by
7 the petitioner, including views about a proposed guardian, the guardian's
8 proposed powers and duties and the scope and duration of the proposed
9 guardianship; and

10 (3) inform the respondent that all costs and expenses of the
11 proceeding, including respondent's attorney fees, may be paid from the
12 respondent's assets.

13 New Sec. 69. (a) Upon the filing of the petition or any other time at
14 or before the hearing, if the contents of the petition or evidence at the
15 hearing support a prima facie case of the need for a guardian, the court
16 shall order an examination and evaluation of the respondent to be
17 conducted through a general hospital, psychiatric hospital, community
18 mental health center, community developmental disability organization or
19 by a licensed physician, psychiatrist, psychologist, physician assistant,
20 nurse practitioner, social worker or other professional appointed by the
21 court who is qualified to evaluate the respondent's alleged cognitive and
22 functional abilities and limitations and will not be advantaged or
23 disadvantaged by a decision to grant the petition or otherwise have a
24 conflict of interest.

25 (b) Unless otherwise specified by the court, the report of the
26 examination and evaluation submitted to the court shall contain:

27 (1) The respondent's name, age and date of birth;

28 (2) a description of the respondent's physical and mental condition;

29 (3) a description of the nature and extent of the respondent's cognitive
30 and functional abilities and limitations, including adaptive behaviors and
31 social skills, and, as appropriate, educational and developmental potential;

32 (4) a summary of self-care and independent-living tasks the
33 respondent can manage without assistance or with existing supports, could
34 manage with the assistance of appropriate supportive services,
35 technological assistance or supported decision making, and cannot
36 manage;

37 (5) a prognosis for any improvement and, as appropriate, any
38 recommendation for treatment or rehabilitation;

39 (6) a list and description of any prior assessments, evaluations or
40 examinations of the respondent, including the dates thereof, which were
41 relied upon in the preparation of this evaluation;

42 (7) the date and location where this examination and evaluation
43 occurred, and the name or names of the professional or professionals

1 performing the examination and evaluation and such professional's
2 qualifications;

3 (8) a statement by the professional that the professional has
4 personally completed an independent examination and evaluation of the
5 respondent, and that the report submitted to the court contains the results
6 of that examination and evaluation, and the professional's opinion with
7 regard to the issues of whether or not the respondent is in need of a
8 guardian and whether there are barriers to the respondent's attendance and
9 participation at the hearing on the petition; and

10 (9) the signature of the professional who prepared the report.

11 (c) The professional shall file with the court, at least five days prior to
12 the date of the trial, such professional's written report concerning the
13 examination and evaluation ordered by the court. The report shall be made
14 available by the court to counsel for all parties.

15 (d) In lieu of entering an order for an examination and evaluation as
16 provided for in this section, the court may determine that the report
17 accompanying the petition is in compliance with the requirements of this
18 section and that no further examination or evaluation should be required,
19 unless the respondent, or such person's attorney, requests such an
20 examination and evaluation in writing. Any such request shall be filed with
21 the court, and a copy thereof delivered to the petitioner, at least four days
22 prior to the date of the trial. Accompanying the request shall be a statement
23 of the reasons why an examination and evaluation is requested and the
24 name and address of a qualified professional or facility willing and able to
25 conduct this examination and evaluation. If the court orders a further
26 examination and evaluation, the court may continue the trial and fix a new
27 date, time and place of the trial at a time not to exceed 30 days from the
28 date of the filing of the request.

29 New Sec. 70. (a) Except as otherwise provided in subsection (b), a
30 hearing under section 66, and amendments thereto, may not proceed unless
31 the respondent attends the hearing. If it is not reasonably feasible for the
32 respondent to attend a hearing at the location court proceedings typically
33 are held, the court shall make reasonable efforts to hold the hearing at an
34 alternative location convenient to the respondent or allow the respondent
35 to attend the hearing using real-time audio-visual technology.

36 (b) A hearing under section 66, and amendments thereto, may
37 proceed without the respondent in attendance if the court finds by clear
38 and convincing evidence that:

39 (1) The respondent is choosing not to attend the hearing after having
40 been fully informed of the right to attend and the potential consequences
41 of failing to do so; or

42 (2) there is no practicable way for the respondent to attend and
43 participate in the hearing even with appropriate supportive services and

1 technological assistance.

2 (c) The respondent may be assisted in a hearing under section 66, and
3 amendments thereto, by a person or persons of the respondent's choosing,
4 assistive technology or an interpreter or translator, or a combination of
5 these supports. If assistance would facilitate the respondent's participation
6 in the hearing, but is not otherwise available to the respondent, the court
7 shall make reasonable efforts to provide it.

8 (d) The respondent has a right to retain an attorney to represent the
9 respondent at a hearing under section 66, and amendments thereto.

10 (e) At a hearing held under section 66, and amendments thereto, the
11 respondent may:

12 (1) Present evidence and subpoena witnesses and documents;

13 (2) examine witnesses, including any court-appointed evaluator and
14 the court liaison; and

15 (3) otherwise participate in the hearing.

16 (f) Unless excused by the court for good cause, a proposed guardian
17 shall attend a hearing under section 66, and amendments thereto.

18 (g) A hearing under section 66, and amendments thereto, must be
19 closed on request of the respondent and a showing of good cause.

20 (h) Any person may request to participate in a hearing under section
21 66, and amendments thereto. The court may grant the request, with or
22 without a hearing, on determining that the best interest of the respondent
23 will be served. The court may impose appropriate conditions on the
24 person's participation.

25 New Sec. 71. (a) The existence of a proceeding for or the existence of
26 a guardianship for an adult is a matter of public record unless the court
27 seals the record after:

28 (1) The respondent or individual subject to guardianship requests the
29 record be sealed; and

30 (2) either:

31 (A) The petition for guardianship is dismissed; or

32 (B) the guardianship is terminated.

33 (b) (1) The following court records are a matter of public record
34 unless sealed by the court:

35 (A) Letters of guardianship;

36 (B) orders suspending or removing a guardian; and

37 (C) orders terminating a guardianship.

38 (2) All other court records of a guardianship proceeding are not a
39 matter of public record except as further provided.

40 (3) The following persons are entitled to access court records of the
41 proceeding and resulting guardianship, including the guardian's plan under
42 section 79, and amendments thereto, and report under section 80, and
43 amendments thereto:

1 (A) An adult subject to a proceeding for a guardianship, whether or
2 not a guardian is appointed;

3 (B) an attorney designated by the adult;

4 (C) a person entitled to notice under section 73(e), and amendments
5 thereto, or a subsequent order; and

6 (D) a licensed attorney, abstractor or title insurance agent.

7 (4) A person not otherwise entitled to access court records under this
8 subsection for good cause may request permission from the court for
9 access to court records of the guardianship, including the guardian's report
10 and plan. The court shall grant access if access is in the best interest of the
11 respondent or adult subject to guardianship or furthers the public interest
12 and does not endanger the welfare or financial interests of the adult.

13 (c) A report under section 67, and amendments thereto, of a court
14 liaison or a professional evaluation under section 69, and amendments
15 thereto, is confidential and must be sealed on filing, but is available to:

16 (1) The court;

17 (2) the individual who is the subject of the report or evaluation,
18 without limitation as to use;

19 (3) the petitioner, court liaison and petitioner's and respondent's
20 attorneys, for purposes of the proceeding;

21 (4) unless the court orders otherwise, an agent appointed under a
22 power of attorney for healthcare or power of attorney for finances in which
23 the respondent is the principal; and

24 (5) any other person if it is in the public interest or for a purpose the
25 court orders for good cause.

26 New Sec. 72. (a) Except as otherwise provided in subsection (c), the
27 court in appointing a guardian for an adult shall consider persons qualified
28 to be guardian in the following order of priority:

29 (1) A guardian, other than a temporary or emergency guardian,
30 currently acting for the respondent in another jurisdiction;

31 (2) a person nominated as guardian by the respondent, including the
32 respondent's most recent nomination made in a power of attorney;

33 (3) an agent appointed by the respondent under a power of attorney
34 for healthcare;

35 (4) a spouse of the respondent;

36 (5) a family member or other individual who has shown special care
37 and concern for the respondent; and

38 (6) a person nominated as guardian by the spouse, adult child or other
39 close family member of the respondent.

40 (b) If two or more persons have equal priority under subsection (a),
41 the court shall select as guardian the person the court considers best
42 qualified. In determining the best qualified person, the court shall consider
43 the person's relationship with the respondent, the person's skills, the

1 expressed wishes of the respondent, the extent to which the person and the
2 respondent have similar values and preferences and the likelihood the
3 person will be able to perform the duties of a guardian successfully.

4 (c) The court, acting in the best interest of the respondent, may
5 decline to appoint as guardian a person having priority under subsection
6 (a) and appoint a person having a lower priority or no priority.

7 (d) In determining whether the appointment of a proposed guardian is
8 in the best interest of the respondent, the court shall consider the number
9 of other cases in which the proposed guardian, other than a corporation, is
10 currently serving as guardian, particularly if that number is more than 15.

11 (e) The following persons shall not be appointed as guardian unless
12 the court finds by clear and convincing evidence that the person is the best
13 qualified person available for appointment and the appointment is in the
14 best interest of the respondent:

15 (1) A person that provides paid services to the respondent, or an
16 individual who is employed by a person that provides paid services to the
17 respondent, or is the spouse, parent or child of an individual who provides
18 or is employed to provide paid services to the respondent;

19 (2) an owner, operator or employee of any entity at which the
20 respondent is receiving care; and

21 (3) a person who provides care or other services, or is an employee of
22 an agency, partnership or corporation that provides care or other services
23 to persons with needs similar to those of the respondent.

24 New Sec. 73. (a) A court order appointing a guardian for an adult
25 must:

26 (1) Include a specific finding that clear and convincing evidence
27 established that the identified needs of the respondent cannot be met by a
28 protective arrangement instead of guardianship or other less restrictive
29 alternative, including use of appropriate supportive services, technological
30 assistance or supported decision making; and

31 (2) include a specific finding that clear and convincing evidence
32 established the respondent was given proper notice of the hearing on the
33 petition.

34 (b) A court order establishing a full guardianship for an adult must
35 state the basis for granting a full guardianship and include specific findings
36 that support the conclusion that a limited guardianship would not meet the
37 functional needs of the adult subject to guardianship.

38 (c) A court order establishing a limited guardianship for an adult must
39 state the specific powers granted to the guardian.

40 (d) A court order appointing a guardian for an adult must include the
41 date of a review hearing to be set 90 days after the order of appointment is
42 entered. At that hearing, the court shall review the guardian's plan filed
43 pursuant to section 79, and amendments thereto.

1 (e) The court, as part of an order establishing a guardianship for an
2 adult, shall identify any person that subsequently is entitled to:

3 (1) Notice of the rights of the adult under section 74(b), and
4 amendments thereto;

5 (2) notice of a change in the primary dwelling of the adult;

6 (3) notice that the guardian will be unavailable to visit the adult for
7 more than two months or unavailable to perform the guardian's duties for
8 more than one month;

9 (4) a copy of the guardian's plan under section 79, and amendments
10 thereto, and the guardian's report under section 80, and amendments
11 thereto;

12 (5) access to court records relating to the guardianship;

13 (6) notice of the death or significant change in the condition of the
14 adult;

15 (7) notice of a petition or hearing to limit or modify the powers of the
16 guardian or that the court has limited or modified the powers of the
17 guardian; and

18 (8) notice of a petition or hearing to remove the guardian or that the
19 court has removed the guardian.

20 (f) A spouse and adult children of an adult subject to guardianship are
21 entitled to notice under subsection (e) unless the court determines notice
22 would be contrary to the preferences or prior directions of the adult subject
23 to guardianship or not in the best interest of the adult.

24 New Sec. 74. (a) Not later than 14 days after the appointment, a
25 guardian appointed under section 72, and amendments thereto, shall give
26 the adult subject to guardianship and all other persons given notice under
27 section 66, and amendments thereto, a copy of the order of appointment.

28 (b) Not later than 30 days after appointment of a guardian under
29 section 72, and amendments thereto, the court or the court's designee shall
30 give to the adult subject to guardianship, the guardian and any other person
31 entitled to notice under section 72(e), and amendments thereto, or a
32 subsequent order a statement of the rights of the adult subject to
33 guardianship and procedures to seek relief if the adult is denied those
34 rights. The statement must be in at least 16-point font, in plain language
35 and, to the extent feasible, in a language in which the adult subject to
36 guardianship is proficient. The statement must notify the adult subject to
37 guardianship of the right to:

38 (1) Seek termination or modification of the guardianship, or removal
39 of the guardian, and choose an attorney to represent the adult in these
40 matters;

41 (2) file a grievance against the guardian under section 50, and
42 amendments thereto;

43 (3) be involved in decisions affecting the adult, including decisions

1 about the adult's care, dwelling, activities or social interactions, to the
2 extent reasonably feasible, and that the adult retains the right to vote and
3 the right to marry;

4 (4) be involved in healthcare decision making to the extent
5 reasonably feasible and supported in understanding the risks and benefits
6 of healthcare options to the extent reasonably feasible;

7 (5) be notified at least 14 days before a change in the adult's primary
8 dwelling or permanent move to a nursing home, mental health facility or
9 other facility that places restrictions on the individual's ability to leave or
10 have visitors unless the change or move is proposed in the guardian's plan
11 under section 79, and amendments thereto, or authorized by the court by
12 specific order;

13 (6) object to a change or move described in paragraph (5) and the
14 process for objecting;

15 (7) communicate, visit or interact with others, including receiving
16 visitors, and making or receiving telephone calls, personal mail or
17 electronic communications, including through social media, unless:

18 (A) The guardian has been authorized by the court by specific order
19 to restrict communications, visits or interactions;

20 (B) a protective order or protective arrangement instead of
21 guardianship is in effect that limits contact between the adult and a person;
22 or

23 (C) the guardian has good cause to believe restriction is necessary
24 because interaction with a specified person poses a risk of significant
25 physical, psychological or financial harm to the adult, and the restriction
26 is:

27 (i) For a period of not more than seven business days if the person
28 has a family or pre-existing social relationship with the adult; or

29 (ii) for a period of not more than 60 days if the person does not have
30 a family or pre-existing social relationship with the adult;

31 (8) receive a copy of the guardian's plan under section 79, and
32 amendments thereto, and the guardian's report under section 80, and
33 amendments thereto; and

34 (9) object to the guardian's plan or report.

35 (c) Any person required to provide notice under this section shall file
36 proof of service of such notice with the court.

37 New Sec. 75. (a) On its own after a petition has been filed under
38 section 65, and amendments thereto, or on verified petition by a person
39 interested in an adult's welfare, the court may appoint an emergency
40 guardian for the adult if the court finds a sufficient factual basis to
41 establish probable cause that:

42 (1) Appointment of an emergency guardian is necessary to prevent
43 imminent and substantial harm to the adult's physical health, safety or

1 welfare;

2 (2) no other person has authority and willingness to act in the
3 circumstances; and

4 (3) a basis for appointment of a guardian under section 64, and
5 amendments thereto, exists.

6 (b) The duration of authority of an emergency guardian for an adult
7 may not exceed 30 days, and the emergency guardian may exercise only
8 the powers specified in the order of appointment. The emergency
9 guardian's authority may be extended up to three times for not more than
10 30 days per extension if the court finds good cause and that the conditions
11 for appointment of an emergency guardian in subsection (a) continue.

12 (c) Immediately upon filing of a petition for appointment of an
13 emergency guardian for an adult, the court shall appoint an attorney to
14 represent the respondent in the proceeding. Except as otherwise provided
15 in subsection (d), reasonable notice of the date, time, and place of a
16 hearing on the petition must be given to the respondent, the respondent's
17 attorney and any other person the court determines.

18 (d) The court may appoint an emergency guardian for an adult
19 without notice to the adult and any attorney for the adult only if the court
20 finds from an affidavit or testimony that the respondent's physical health,
21 safety or welfare will be substantially harmed before a hearing with notice
22 on the appointment can be held. If the court appoints an emergency
23 guardian without giving notice under subsection (c), the court must:

24 (1) Give notice of the appointment not later than 48 hours after the
25 appointment to:

26 (A) The respondent;

27 (B) the respondent's attorney; and

28 (C) any other person the court determines; and

29 (2) hold a hearing on the appropriateness of the appointment not later
30 than five days after the appointment.

31 (e) Appointment of an emergency guardian under this section is not a
32 determination that a basis exists for appointment of a guardian under
33 section 64, and amendments thereto.

34 (f) The court may remove an emergency guardian appointed under
35 this section at any time. The emergency guardian shall make any report the
36 court requires.

37 New Sec. 76. (a) A guardian for an adult is a fiduciary. A guardian
38 shall strive to assure that the personal, civil and human rights of the
39 individual subject to guardianship are protected. Except as otherwise
40 limited by the court, a guardian for an adult shall make decisions regarding
41 the support, care, education, health and welfare of the adult subject to
42 guardianship to the extent necessitated by the adult's limitations and in
43 accordance with the guardian's plan under section 79, and amendments

1 thereto.

2 (b) A guardian for an adult shall promote the self-determination of the
3 adult and, to the extent reasonably feasible, include the adult in decision
4 making, and encourage the adult to participate in decisions, act on the
5 adult's own behalf, and develop or regain the capacity to manage the
6 adult's personal affairs. In furtherance of this duty, the guardian shall:

7 (1) Become or remain personally acquainted with the adult and
8 maintain sufficient contact with the adult, including through regular
9 visitation, to know the adult's abilities, limitations, needs, opportunities
10 and physical and mental health;

11 (2) to the extent reasonably feasible, identify the values and
12 preferences of the adult and involve the adult in decisions affecting the
13 adult, including decisions about the adult's care, dwelling, activities or
14 social interactions; and

15 (3) make reasonable efforts to identify and facilitate supportive
16 relationships and services for the adult.

17 (c) A guardian for an adult at all times shall exercise reasonable care,
18 diligence and prudence when acting on behalf of or making decisions for
19 the adult. In furtherance of this duty, the guardian shall:

20 (1) Take reasonable care of the personal effects and service or support
21 animals of the adult and bring a proceeding for a conservatorship or
22 protective arrangement instead of conservatorship if necessary to protect
23 the adult's property;

24 (2) if authorized by the court under section 78, and amendments
25 thereto, expend funds and other property of the adult received by the
26 guardian for the adult's current needs for support, care, education, health
27 and welfare;

28 (3) conserve any funds and other property of the adult not expended
29 under paragraph (2) for the adult's future needs, but if a conservator has
30 been appointed for the adult, pay the funds and other property at least
31 quarterly to the conservator to be conserved for the adult's future needs;
32 and

33 (4) monitor the quality of services, including long-term care services,
34 provided to the adult.

35 (d) In making a decision for an adult subject to guardianship, the
36 guardian shall make the decision the guardian reasonably believes the
37 adult would make if the adult were able unless doing so would
38 unreasonably harm or endanger the welfare or personal or financial
39 interests of the adult. To determine the decision the adult subject to
40 guardianship would make if able, the guardian shall consider the adult's
41 previous or current directions, preferences, opinions, cultural practices,
42 religious beliefs, values and actions, to the extent actually known or
43 reasonably ascertainable by the guardian.

1 (e) If a guardian for an adult cannot make a decision under subsection
2 (d) because the guardian does not know and cannot reasonably determine
3 the decision the adult probably would make if able, or the guardian
4 reasonably believes the decision the adult would make would
5 unreasonably harm or endanger the welfare or personal or financial
6 interests of the adult, the guardian shall act in accordance with the best
7 interest of the adult. In determining the best interest of the adult, the
8 guardian shall consider:

9 (1) Information received from professionals and persons that
10 demonstrate sufficient interest in the welfare of the adult;

11 (2) other information the guardian believes the adult would have
12 considered if the adult were able to act; and

13 (3) other factors a reasonable person in the circumstances of the adult
14 would consider, including consequences for others.

15 (f) A guardian for an adult shall notify the court immediately if the
16 condition of the adult has changed so that the adult is capable of exercising
17 rights previously removed.

18 New Sec. 77. (a) Except as limited by court order, a guardian for an
19 adult may:

20 (1) If authorized by the court under section 78, and amendments
21 thereto, apply for and receive funds and benefits for the support of the
22 adult, unless a conservator is appointed for the adult and the application or
23 receipt is within the powers of the conservator;

24 (2) establish the adult's place of dwelling;

25 (3) consent to health, including mental health, or other care, treatment
26 or service for the adult;

27 (4) if a conservator for the adult has not been appointed, commence a
28 proceeding including an administrative proceeding, or take other
29 appropriate action to compel another person to support the adult or pay
30 funds for the adult's benefit; and

31 (5) receive personally identifiable healthcare information regarding
32 the adult.

33 (b) The court by specific order may authorize a guardian for an adult
34 to consent to the adoption of the adult.

35 (c) The court by specific order may authorize a guardian for an adult
36 to litigate as petitioner or respondent an action for divorce, dissolution or
37 annulment of marriage of the individual subject to guardianship, including
38 negotiation of a settlement thereof.

39 (d) In determining whether to authorize a power under subsection (b)
40 or (c), the court shall consider whether the underlying act would be in
41 accordance with the adult's preferences, values and prior directions and
42 whether the underlying act would be in the adult's best interest.

43 (e) In exercising a guardian's power under subsection (a)(2) to

1 establish the adult's place of dwelling, the guardian shall:

2 (1) Select a residential setting the guardian believes the adult would
3 select if the adult were able, in accordance with the decision-making
4 standard in section 76(d) and (e), and amendments thereto. If the guardian
5 does not know and cannot reasonably determine what setting the adult
6 subject to guardianship probably would choose if able, or the guardian
7 reasonably believes the decision the adult would make would
8 unreasonably harm or endanger the welfare or personal or financial
9 interests of the adult, the guardian shall choose in accordance with section
10 76(e), and amendments thereto, a residential setting that is consistent with
11 the adult's best interest;

12 (2) in selecting among residential settings, give priority to a
13 residential setting in a location that will allow the adult to interact with
14 persons important to the adult and meet the adult's needs in the least
15 restrictive manner reasonably feasible unless to do so would be
16 inconsistent with the decision-making standard in section 76(d) and (e),
17 and amendments thereto;

18 (3) not later than 30 days after a change in the dwelling of the adult:

19 (A) Give notice of the change to the court, the adult and any person
20 identified as entitled to the notice in the court order appointing the
21 guardian or a subsequent order; and

22 (B) include in the notice the address and nature of the new dwelling
23 and state whether the adult received advance notice of the change and
24 whether the adult objected to the change;

25 (4) establish or move the permanent place of dwelling of the adult to
26 a nursing home, mental health facility or other facility that places
27 restrictions on the adult's ability to leave or have visitors only if:

28 (A) The establishment or move is in the guardian's plan under section
29 79, and amendments thereto;

30 (B) the court authorizes the establishment or move; or

31 (C) the guardian gives notice of the establishment or move at least 14
32 days before the establishment or move to the adult and all persons entitled
33 to notice under section 73(e)(2), and amendments thereto, or a subsequent
34 order, and no objection is filed;

35 (5) establish or move the place of dwelling of the adult outside this
36 state only if consistent with the guardian's plan and authorized by the court
37 by specific order; and

38 (6) take action that would result in the sale of or surrender of the lease
39 to the primary dwelling of the adult only if:

40 (A) The action is specifically included in the guardian's plan under
41 section 79, and amendments thereto;

42 (B) the court authorizes the action by specific order; or

43 (C) notice of the action was given at least 14 days before the action to

1 the adult and all persons entitled to the notice under section 73(e)(2), and
2 amendments thereto, or a subsequent order and no objection has been
3 filed.

4 (f) In exercising a guardian's power under subsection (a)(3) to make
5 healthcare decisions, the guardian shall:

6 (1) Involve the adult in decision making to the extent reasonably
7 feasible, including, when practicable, by encouraging and supporting the
8 adult in understanding the risks and benefits of healthcare options;

9 (2) act in accordance with any declaration of the adult made pursuant
10 to the provisions of K.S.A. 65-28,101 through 65-28,109, and amendments
11 thereto; and

12 (3) take into account:

13 (A) The risks and benefits of treatment options; and

14 (B) the current and previous wishes and values of the adult, if known
15 or reasonably ascertainable by the guardian.

16 New Sec. 78. (a) A guardian for an adult may not initiate the
17 commitment of the adult to a mental health facility except in accordance
18 with the care and treatment act for mentally ill persons, K.S.A. 59-2945 et
19 seq., and amendments thereto.

20 (b) A guardian for an adult may not restrict the ability of the adult to
21 communicate, visit or interact with others, including receiving visitors and
22 making or receiving telephone calls, personal mail or electronic
23 communications, including through social media, or participating in social
24 activities, unless:

25 (1) Authorized by the court by specific order;

26 (2) a protective order or a protective arrangement instead of
27 guardianship is in effect that limits contact between the adult and a person;
28 or

29 (3) the guardian has good cause to believe restriction is necessary
30 because interaction with a specified person poses a risk of significant
31 physical, psychological or financial harm to the adult and the restriction is:

32 (A) For a period of not more than seven business days if the person
33 has a family or pre-existing social relationship with the adult; or

34 (B) for a period of not more than 60 days if the person does not have
35 a family or pre-existing social relationship with the adult.

36 (c) A guardian for an adult may not consent, on behalf of the adult, to:

37 (1) Any psychosurgery, removal of any bodily organ or amputation of
38 any limb, unless such surgery, removal or amputation has been approved
39 in advance by the court, except in an emergency and when necessary to
40 preserve the life of the adult or to prevent serious and irreparable
41 impairment to the physical health of the adult;

42 (2) the sterilization of the adult, unless approved by the court
43 following a due process hearing held for the purposes of determining

1 whether to approve such, and during which hearing the adult is represented
2 by an attorney appointed by the court;

3 (3) the performance of any experimental biomedical or behavioral
4 procedure on the adult, or for the adult to be a participant in any
5 biomedical or behavioral experiment, without the prior review and
6 approval of such by either an institutional review board as provided for in
7 title 45, part 46 of the code of federal regulations, or if such regulations do
8 not apply, then by a review committee established by the agency,
9 institution or treatment facility at which the procedure or experiment is
10 proposed to occur, composed of members selected for the purposes of
11 determining whether the proposed procedure or experiment:

12 (A) Does not involve any significant risk of harm to the physical or
13 mental health of the adult, or the use of aversive stimulants, and is
14 intended to preserve the life or health of the adult or to assist the adult to
15 develop or regain skills or abilities; or

16 (B) involves a significant risk of harm to the physical or mental
17 health of the adult, or the use of an aversive stimulant, but that the
18 conducting of the proposed procedure or experiment is intended either to
19 preserve the life of the adult, or to significantly improve the quality of life
20 of the adult, or to assist the adult to develop or regain significant skills or
21 abilities, and that the guardian has been fully informed concerning the
22 potential risks and benefits of the proposed procedure or experiment or of
23 any aversive stimulant proposed to be used, and as to how and under what
24 circumstances the aversive stimulant may be used, and has specifically
25 consented to such;

26 (4) the withholding or withdrawal of life-saving or life-sustaining
27 medical care, treatment, services or procedures, except:

28 (A) In accordance with the provisions of any declaration of the adult
29 made pursuant to the provisions of K.S.A. 65-28,101 through 65-28,109,
30 and amendments thereto; or

31 (B) if the adult, prior to the court's appointment of a guardian, has
32 executed a durable power of attorney for healthcare decisions pursuant to
33 K.S.A. 58-625, et seq., and amendments thereto, and that durable power of
34 attorney has not previously been revoked by the adult, and it includes any
35 provision relevant to the withholding or withdrawal of life-saving or life-
36 sustaining medical care, treatment, services or procedures, then the
37 guardian shall have the authority to act as provided for in that power of
38 attorney, even if the guardian has revoked or amended that power of
39 attorney pursuant to the authority of K.S.A. 58-627, and amendments
40 thereto; or

41 (C) in the circumstances where the adult's treating physician certifies
42 in writing to the guardian that the adult is in a persistent vegetative state or
43 is suffering from an illness or other medical condition for which further

1 treatment, other than for the relief of pain, would not likely prolong the life
2 of the adult other than by artificial means, nor would be likely to restore to
3 the adult any significant degree of capabilities beyond those the adult
4 currently possesses, and which opinion is concurred in by either a second
5 physician or by any medical ethics or similar committee to which the
6 healthcare provider has access established for the purposes of reviewing
7 such circumstances and the appropriateness of any type of physician's
8 order which would have the effect of withholding or withdrawing life-
9 saving or life-sustaining medical care, treatment, services or procedures.
10 The court shall review the written certification within 72 hours at a due
11 process hearing during which the adult is represented by an attorney
12 appointed by the court. The court may request that the state protection and
13 advocacy agency as provided by K.S.A. 65-5603(a)(10) or K.S.A. 74-
14 5515(a)(2)(A) and (B), and amendments thereto, or 42 U.S.C. 15043, 42
15 U.S.C. 10805 or 29 U.S.C. 794e represent the adult. Upon completion of
16 the hearing, if the court finds by clear and convincing evidence that the
17 adult meets the conditions set forth in this section, the court shall approve
18 the written certification. If the court does not find by clear and convincing
19 evidence that the adult meets the conditions set forth in this section, then
20 the written certification shall not be approved.

21 (d) A guardian for an adult may not exercise any control or authority
22 over the adult's estate, unless specifically authorized by the court. Any
23 guardian who is granted such authority must prepare an inventory and
24 provide notice of the inventory as provided in section 104, and
25 amendments thereto. The court may assign such authority to the guardian
26 and may waive the requirement of the posting of a bond, only if:

27 (1) Initially, the combined value of any funds and assets owned by the
28 adult equals \$25,000 or less; and

29 (2) either the court requires the guardian to report to the court the
30 commencement of the exercising of such authority, or requires the
31 guardian to obtain court authorization to commence the exercise of such
32 authority, as the court shall specify; and

33 (3) the court also requires the guardian, whenever the combined value
34 of such funds and property exceeds \$25,000, to:

35 (A) File a guardian's plan as provided for in section 79, and
36 amendments thereto, that contains elements similar to those that would be
37 contained in a conservator's plan as provided for in section 103, and
38 amendments thereto;

39 (B) petition the court for appointment of a conservator; or

40 (C) notify the court as the court shall specify that the value of the
41 adult's estate has equaled or exceeded \$25,000, if the court has earlier
42 appointed a conservator but did not issue letters of conservatorship
43 pending such notification;

1 (e) A guardian for an adult may not access digital assets of the adult
2 except if authorized by the court pursuant to K.S.A. 2024 Supp. 58-4814,
3 and amendments thereto.

4 New Sec. 79. (a) Not later than 60 days after appointment and when
5 there is a significant change in circumstances, or the guardian seeks to
6 deviate significantly from the existing guardian's plan, a guardian for an
7 adult shall file with the court a plan for the care of the adult. The plan must
8 be based on the needs of the adult and take into account the best interest of
9 the adult as well as the adult's preferences, values and prior directions, to
10 the extent known to or reasonably ascertainable by the guardian. The
11 guardian shall include in the plan:

12 (1) The living arrangement, services and supports the guardian
13 expects to arrange, facilitate or continue for the adult;

14 (2) social and educational activities the guardian expects to facilitate
15 on behalf of the adult;

16 (3) any person with whom the adult has a close personal relationship
17 or relationship involving regular visitation and any plan the guardian has
18 for facilitating visits with the person;

19 (4) the anticipated nature and frequency of the guardian's visits and
20 communication with the adult;

21 (5) goals for the adult, including any goal related to the restoration of
22 the adult's rights, and how the guardian anticipates achieving the goals;

23 (6) whether the adult has an existing plan and, if so, whether the
24 guardian's plan is consistent with the adult's plan; and

25 (7) a statement or list of the amount the guardian proposes to charge
26 for each service the guardian anticipates providing to the adult.

27 (b) A guardian shall give notice of the filing of the guardian's plan
28 under subsection (a), together with a copy of the plan, to the adult subject
29 to guardianship, any attorney representing the adult subject to
30 guardianship, a person entitled to notice under section 73(e), and
31 amendments thereto, or a subsequent order, and any other person the court
32 determines. The notice must include a statement of the right to object to
33 the plan and must be given at the time of the filing.

34 (c) An adult subject to guardianship and any person entitled under
35 subsection (b) to receive notice and a copy of the guardian's plan may
36 object to the plan in writing no later than 21 days after the filing.

37 (d) The court shall review the guardian's plan filed under subsection
38 (a) and determine whether to approve the plan or require a new plan. In
39 deciding whether to approve the plan, the court shall consider an objection
40 under subsection (c) and whether the plan is consistent with the guardian's
41 duties and powers under sections 76 and 77, and amendments thereto. The
42 court shall review an initial guardian's plan at the review hearing
43 scheduled under section 73(b), and amendments thereto. When reviewing

1 subsequent guardian's plans, the court has discretion whether to set the
2 matter for hearing but may not approve the plan until 30 days after the
3 filing.

4 (e) After the guardian's plan filed under this section is approved by
5 the court, the guardian shall provide a copy of the plan to the adult subject
6 to guardianship, any attorney representing the adult subject to
7 guardianship, a person entitled to notice under section 73(e), and
8 amendments thereto, or a subsequent order, and any other person the court
9 determines.

10 New Sec. 80. (a) A guardian for an adult shall file with the court at
11 least annually and at any other time the court directs a report in a record
12 regarding the condition of the adult and accounting for funds and other
13 property in the guardian's possession or subject to the guardian's control.

14 (b) A report under subsection (a) must state or contain:

15 (1) The mental, physical and social condition of the adult;

16 (2) the living arrangements of the adult during the reporting period;

17 (3) a summary of the supported decision making, technological
18 assistance, medical services, educational and vocational services and other
19 supports and services provided to the adult and the guardian's opinion as to
20 the adequacy of the adult's care;

21 (4) a summary of the guardian's visits with the adult, including the
22 frequency of the visits;

23 (5) action taken on behalf of the adult;

24 (6) the extent to which the adult has participated in decision making;

25 (7) if the adult is living in a mental health facility or living in a
26 facility that provides the adult with healthcare or other personal services,
27 whether the guardian considers the facility's current plan for support, care,
28 treatment or habilitation consistent with the adult's preferences, values,
29 prior directions and best interest;

30 (8) anything of more than de minimis value which the guardian, any
31 individual who resides with the guardian, or the spouse, parent, child or
32 sibling of the guardian has received from an individual providing goods or
33 services to the adult;

34 (9) any circumstance that may constitute a conflict of interest
35 between the guardian and the adult. A conflict of interest occurs where the
36 guardian has some personal, business or agency interest that could be
37 perceived as self-serving or adverse to the position or best interest of the
38 adult, including, but not limited to, being paid for providing caregiver
39 services to the adult;

40 (10) if a guardian has been granted financial authority under section
41 78(c), and amendments thereto, an accounting that lists property included
42 in the adult's estate and the receipts, disbursements, liabilities and
43 distributions during the period for which the report is made;

1 (11) a copy of the guardian's most recently approved plan under
2 section 79, and amendments thereto, and a statement whether the guardian
3 has deviated from the plan and, if so, how the guardian has deviated and
4 why;

5 (12) plans for future care and support of the adult;

6 (13) a recommendation as to the need for continued guardianship and
7 any recommended change in the scope of the guardianship, including
8 whether the condition of the adult has changed so that the adult is capable
9 of exercising rights previously removed; and

10 (14) whether any co-guardian or successor guardian appointed to
11 serve when a designated event occurs is alive and able to serve.

12 (c) A guardian for an adult shall file a special report with the court
13 upon the occurrence of any of the following:

14 (1) A change of address of the guardian;

15 (2) a change of residence or placement of the adult;

16 (3) a significant change in the health or impairment of the adult;

17 (4) the acquisition by the adult of any real property, or the receipt or
18 accumulation of other property or income by the adult or by the guardian
19 on behalf of the adult, which causes the total value of the adult's estate to
20 equal or exceed \$25,000;

21 (5) the death of the adult; or

22 (6) a change in the circumstances of the guardian or the adult that
23 may constitute a conflict of interest. A conflict of interest occurs where the
24 guardian has some personal, business or agency interest that could be
25 perceived as self-serving or adverse to the position or best interest of the
26 adult.

27 (d) The court may appoint a court liaison to review a report submitted
28 under this section or a guardian's plan submitted under section 79, and
29 amendments thereto, interview the guardian or adult subject to
30 guardianship or investigate any other matter involving the guardianship.

31 (e) Notice of the filing under this section of a guardian's report or
32 special report, together with a copy of the report, must be given to the
33 adult subject to guardianship, a person entitled to notice under section
34 73(e), and amendments thereto, or a subsequent order, and any other
35 person the court determines. The notice and report must be given not later
36 than 14 days after the filing.

37 (f) The court shall establish procedures for monitoring a report
38 submitted under this section and review each report at least annually to
39 determine whether:

40 (1) The report provides sufficient information to establish the
41 guardian has complied with the guardian's duties;

42 (2) the guardianship should continue; and

43 (3) the guardian's requested fees, if any, should be approved.

1 (g) If the court determines that there is reason to believe a guardian
2 for an adult has not complied with the guardian's duties or the
3 guardianship should be modified or terminated, the court:

4 (1) Shall notify the adult, the guardian and any other person entitled
5 to notice under section 73(e), and amendments thereto, or a subsequent
6 order;

7 (2) may require additional information from the guardian;

8 (3) may appoint a court liaison to interview the adult or guardian or
9 investigate any matter involving the guardianship; and

10 (4) consistent with sections 81 and 82, and amendments thereto, may
11 hold a hearing to consider removal of the guardian, termination of the
12 guardianship or a change in the powers granted to the guardian or terms of
13 the guardianship.

14 (h) If the court has reason to believe fees requested by a guardian for
15 an adult are not reasonable, the court shall hold a hearing to determine
16 whether to adjust the requested fees.

17 (i) A guardian for an adult may petition the court for approval of a
18 report filed under this section. The court after review may approve the
19 report. If the court approves the report, there is a rebuttable presumption
20 the report is accurate as to a matter adequately disclosed in the report.

21 New Sec. 81. (a) The court may remove a guardian for an adult for
22 failure to perform the guardian's duties or for other good cause and appoint
23 a successor guardian to assume the duties of guardian.

24 (b) The court shall hold a hearing to determine whether to remove a
25 guardian for an adult and appoint a successor guardian on:

26 (1) Petition of the adult, guardian or person interested in the welfare
27 of the adult, which contains allegations that, if true, would support a
28 reasonable belief that removal of the guardian and appointment of a
29 successor guardian may be appropriate, but the court may decline to hold a
30 hearing if a petition based on the same or substantially similar facts was
31 filed during the preceding six months;

32 (2) communication from the adult, guardian or person interested in
33 the welfare of the adult which supports a reasonable belief that removal of
34 the guardian and appointment of a successor guardian may be appropriate;

35 (3) determination by the court that a hearing would be in the best
36 interest of the adult; or

37 (4) determination by the court that the guardian's annual reports are
38 delinquent or deficient as filed.

39 (c) Notice of a petition under subsection (b)(1) or a hearing under this
40 section must be given to the adult subject to guardianship, the guardian, a
41 person entitled to notice under section 73(e), and amendments thereto, or a
42 subsequent order, and any other person the court determines.

43 (d) If the adult subject to guardianship is not represented by an

1 attorney, the court shall appoint an attorney under the same conditions as
2 in section 68, and amendments thereto. The court shall award reasonable
3 attorney fees to the attorney for the adult as provided in section 42, and
4 amendments thereto.

5 (e) In selecting a successor guardian for an adult, the court shall
6 follow the priorities under section 72, and amendments thereto.

7 (f) Not later than 30 days after appointing a successor guardian, the
8 court or the court's designee shall give notice of the appointment to the
9 adult subject to guardianship and any person entitled to notice under
10 section 73(e), and amendments thereto, or a subsequent order.

11 New Sec. 82. (a) An adult subject to guardianship, the guardian for
12 the adult or a person interested in the welfare of the adult may petition for:

13 (1) Termination of the guardianship on the ground that a basis for
14 appointment under section 64, and amendments thereto, does not exist or
15 termination would be in the best interest of the adult or for other good
16 cause; or

17 (2) modification of the guardianship on the ground that the extent of
18 protection or assistance granted is not appropriate or for other good cause.

19 (b) The court shall hold a hearing to determine whether termination
20 or modification of a guardianship for an adult is appropriate on:

21 (1) Petition under subsection (a) which contains allegations that, if
22 true, would support a reasonable belief that termination or modification of
23 the guardianship may be appropriate, but the court may decline to hold a
24 hearing if a petition based on the same or substantially similar facts was
25 filed during the preceding six months;

26 (2) communication from the adult, guardian or person interested in
27 the welfare of the adult which supports a reasonable belief that termination
28 or modification of the guardianship may be appropriate, including because
29 the functional needs of the adult or supports or services available to the
30 adult have changed;

31 (3) a report from a guardian or conservator which indicates that
32 termination or modification may be appropriate because the functional
33 needs of the adult or supports or services available to the adult have
34 changed or a protective arrangement instead of guardianship or other less
35 restrictive alternative for meeting the adult's needs is available; or

36 (4) a determination by the court that a hearing would be in the best
37 interest of the adult.

38 (c) Notice of a petition under subsection (b)(1) or of a hearing under
39 this section must be given to the adult subject to guardianship, the
40 guardian, a person entitled to notice under section 73(e), and amendments
41 thereto, or a subsequent order, and any other person the court determines.

42 (d) After the hearing, the court shall order termination unless it is
43 proven that a basis for appointment of a guardian under section 64, and

1 amendments thereto, continues to exist.

2 (e) The court shall modify the powers granted to a guardian for an
3 adult if the powers are excessive or inadequate due to a change in the
4 abilities or limitations of the adult, the adult's supports or other
5 circumstances.

6 (f) Unless the court otherwise orders for good cause, before
7 terminating or modifying a guardianship for an adult, the court shall
8 follow the same procedures to safeguard the rights of the adult which
9 apply to a petition for guardianship.

10 (g) An adult subject to guardianship who seeks to terminate or
11 modify the terms of the guardianship has the right to choose an attorney to
12 represent the adult in the matter. If the adult is not represented by an
13 attorney, the court shall appoint an attorney under the same conditions as
14 in section 68, and amendments thereto. The court shall award reasonable
15 attorney fees to the attorney for the adult as provided in section 42, and
16 amendments thereto.

17 (h) Not later than 30 days after entering an order under this section,
18 the court or the court's designee shall give notice of the order to the adult
19 subject to guardianship and any person entitled to notice under section
20 73(e), and amendments thereto, or a subsequent order.

21 New Sec. 83. (a) On petition and after notice and hearing, the court
22 may appoint a conservator for the property or financial affairs of a minor if
23 the court finds by a preponderance of evidence that the minor owns funds
24 or other property exceeding \$25,000 in value derived from court
25 settlements, death transfers or sources other than the minor's employment
26 earnings or accounts established under the uniform transfers to minors act,
27 and either:

28 (1) The minor owns funds or other property requiring management or
29 protection that otherwise cannot be provided;

30 (2) the minor has or may have financial affairs that may be put at
31 unreasonable risk or hindered because of the minor's age; or

32 (3) appointment is necessary or desirable to obtain or provide funds
33 or other property needed for the support, care, education, health or welfare
34 of the minor.

35 (b) On petition and after notice and hearing, the court may appoint a
36 conservator for the property or financial affairs of an adult if the court
37 finds by clear and convincing evidence that:

38 (1) The adult is unable to manage property or financial affairs
39 because:

40 (A) Of a limitation in the adult's ability to receive and evaluate
41 information or make or communicate decisions, even with the use of
42 appropriate supportive services, technological assistance or supported
43 decision making; or

1 (B) the adult is missing, detained or unable to return to the United
2 States;

3 (2) appointment is necessary to:

4 (A) Avoid harm to the adult or significant dissipation of the property
5 of the adult; or

6 (B) obtain or provide funds or other property needed for the support,
7 care, education, health or welfare of the adult or of an individual entitled to
8 the adult's support; and

9 (3) the adult's identified needs cannot be met by a protective
10 arrangement instead of conservatorship or other less restrictive alternative.

11 (c) The court shall grant a conservator only those powers necessitated
12 by demonstrated limitations and needs of the adult and issue orders that
13 will encourage development of the adult's maximum self-determination
14 and independence. The court may not establish a full conservatorship if a
15 limited conservatorship, protective arrangement instead of conservatorship
16 or other less restrictive alternative would meet the needs of the adult.

17 New Sec. 84. (a) The following may file a verified petition for the
18 appointment of a conservator:

19 (1) The individual for whom the order is sought;

20 (2) a person interested in the estate, financial affairs or welfare of the
21 individual, including a person that would be adversely affected by lack of
22 effective management of property or financial affairs of the individual; or

23 (3) the guardian for the individual.

24 (b) A petition under subsection (a) must state the petitioner's name,
25 principal residence, current street address if different, relationship to the
26 respondent, interest in the appointment, the name and address of any
27 attorney representing the petitioner and, to the extent known, the
28 following:

29 (1) The respondent's name, age, principal residence, current street
30 address if different and, if different, address of the dwelling in which it is
31 proposed the respondent will reside if the petition is granted;

32 (2) the name and address of the respondent's:

33 (A) Spouse or, if the respondent has none, an adult with whom the
34 respondent has shared household responsibilities for more than six months
35 in the 12-month period before the filing of the petition;

36 (B) adult children, adult stepchildren, adult grandchildren and each
37 parent and adult sibling of the respondent, or, if none, at least one adult
38 nearest in kinship to the respondent who can be found with reasonable
39 diligence; and

40 (C) adult former stepchildren with whom the respondent had an
41 ongoing relationship during the two years immediately before the filing of
42 the petition;

43 (3) the name and current address of each of the following, if

1 applicable:

2 (A) A person primarily responsible for the care or custody of the
3 respondent;

4 (B) any attorney currently representing the respondent;

5 (C) the representative payee appointed by the social security
6 administration for the respondent;

7 (D) a guardian or conservator acting for the respondent in this state or
8 another jurisdiction;

9 (E) a trustee or custodian of a trust or custodianship of which the
10 respondent is a beneficiary;

11 (F) the fiduciary appointed for the respondent by the department of
12 veterans affairs and any curator appointed under K.S.A. 73-507, and
13 amendments thereto;

14 (G) an agent designated under a power of attorney for healthcare in
15 which the respondent is identified as the principal;

16 (H) an agent designated under a power of attorney for finances in
17 which the respondent is identified as the principal;

18 (I) a person known to have routinely assisted the respondent with
19 decision making in the six-month period immediately before the filing of
20 the petition; and

21 (J) if the individual for whom a conservator is sought is a minor:

22 (i) An adult not otherwise listed with whom the minor resides; and

23 (ii) each person not otherwise listed that had primary care or custody
24 of the minor for at least 60 days during the two years immediately before
25 the filing of the petition or for at least 730 days during the five years
26 immediately before the filing of the petition;

27 (4) (A) The name, age, date of birth, gender, address, place of
28 employment and relationship to the respondent, if any, of the proposed
29 conservator;

30 (B) the reason the proposed conservator should be selected; and

31 (C) any potential conflict of interest including any personal or agency
32 interest of the proposed conservator that may be perceived as self-serving
33 or adverse to the position or best interest of the respondent;

34 (5) a general statement of the respondent's property with an estimate
35 of its value, including any insurance or pension, and the source and
36 amount of other anticipated income or receipts;

37 (6) the reason conservatorship is necessary, including a description
38 of:

39 (A) The nature and extent of the respondent's alleged need;

40 (B) if the petition alleges the respondent is missing, detained or
41 unable to return to the United States, the relevant circumstances, including
42 the time and nature of the disappearance or detention and any search or
43 inquiry concerning the respondent's whereabouts;

1 (C) any protective arrangement instead of conservatorship or other
2 less restrictive alternative for meeting the respondent's alleged need which
3 has been considered or implemented;

4 (D) if no protective arrangement or other less restrictive alternatives
5 have been considered or implemented, the reason it has not been
6 considered or implemented; and

7 (E) the reason a protective arrangement or other less restrictive
8 alternative is insufficient to meet the respondent's need;

9 (7) whether the petitioner seeks a limited conservatorship or a full
10 conservatorship;

11 (8) if the petitioner seeks a full conservatorship, the reason a limited
12 conservatorship or protective arrangement instead of conservatorship is
13 not appropriate;

14 (9) if the petition is for a limited conservatorship, a description of the
15 property to be placed under the conservator's control and any requested
16 limitation on the authority of the conservator;

17 (10) whether the respondent needs an interpreter, translator or other
18 form of support to communicate effectively with the court or understand
19 court proceedings; and

20 (11) the name and address of an attorney representing the petitioner,
21 if any.

22 New Sec. 85. (a) On filing of a petition under section 84, and
23 amendments thereto, for appointment of a conservator, the court shall set a
24 date, time and place for a hearing on the petition.

25 (b) A copy of a petition under section 84, and amendments thereto,
26 and notice of a hearing on the petition must be served personally on the
27 respondent. If the respondent's whereabouts are unknown or personal
28 service cannot be made, service on the respondent must be made by
29 substituted service, as ordered by the court. The notice must inform the
30 respondent of the respondent's rights at the hearing, including the right to
31 an attorney and to attend the hearing. The notice must include a
32 description of the nature, purpose and consequences of granting the
33 petition. The court may not grant a petition for appointment of a
34 conservator if notice substantially complying with this subsection is not
35 served on the respondent. The court may order any of the following
36 persons to serve the notice upon the respondent:

37 (1) The petitioner or the attorney for the petitioner;
38 (2) the attorney appointed by the court to represent the respondent;
39 (3) any law enforcement officer; or
40 (4) any other person whom the court finds to be a proper person to
41 serve this notice.

42 (c) In a proceeding on a petition under section 84, and amendments
43 thereto, the notice required under subsection (b) must be given to the

1 persons required to be listed in the petition under section 84(b)(1) through
2 (3), and amendments thereto, and any other person interested in the
3 respondent's welfare the court determines. Failure to give notice under this
4 subsection does not preclude the court from appointing a conservator.

5 (d) After the appointment of a conservator, notice of a hearing on a
6 petition for any other order under sections 83 through 118, and
7 amendments thereto, together with a copy of the petition, must be given to:

8 (1) The individual subject to conservatorship, if the individual is 12
9 years of age or older and not missing, detained or unable to return to the
10 United States;

11 (2) the conservator; and

12 (3) any other person the court determines.

13 New Sec. 86. While a petition under section 84, and amendments
14 thereto, is pending, after preliminary hearing and without notice to others,
15 the court may issue an order to preserve and apply property of the
16 respondent as required for the support of the respondent or an individual
17 who is in fact dependent on the respondent. The court may appoint an
18 emergency conservator to assist in implementing the order.

19 New Sec. 87. (a) If the respondent in a proceeding to appoint a
20 conservator is a minor, the court may appoint a court liaison to investigate
21 a matter related to the petition or inform the minor or a parent of the minor
22 about the petition or a related matter.

23 (b) If the respondent in a proceeding to appoint a conservator is an
24 adult, the court may appoint a court liaison. The duties and reporting
25 requirements of the court liaison are limited to the relief requested in the
26 petition. The court liaison must be an individual with training or
27 experience in the type of abilities, limitations and needs alleged in the
28 petition.

29 (c) (1) A court liaison appointed under subsection (b) for an adult
30 shall interview the respondent in person and in a manner the respondent is
31 best able to understand:

32 (A) Explain, in general, the petition, and the nature and purpose of
33 the proceeding, including the potential loss of rights as a result of the
34 proceeding; and

35 (B) obtain the respondent's views about the appointment sought by
36 the petitioner, including views about a proposed conservator, the
37 conservator's proposed powers and duties and the scope and duration of
38 the proposed conservatorship.

39 (2) These explanations and discussions are not intended to be a
40 substitute for the attorney appointed to represent the respondent to inform
41 the respondent of the respondent's rights and the nature and purpose of the
42 proceeding.

43 (d) A court liaison appointed under subsection (b) for an adult may be

1 assigned any or all of the following duties, in the discretion of the
2 presiding judge:

3 (1) Interview the petitioner and proposed conservator, if any;
4 (2) review financial records of the respondent, if relevant to the court
5 liaison's recommendation under subsection (e)(1);

6 (3) investigate whether the respondent's needs could be met by a
7 protective arrangement instead of conservatorship or other less restrictive
8 alternative and, if so, identify the arrangement or other less restrictive
9 alternative; and

10 (4) investigate the allegations in the petition and any other matter
11 relating to the petition as directed by the court, including, but not limited
12 to, the respondent's family relationships, past conduct, the nature and
13 extent of any property or income of the respondent, whether the
14 respondent is likely to injure self or others and other matters as the court
15 may specify.

16 (e) A court liaison appointed under subsection (b) for an adult shall
17 file a report with the court at least 10 days prior to the hearing on the
18 petition or other hearing as directed by the court. Unless otherwise ordered
19 by the court, such report must include:

20 (1) A recommendation:

21 (A) Regarding the appropriateness of conservatorship, or whether a
22 protective arrangement instead of conservatorship or other less restrictive
23 alternative for meeting the respondent's needs is available;

24 (B) if a conservatorship is recommended, whether it should be full or
25 limited; and

26 (C) if a limited conservatorship is recommended, the powers to be
27 granted to the conservator, and the property that should be placed under
28 the conservator's control;

29 (2) a statement of the qualifications of the proposed conservator and
30 whether the respondent approves or disapproves of the proposed
31 conservator;

32 (3) a statement whether the respondent is able to attend a hearing at
33 the location court proceedings typically are held;

34 (4) a statement whether the respondent is able to participate in a
35 hearing and which identifies any technology or other form of support that
36 would enhance the respondent's ability to participate; and

37 (5) any other matter the court directs.

38 (d) The costs of an investigation by a court liaison shall be assessed
39 as provided for in section 42, and amendments thereto.

40 New Sec. 88. (a) Unless the respondent in a proceeding for
41 appointment of a conservator is represented by an attorney, the court shall
42 appoint an attorney to represent the respondent, regardless of the
43 respondent's ability to pay. The court shall give preference in the

1 appointment of an attorney to any attorney who has represented the
2 respondent in other matters if the court has knowledge of that prior
3 representation or to an attorney whom the respondent has requested. Any
4 appointment made by the court shall terminate after the conservator's plan
5 has been approved and after any appeal from the appointment of a
6 conservator, unless the court continues the appointment by further order.
7 Thereafter, an attorney may be appointed by the court if requested, in
8 writing, by the adult subject to conservatorship, the conservator or upon
9 the court's own motion.

10 (b) An attorney representing the respondent in a proceeding for
11 appointment of a conservator shall:

12 (1) Make reasonable efforts to ascertain the respondent's wishes;

13 (2) advocate for the respondent's wishes to the extent reasonably
14 ascertainable; and

15 (3) if the respondent's wishes are not reasonably ascertainable,
16 advocate for the result that is the least-restrictive in type, duration and
17 scope, consistent with the respondent's interests.

18 (c) An attorney representing the respondent shall interview the
19 respondent in person and, in a manner the respondent is best able to
20 understand:

21 (1) Explain to the respondent the substance of the petition, the nature,
22 purpose and effect of the proceeding, the respondent's rights at the hearing
23 on the petition and the general powers and duties of a conservator;

24 (2) determine the respondent's views about the appointment sought by
25 the petitioner, including views about a proposed conservator, the
26 conservator's proposed powers and duties and the scope and duration of
27 the proposed conservatorship; and

28 (3) inform the respondent that all costs and expenses of the
29 proceeding, including respondent's attorney fees, may be paid from the
30 respondent's assets.

31 (d) The court shall appoint an attorney to represent a parent of a
32 minor who is the subject of a proceeding under section 84, and
33 amendments thereto, if the court determines the parent needs
34 representation.

35 New Sec. 89. (a) Upon the filing of the petition or any other time at
36 or before the hearing, if the contents of the petition or evidence at the
37 hearing support a prima facie case of the need for a conservator, the court
38 shall order an examination and evaluation of the respondent to be
39 conducted through a general hospital, psychiatric hospital, community
40 mental health center or community developmental disability organization,
41 or by a licensed physician, psychiatrist, psychologist, physician assistant,
42 nurse practitioner, social worker or other professional appointed by the
43 court who is qualified to evaluate the respondent's alleged cognitive and

1 functional abilities and limitations and will not be advantaged or
2 disadvantaged by a decision to grant the petition or otherwise have a
3 conflict of interest.

4 (b) Unless otherwise specified by the court, the report of the
5 examination and evaluation submitted to the court shall contain:

6 (1) The respondent's name, age and date of birth;

7 (2) a description of the respondent's physical and mental condition;

8 (3) a description of the nature and extent of the respondent's cognitive
9 and functional abilities and limitations, including adaptive behaviors and
10 social skills, and, as appropriate, educational and developmental potential;

11 (4) a prognosis for any improvement and, as appropriate, any
12 recommendation for treatment or rehabilitation;

13 (5) a list and description of any prior assessments, evaluations or
14 examinations of the respondent, including the dates thereof, which were
15 relied upon in the preparation of this evaluation;

16 (6) the date and location where this examination and evaluation
17 occurred, and the name or names of the professional or professionals
18 performing the examination and evaluation and such professional's
19 qualifications;

20 (7) a statement by the professional that the professional has
21 personally completed an independent examination and evaluation of the
22 respondent, and that the report submitted to the court contains the results
23 of that examination and evaluation, and the professional's opinion with
24 regard to the issues of whether or not the respondent is in need of a
25 conservator and whether there are barriers to the respondent's attendance
26 and participation at the hearing on the petition; and

27 (8) the signature of the professional who prepared the report.

28 (c) The professional shall file with the court, at least five days prior to
29 the date of the trial, such professional's written report concerning the
30 examination and evaluation ordered by the court. The report shall be made
31 available by the court to counsel for all parties.

32 (d) In lieu of entering an order for an examination and evaluation as
33 provided for in this section, the court may determine that the report
34 accompanying the petition is in compliance with the requirements of this
35 section and that no further examination or evaluation should be required,
36 unless the respondent, or such person's attorney, requests such an
37 examination and evaluation in writing. Any such request shall be filed with
38 the court, and a copy thereof delivered to the petitioner, at least four days
39 prior to the date of the trial. Accompanying the request shall be a statement
40 of the reasons why an examination and evaluation is requested and the
41 name and address of a qualified professional or facility willing and able to
42 conduct this examination and evaluation. If the court orders a further
43 examination and evaluation, the court may continue the trial and fix a new

1 date, time and place of the trial at a time not to exceed 30 days from the
2 date of the filing of the request.

3 New Sec. 90. (a) Except as otherwise provided in subsection (b), a
4 hearing under section 85, and amendments thereto, may not proceed unless
5 the respondent attends the hearing. If it is not reasonably feasible for the
6 respondent to attend a hearing at the location court proceedings typically
7 are held, the court shall make reasonable efforts to hold the hearing at an
8 alternative location convenient to the respondent or allow the respondent
9 to attend the hearing using real-time audio-visual technology.

10 (b) A hearing under section 85, and amendments thereto, may
11 proceed without the respondent in attendance if the court finds by clear
12 and convincing evidence that:

13 (1) The respondent is choosing not to attend the hearing after having
14 been fully informed of the right to attend and the potential consequences
15 of failing to do so;

16 (2) there is no practicable way for the respondent to attend and
17 participate in the hearing even with appropriate supportive services or
18 technological assistance; or

19 (3) the respondent is a minor who has received proper notice and
20 attendance would be harmful to the minor.

21 (c) The respondent may be assisted in a hearing under section 85, and
22 amendments thereto, by a person or persons of the respondent's choosing,
23 assistive technology or an interpreter or translator, or a combination of
24 these supports. If assistance would facilitate the respondent's participation
25 in the hearing, but is not otherwise available to the respondent, the court
26 shall make reasonable efforts to provide it.

27 (d) The respondent has a right to retain an attorney to represent the
28 respondent at a hearing under section 85, and amendments thereto.

29 (e) At a hearing under section 85, and amendments thereto, the
30 respondent may:

31 (1) Present evidence and subpoena witnesses and documents;

32 (2) examine witnesses, including any court-appointed evaluator or
33 court liaison; and

34 (3) otherwise participate in the hearing.

35 (f) Unless excused by the court for good cause, a proposed
36 conservator shall attend a hearing under section 85, and amendments
37 thereto.

38 (g) A hearing under section 85, and amendments thereto, must be
39 closed on request of the respondent and a showing of good cause.

40 (h) Any person may request to participate in a hearing under section
41 85, and amendments thereto. The court may grant the request, with or
42 without a hearing, on determining that the best interest of the respondent
43 will be served. The court may impose appropriate conditions on the

1 person's participation.

2 New Sec. 91. (a) The existence of a proceeding for or the existence of
3 conservatorship is a matter of public record unless the court seals the
4 record after:

5 (1) The respondent, the individual subject to conservatorship or the
6 parent of a minor subject to conservatorship requests the record be sealed;
7 and

8 (2) either:

9 (A) The petition for conservatorship is dismissed; or

10 (B) the conservatorship is terminated.

11 (b) (1) The following court records are a matter of public record
12 unless sealed by the court:

13 (A) Letters of conservatorship;

14 (B) orders suspending or removing a conservator; and

15 (C) orders terminating a conservatorship.

16 (2) All other court records of a conservatorship proceeding are not a
17 matter of public record except as further provided.

18 (3) The following persons may access court records of the proceeding
19 and resulting conservatorship, including the conservator's plan under
20 section 103, and amendments thereto, and the conservator's report under
21 section 105, and amendments thereto:

22 (A) An individual subject to a proceeding for a conservatorship,
23 whether or not a conservator is appointed;

24 (B) an attorney designated by the individual;

25 (C) a person entitled to notice under section 93(f), and amendments
26 thereto, or a subsequent order; and

27 (D) a licensed attorney, abstractor or title insurance agent.

28 (4) A person not otherwise entitled to access to court records under
29 this section for good cause may request permission from the court for
30 access to court records of the conservatorship, including the conservator's
31 plan and report. The court shall grant access if access is in the best interest
32 of the respondent or individual subject to conservatorship or furthers the
33 public interest and does not endanger the welfare or financial interests of
34 the respondent or individual.

35 (c) A report under section 87, and amendments thereto, of a court
36 liaison or professional evaluation under section 89, and amendments
37 thereto, is confidential and must be sealed on filing, but is available to:

38 (1) The court;

39 (2) the individual who is the subject of the report or evaluation,
40 without limitation as to use;

41 (3) the petitioner, court liaison and petitioner's and respondent's
42 attorneys, for purposes of the proceeding;

43 (4) unless the court directs otherwise, an agent appointed under a

1 power of attorney for finances in which the respondent is identified as the
2 principal; and

3 (5) any other person if it is in the public interest or for a purpose the
4 court orders for good cause.

5 New Sec. 92. (a) Except as otherwise provided in subsection (c), the
6 court in appointing a conservator shall consider persons qualified to be a
7 conservator in the following order of priority:

8 (1) A conservator, other than a temporary or emergency conservator,
9 currently acting for the respondent in another jurisdiction;

10 (2) a person nominated as conservator by the respondent, including
11 the respondent's most recent nomination made in a power of attorney for
12 finances;

13 (3) an agent appointed by the respondent to manage the respondent's
14 property under a power of attorney for finances;

15 (4) a spouse of the respondent;

16 (5) a family member or other individual who has shown special care
17 and concern for the respondent; and

18 (6) a person nominated as conservator by the spouse, adult child or
19 other close family member of the respondent.

20 (b) If two or more persons have equal priority under subsection (a),
21 the court shall select as conservator the person the court considers best
22 qualified. In determining the best qualified person, the court shall consider
23 the person's relationship with the respondent, the person's skills, the
24 expressed wishes of the respondent, the extent to which the person and the
25 respondent have similar values and preferences and the likelihood the
26 person will be able to perform the duties of a conservator successfully.

27 (c) The court, acting in the best interest of the respondent, may
28 decline to appoint as conservator a person having priority under subsection
29 (a) and appoint a person having a lower priority or no priority.

30 (d) The following persons shall not be appointed as conservator
31 unless the court finds by clear and convincing evidence that the person is
32 the best qualified person available for appointment and the appointment is
33 in the best interest of the respondent:

34 (1) A person that provides paid services to the respondent, or an
35 individual who is employed by a person that provides paid services to the
36 respondent, or is the spouse, parent or child of an individual who provides
37 or is employed to provide paid services to the respondent;

38 (2) an owner, operator or employee of any entity at which the
39 respondent is receiving care; and

40 (3) a person who provides care or other services, or is an employee of
41 an agency, partnership or corporation that provides care or other services
42 to persons with needs similar to those of the respondent.

43 New Sec. 93. (a) A court order appointing a conservator for a minor

1 must include findings to support appointment of a conservator.

2 (b) A court order appointing a conservator for an adult must:

3 (1) Include a specific finding that clear and convincing evidence has
4 established that the identified needs of the respondent cannot be met by a
5 protective arrangement instead of conservatorship or other less restrictive
6 alternative, including use of appropriate supportive services, technological
7 assistance or supported decision making; and

8 (2) include a specific finding that clear and convincing evidence
9 established the respondent was given proper notice of the hearing on the
10 petition.

11 (c) A court order establishing a full conservatorship for an adult must
12 state the basis for granting a full conservatorship and include specific
13 findings to support the conclusion that a limited conservatorship would not
14 meet the functional needs of the adult.

15 (d) A court order establishing a limited conservatorship must state the
16 specific property placed under the control of the conservator and the
17 powers granted to the conservator.

18 (e) A court order appointing a conservator must include the date of a
19 review hearing to be set 90 days after the order of appointment is entered.
20 At that hearing, the court shall review the conservator's plan filed pursuant
21 to section 103, and amendments thereto, and the inventory filed pursuant
22 to section 104, and amendments thereto.

23 (f) The court, as part of an order establishing a conservatorship, shall
24 identify any person that subsequently is entitled to:

25 (1) Notice of the rights of the individual subject to conservatorship
26 under section 94(b), and amendments thereto;

27 (2) notice of a sale or other disposition of, encumbrance of an interest
28 in, or surrender of a lease to any real or personal property of the
29 individual;

30 (3) notice that the conservator will be unavailable to perform the
31 conservator's duties for more than one month;

32 (4) a copy of the conservator's plan under section 103, and
33 amendments thereto, and the conservator's report under section 105, and
34 amendments thereto;

35 (5) access to court records relating to the conservatorship;

36 (6) notice of a transaction involving a substantial conflict between the
37 conservator's fiduciary duties and personal interests;

38 (7) notice of the death or significant change in the condition of the
39 individual;

40 (8) notice that a petition has been filed to limit or modify the powers
41 of the conservator or that the court has limited or modified the powers of
42 the conservator; and

43 (9) notice that a petition has been filed to remove the conservator or

1 that the court has removed the conservator.

2 (g) If an individual subject to conservatorship is an adult, the spouse
3 and adult children of the adult subject to conservatorship are entitled under
4 subsection (e) to notice unless the court determines notice would be
5 contrary to the preferences or prior directions of the adult subject to
6 conservatorship or not in the best interest of the adult.

7 (h) If an individual subject to conservatorship is a minor, each parent
8 and adult sibling of the minor is entitled under subsection (e) to notice
9 unless the court determines notice would not be in the best interest of the
10 minor.

11 New Sec. 94. (a) Not later than 14 days after the appointment, a
12 conservator appointed under section 93, and amendments thereto, shall
13 give to the individual subject to conservatorship and to all other persons
14 given notice under section 85, and amendments thereto, a copy of the
15 order of appointment.

16 (b) Not later than 30 days after appointment of a conservator under
17 section 93, and amendments thereto, the court or the court's designee shall
18 give to the individual subject to conservatorship, the conservator, and any
19 other person entitled to notice under section 93(f), and amendments
20 thereto, a statement of the rights of the individual subject to
21 conservatorship and procedures to seek relief if the individual is denied
22 those rights. The statement must be in plain language, in at least 16-point
23 font, and to the extent feasible, in a language in which the individual
24 subject to conservatorship is proficient. The statement must notify the
25 individual subject to conservatorship of the right to:

26 (1) Seek termination or modification of the conservatorship, or
27 removal of the conservator, and choose an attorney to represent the
28 individual in these matters;

29 (2) file a grievance against the conservator under section 50, and
30 amendments thereto;

31 (3) participate in decision making to the extent reasonably feasible;

32 (4) receive a copy of the conservator's plan under section 103, and
33 amendments thereto, the conservator's inventory under section 104, and
34 amendments thereto, and the conservator's report under section 105, and
35 amendments thereto; and

36 (5) object to the conservator's inventory, plan or report.

37 (c) If a conservator is appointed for the reasons stated in section 83(b)
38 (1)(B), and amendments thereto, and the individual subject to
39 conservatorship is missing, notice under this section to the individual is
40 not required. If the individual subject to conservatorship is a minor under
41 the age of 12, notice under this section to the minor is not required.

42 (d) Any person required to provide notice under this section shall file
43 proof of service of such notice with the court.

1 New Sec. 95. (a) On its own after a petition has been filed under
2 section 84, and amendments thereto, or on a verified petition by a person
3 interested in an individual's welfare, the court may appoint an emergency
4 conservator for the individual if the court finds a sufficient factual basis to
5 establish probable cause that:

6 (1) Appointment of an emergency conservator is necessary to prevent
7 imminent, substantial and irreparable harm to the individual's property or
8 financial interests;

9 (2) no other person has authority and willingness to act in the
10 circumstances; and

11 (3) a basis for appointment of a conservator under section 83, and
12 amendments thereto, exists.

13 (b) The duration of authority of an emergency conservator may not
14 exceed 30 days and the emergency conservator may exercise only the
15 powers specified in the order of appointment. The emergency conservator's
16 authority may be extended up to three times for not more than 30 days per
17 extension if the court finds good cause and that the conditions for
18 appointment of an emergency conservator under subsection (a) continue.

19 (c) Immediately on filing of a petition for an emergency conservator,
20 the court shall appoint an attorney to represent the respondent in the
21 proceeding. Except as otherwise provided in subsection (d), reasonable
22 notice of the date, time and place of a hearing on the petition must be
23 given to the respondent, the respondent's attorney and any other person the
24 court determines.

25 (d) The court may appoint an emergency conservator without notice
26 to the respondent and any attorney for the respondent only if the court
27 finds from an affidavit or testimony that the respondent's property or
28 financial interests will be substantially and irreparably harmed before a
29 hearing with notice on the appointment can be held. If the court appoints
30 an emergency conservator without giving notice under subsection (c), the
31 court must give notice of the appointment not later than 48 hours after the
32 appointment to:

33 (1) The respondent;

34 (2) the respondent's attorney; and

35 (3) any other person the court determines.

36 (e) Not later than five days after the appointment, the court shall hold
37 a hearing on the appropriateness of the appointment.

38 (f) Appointment of an emergency conservator under this section is
39 not a determination that a basis exists for appointment of a conservator
40 under section 83, and amendments thereto.

41 (g) The court may remove an emergency conservator appointed under
42 this section at any time. The emergency conservator shall make any report
43 the court requires.

1 New Sec. 96. An individual subject to conservatorship or a person
2 interested in the welfare of the individual may petition for an order:

- 3 (a) Modifying bond requirements;
- 4 (b) requiring an accounting for the administration of the
5 conservatorship estate;
- 6 (c) directing distribution;
- 7 (d) removing the conservator and appointing a temporary or
8 successor conservator;
- 9 (e) modifying the type of appointment or powers granted to the
10 conservator, if the extent of protection or management previously granted
11 is excessive or insufficient to meet the individual's needs, including
12 because the individual's abilities or supports have changed;
- 13 (f) rejecting or modifying the conservator's plan under section 103,
14 and amendments thereto, the conservator's inventory under section 104,
15 and amendments thereto, or the conservator's report under section 105, and
16 amendments thereto; or
- 17 (g) granting other appropriate relief.

18 New Sec. 97. (a) Except as otherwise provided in subsection (c), the
19 court shall require a conservator to furnish a bond with a surety, or require
20 an alternative asset-protection arrangement, conditioned on faithful
21 discharge of all duties of the conservator. The court may waive the
22 requirement only if the court finds that a bond or other asset-protection
23 arrangement is not necessary to protect the interests of the individual
24 subject to conservatorship. Except as otherwise provided in subsection (c),
25 the court may not waive the requirement if the conservator is in the
26 business of serving as a conservator and is being paid for the conservator's
27 service.

28 (b) Unless the court directs otherwise, the bond required under this
29 section must be in the amount of the aggregate capital value of the
30 conservatorship estate, plus one year's estimated income, less the value of
31 property deposited under an arrangement requiring a court order for its
32 removal, and less the value of real property. The court, in place of surety
33 on a bond, may accept collateral for the performance of the bond,
34 including a pledge of securities or a mortgage of real property.

35 (c) A regulated financial-service institution qualified to do trust
36 business in this state is not required to give a bond under this section.

37 (d) If the conservator appointed is under contract with the Kansas
38 guardianship program, the Kansas department for children and families
39 shall act as surety on the bond.

40 New Sec. 98. (a) The following rules apply to the bond required
41 under section 97, and amendments thereto:

- 42 (1) Except as otherwise provided by the bond, the surety and the
43 conservator are jointly and severally liable.

1 (2) By executing a bond provided by a conservator, the surety
2 submits to the personal jurisdiction of the court that issued letters of office
3 to the conservator in a proceeding relating to the duties of the conservator
4 in which the surety is named as a party. Notice of the proceeding must be
5 given to the surety at the address shown in the records of the court in
6 which the bond is filed and any other address of the surety then known to
7 the person required to provide the notice.

8 (3) On petition of a successor conservator or person affected by a
9 breach of the obligation of the bond, a proceeding may be brought against
10 the surety for breach of the obligation of the bond.

11 (4) A proceeding against the bond may be brought until liability
12 under the bond is exhausted.

13 (b) A proceeding may not be brought under this section against a
14 surety of a bond on a matter as to which a proceeding against the
15 conservator is barred.

16 (c) If a bond under section 97, and amendments thereto, is not
17 renewed by the conservator, the surety or sureties immediately shall give
18 notice to the court and the individual subject to conservatorship. Upon
19 receiving such notice, the clerk of the district court shall forward the notice
20 to the presiding judge who shall set the matter for hearing and determine
21 who should receive notice.

22 New Sec. 99. (a) A conservator is a fiduciary and has duties of
23 prudence, loyalty, reasonable care and diligence to the individual subject to
24 conservatorship.

25 (b) A conservator shall promote the self-determination of the
26 individual subject to conservatorship and, to the extent feasible, encourage
27 the individual to participate in decisions, act on the individual's own
28 behalf, and develop or regain the capacity to manage the individual's
29 personal affairs. A conservator shall strive to assure that the personal, civil
30 and human rights of the individual subject to conservatorship are
31 protected.

32 (c) In making a decision for an individual subject to conservatorship,
33 the conservator shall make the decision that the conservator reasonably
34 believes the individual would make if able, unless doing so would fail to
35 preserve the resources needed to maintain the individual's well-being and
36 lifestyle or otherwise unreasonably harm or endanger the welfare or
37 personal or financial interests of the individual. To determine the decision
38 the individual would make if able, the conservator shall consider the
39 individual's prior or current directions, preferences, opinions, values and
40 actions, to the extent actually known or reasonably ascertainable by the
41 conservator.

42 (d) If a conservator cannot make a decision under subsection (c)
43 because the conservator does not know and cannot reasonably determine

1 the decision the individual subject to conservatorship probably would
2 make if able, or the conservator reasonably believes the decision the
3 individual would make would fail to preserve resources needed to
4 maintain the individual's well-being and lifestyle or otherwise
5 unreasonably harm or endanger the welfare or personal or financial
6 interests of the individual, the conservator shall act in accordance with the
7 best interest of the individual. In determining the best interest of the
8 individual, the conservator shall consider:

9 (1) Information received from professionals and persons that
10 demonstrate sufficient interest in the welfare of the individual;

11 (2) other information the conservator believes the individual would
12 have considered if the individual were able to act; and

13 (3) other factors a reasonable person in the circumstances of the
14 individual would consider, including consequences for others.

15 (e) Except when inconsistent with the conservator's duties under
16 subsections (a) through (d), a conservator shall invest and manage the
17 conservatorship estate as a prudent investor would, by considering:

18 (1) The circumstances of the individual subject to conservatorship
19 and the conservatorship estate;

20 (2) general economic conditions;

21 (3) the possible effect of inflation or deflation;

22 (4) the expected tax consequences of an investment decision or
23 strategy;

24 (5) the role of each investment or course of action in relation to the
25 conservatorship estate as a whole;

26 (6) the expected total return from income and appreciation of capital;

27 (7) the need for liquidity, regularity of income and preservation or
28 appreciation of capital; and

29 (8) the special relationship or value, if any, of specific property to the
30 individual subject to conservatorship.

31 (f) The propriety of a conservator's investment and management of
32 the conservatorship estate is determined in light of the facts and
33 circumstances existing when the conservator decides or acts and not by
34 hindsight.

35 (g) A conservator shall make a reasonable effort to verify facts
36 relevant to the investment and management of the conservatorship estate.

37 (h) A conservator that has special skills or expertise, or is named
38 conservator in reliance on the conservator's representation of special skills
39 or expertise, has a duty to use the special skills or expertise in carrying out
40 the conservator's duties.

41 (i) In investing, selecting specific property for distribution, and
42 invoking a power of revocation or withdrawal for the use or benefit of the
43 individual subject to conservatorship, a conservator shall consider any

1 estate plan of the individual known or reasonably ascertainable to the
2 conservator and may examine the will or other donative, nominative or
3 appointive instrument of the individual.

4 (j) A conservator shall maintain insurance on the insurable real and
5 personal property of the individual subject to conservatorship, unless the
6 conservatorship estate lacks sufficient funds to pay for insurance or the
7 court finds:

8 (1) The property lacks sufficient equity; or

9 (2) insuring the property would unreasonably dissipate the
10 conservatorship estate or otherwise not be in the best interest of the
11 individual.

12 (k) A conservator has access to and authority over a digital asset of
13 the individual subject to conservatorship to the extent provided by the
14 revised uniform fiduciary access to digital assets act or court order.

15 (l) A conservator for an adult shall notify the court immediately if the
16 condition of the adult has changed so that the adult is capable of exercising
17 rights previously removed.

18 New Sec. 100. (a) Except as otherwise provided in section 102, and
19 amendments thereto, or as qualified or limited in the court's order of
20 appointment and stated in the letters of office, a conservator has all powers
21 granted in this section.

22 (b) A conservator, acting reasonably and consistent with the fiduciary
23 duties of the conservator to accomplish the purpose of the conservatorship,
24 without specific court authorization or confirmation, may with respect to
25 the conservatorship estate:

26 (1) Collect, hold and retain property, including property in which the

6 corporation or other business enterprise in which the conservatorship has

8 (13) hold a security in the name of a nominee or in other form
9 without disclosure of the conservatorship so that title to the security may
10 pass by delivery;

11 (14) insure:

15 (15) borrow funds without security to be repaid from the
16 conservatorship estate or otherwise;

17 (16) advance the conservator's personal funds for the protection of the
18 conservatorship estate or the individual subject to conservatorship and all
19 expenses, losses and liability sustained in the administration of the
20 conservatorship estate or because of holding any property for which the
21 conservator has a lien on the conservatorship estate, subject to
22 reimbursement as provided in section 43, and amendments thereto;

23 (17) pay or contest a claim, settle a claim by or against the
24 conservatorship estate or the individual subject to conservatorship by
25 compromise, arbitration or otherwise, or release, in whole or in part, a
26 claim belonging to the conservatorship estate to the extent the claim is
27 uncollectible;

28 (18) pay a tax, assessment and other expense incurred in the
29 collection, care, administration and protection of the conservatorship
30 estate;

31 (19) pay a sum distributable to the individual subject to
32 conservatorship or an individual who is in fact dependent on the individual
33 subject to conservatorship by paying the sum to the distributee or for the
34 use of the distributee:

35 (A) To the guardian for the distributee;

36 (B) to the custodian of the distributee under the uniform transfers to

39 or other person having physical custody of the distributee;

40 (20) bring or defend an action, claim or proceeding in any jurisdiction
41 for the protection of the conservatorship estate or the conservator in the
42 performance of the conservator's duties;

43 (21) structure the finances of the individual subject to conservatorship

1 to establish eligibility for a public benefit, if the conservator's action does

3 conservator's duties;

4 (22) assert spousal rights in an estate, including the spousal elective
5 share; and

6 (23) execute and deliver any instrument that will accomplish or
7 facilitate the exercise of a power of the conservator.

8 New Sec. 101. Except as otherwise provided in section 102, and
9 amendments thereto, or as qualified or limited in the court's order of
10 appointment and stated in the letters of office, and unless contrary to a
11 conservator's plan under section 103, and amendments thereto, the
12 conservator may expend or distribute income or principal of the
13 conservatorship estate without specific court authorization or confirmation
14 for the support, care, education, health or welfare of the individual subject
15 to conservatorship or an individual who is in fact dependent on the
16 individual subject to conservatorship, including the payment of child or
17 spousal support, in accordance with the following rules:

18 (a) The conservator shall consider a recommendation relating to the
19 appropriate standard of support, care, education, health, or welfare for the
20 individual subject to conservatorship or individual who is dependent on
21 the individual subject to conservatorship, made by a guardian for the
22 individual subject to conservatorship, if any, and, if the individual subject
23 to conservatorship is a minor, a recommendation made by a parent of the
24 minor.

25 (b) The conservator acting in compliance with the conservator's
26 duties under section 99, and amendments thereto, is not liable for an
27 expenditure or distribution made based on a recommendation under
28 subsection (a) unless the conservator knows the expenditure or distribution
29 is not in the best interest of the individual subject to conservatorship.

30 (c) In making an expenditure or distribution under this section, the
31 conservator shall consider:

32 (1) The size of the conservatorship estate, the estimated duration of
33 the conservatorship and the likelihood the individual subject to
34 conservatorship, at some future time, may be fully self-sufficient and able
35 to manage the individual's financial affairs and the conservatorship estate;

36 (2) the accustomed standard of living of the individual subject to
37 conservatorship and individual who is dependent on the individual subject
38 to conservatorship;

40 subject to conservatorship; and

41 (4) the preferences, values and prior directions of the individual
42 subject to conservatorship.

43 (d) Subject to section 43, and amendments thereto, funds expended or

1 distributed under this section may be paid by the conservator to any
2 person, including the individual subject to conservatorship, as
3 reimbursement for expenditures the conservator might have made, or in
4 advance for services to be provided to the individual subject to
5 conservatorship or individual who is dependent on the individual subject
6 to conservatorship if it is reasonable to expect the services will be
7 performed and advance payment is customary or reasonably necessary
8 under the circumstances.

9 New Sec. 102. (a) Except as otherwise ordered by the court, a
10 conservator must give notice to persons entitled to notice under section
11 85(d), and amendments thereto, and receive specific authorization by the
12 court before the conservator may exercise, with respect to the
13 conservatorship, the power to:

14 (1) Make a gift, except a gift of de minimis value, unless such power
15 to make a gift is included in a conservator's plan approved by the court and
16 by the attorney for the individual subject to conservatorship;

17 (2) sell or otherwise dispose of, encumber an interest in, or surrender
18 a lease to any real or personal property of the individual subject to
19 conservatorship, unless such power is included in a conservator's plan
20 approved by the court and by the attorney for the individual subject to
21 conservatorship;

22 (3) acquire or dispose of property, including real property in another
23 state, for cash or on credit, at public or private sale, and manage, develop,
24 improve, exchange, partition, change the character of or abandon property;

25 (4) make extraordinary repairs or alterations in a building or other
26 structure, demolish any improvement, or raze an existing or erect a new
27 party wall or building;

28 (5) subdivide or develop land, dedicate land to public use, make or
29 obtain the vacation of a plat and adjust a boundary, adjust a difference in
30 valuation of land, exchange or partition land by giving or receiving
31 consideration and dedicate an easement to public use without
32 consideration;

33 (6) enter for any purpose into a lease of property as lessor or lessee,
34 with or without an option to purchase or renew, for a term exceeding one
35 year;

36 (7) enter into a lease or arrangement for exploration and removal of
37 minerals or other natural resources or a pooling or unitization agreement;

38 (8) grant an option involving disposition of property or accept or
39 exercise an option for the acquisition of property;

40 (9) convey, release or disclaim a contingent or expectant interest in
41 property, including marital property and any right of survivorship incident
42 to joint tenancy;

43 (10) exercise or release a power of appointment;

1 (11) create a revocable or irrevocable trust of property of the
2 conservatorship estate, including an irrevocable trust which will enable the
3 individual subject to conservatorship to qualify for benefits from any
4 federal, state or local government program, or which will accelerate the
5 individual's qualification for such benefits, whether or not the trust extends
6 beyond the duration of the conservatorship;

7 (12) revoke or amend a trust revocable by the individual subject to
8 conservatorship pursuant to K.S.A. 58a-411 or 58a-602, and amendments
9 thereto;

10 (13) exercise a right to elect an option or change a beneficiary under
11 an insurance policy or annuity or surrender the policy or annuity for its
12 cash value;

13 (14) renounce or disclaim a property interest;

14 (15) grant a creditor priority for payment over creditors of the same
15 or higher class if the creditor is providing property or services used to meet
16 the basic living and care needs of the individual subject to conservatorship
17 and preferential treatment otherwise would be impermissible under section
18 110(e), and amendments thereto; and

19 (16) litigate as petitioner or respondent an action for divorce,
20 dissolution or annulment of marriage of the individual subject to
21 conservatorship, including negotiation of a settlement thereof.

22 (b) The court shall set the matter for hearing and, if the individual
23 subject to conservatorship is not represented by an attorney, shall appoint
24 an attorney to represent the individual.

25 (c) In approving a conservator's exercise of a power listed in
26 subsection (a), the court shall consider primarily the decision the
27 individual subject to conservatorship would make if able, to the extent the
28 decision can be ascertained.

29 (d) To determine under subsection (b) the decision the individual
30 subject to conservatorship would make if able, the court shall consider the
31 individual's prior or current directions, preferences, opinions, values and
32 actions, to the extent actually known or reasonably ascertainable by the
33 conservator. The court shall also consider:

34 (1) The financial needs of the individual subject to conservatorship
35 and individuals who are in fact dependent on the individual subject to
36 conservatorship for support, and the interests of creditors of the individual;

37 (2) possible reduction of income, estate, inheritance or other tax
38 liabilities;

39 (3) eligibility for governmental assistance;

40 (4) the previous pattern of giving or level of support provided by the
41 individual;

42 (5) any existing estate plan or lack of estate plan of the individual;

43 (6) the life expectancy of the individual and the probability the

1 conservatorship will terminate before the individual's death; and

2 (7) any other relevant factor.

3 New Sec. 103. (a) Not later than 60 days after appointment, and
4 whenever there is a significant change in circumstances or the conservator
5 seeks to deviate significantly from the existing conservator's plan, a
6 conservator shall file with the court a plan for protecting, managing,
7 expending and distributing the assets of the conservatorship estate. The
8 plan must be based on the needs of the individual subject to
9 conservatorship and take into account the best interest of the individual as
10 well as the individual's preferences, values and prior directions, to the
11 extent known to or reasonably ascertainable by the conservator. The
12 conservator shall include in the plan:

13 (1) A budget containing projected expenses and resources, including
14 an estimate of the total amount of fees the conservator anticipates charging
15 per year and a statement or list of the amount the conservator proposes to
16 charge for each service the conservator anticipates providing to the
17 individual;

18 (2) how the conservator will involve the individual in decisions about
19 management of the conservatorship estate;

20 (3) any step the conservator plans to take to develop or restore the
21 ability of the individual to manage the conservatorship estate; and

22 (4) an estimate of the duration of the conservatorship.

23 (b) A conservator shall give notice of the filing of the conservator's
24 plan under subsection (a), together with a copy of the plan, to the
25 individual subject to conservatorship, any attorney representing the
26 individual subject to conservatorship, a person entitled to notice under
27 section 93(f), and amendments thereto, or a subsequent order, and any
28 other person the court determines. The notice must include a statement of
29 the right to object to the plan and must be given at the time of the filing.

30 (c) An individual subject to conservatorship and any person entitled
31 under subsection (b) to receive notice and a copy of the conservator's plan
32 may object to the plan in writing not later than 21 days after the filing.

33 (d) The court shall review the conservator's plan filed under
34 subsection (a) and determine whether to approve the plan or require a new
35 plan. In deciding whether to approve the plan, the court shall consider an
36 objection under subsection (c) and whether the plan is consistent with the
37 conservator's duties and powers. The court shall review an initial
38 conservator's plan at the review hearing scheduled under section 93(e), and
39 amendments thereto. For subsequent conservator's plans, the court has
40 discretion whether to set the matter for hearing but may not approve the
41 plan until 30 days after the filing.

42 (e) After a conservator's plan under this section is approved by the
43 court, the conservator shall provide a copy of the plan to the individual

1 subject to conservatorship, any attorney representing the individual subject
2 to conservatorship, a person entitled to notice under section 93(f), and
3 amendments thereto, or a subsequent order, and any other person the court
4 determines.

5 New Sec. 104. (a) Not later than 60 days after appointment, a
6 conservator shall prepare and file with the appointing court a detailed
7 inventory of the conservatorship estate, together with an oath or
8 affirmation that the inventory is believed to be complete and accurate as
9 far as information permits. The inventory shall include all of the property
10 and assets of the conservatorship estate, including any sources of regular
11 income to the estate, and information about how property is titled and any
12 beneficiary designations, including pay-on-death and transfer-on-death
13 beneficiaries.

14 (b) A conservator shall give notice of the filing of an inventory to the
15 individual subject to conservatorship, a person entitled to notice under
16 section 93(f), and amendments thereto, or a subsequent order, and any
17 other person the court determines. The notice must be given not later than
18 14 days after the filing.

19 (c) A conservator shall keep records of the administration of the
20 conservatorship estate and make them available for examination on
21 reasonable request of the individual subject to conservatorship, a guardian
22 for the individual, or any other person the conservator or the court
23 determines.

24 New Sec. 105. (a) A conservator shall file with the court a report in a
25 record regarding the administration of the conservatorship estate annually
26 unless the court otherwise directs, on resignation or removal, on
27 termination of the conservatorship, and at any other time the court directs.

28 (b) A report under subsection (a) must state or contain:

29 (1) An accounting that lists property included in the conservatorship
30 estate and the receipts, disbursements, liabilities and distributions during
31 the period for which the report is made;

32 (2) a list of the services provided to the individual subject to
33 conservatorship;

34 (3) a statement whether the conservator has deviated from the
35 conservator's most recently approved plan and, if so, how the conservator
36 has deviated and why;

37 (4) a recommendation as to the need for continued conservatorship
38 and any recommended change in the scope of the conservatorship;

39 (5) to the extent feasible, a copy of the most recent reasonably
40 available financial statements evidencing the status of bank accounts,
41 investment accounts and mortgages or other debts of the individual subject
42 to conservatorship with account numbers and social security number
43 redacted;

1 (6) anything of more than de minimis value which the conservator,
2 any individual who resides with the conservator, or the spouse, parent,
3 child or sibling of the conservator has received from a person providing
4 goods or services to the individual subject to conservatorship;

5 (7) any business relation the conservator has with a person the
6 conservator has paid or that has benefited from the property of the
7 individual subject to conservatorship;

8 (8) whether any co-conservator or successor conservator appointed to
9 serve when a designated event occurs is alive and able to serve; and

10 (9) a copy of the bond renewal.

11 (c) The court may appoint a court liaison to review a report under this
12 section or conservator's plan under section 103, and amendments thereto,
13 interview the individual subject to conservatorship or conservator, or
14 investigate any other matter involving the conservatorship. In connection
15 with the report, the court may order the conservator to submit the
16 conservatorship estate to appropriate examination in a manner the court
17 directs.

18 (d) Notice of the filing under this section of a conservator's report,
19 together with a copy of the report, must be provided to the individual
20 subject to conservatorship, a person entitled to notice under section 93(f),
21 and amendments thereto, or a subsequent order, and other persons the
22 court determines. The notice and report must be given not later than 14
23 days after filing.

24 (e) The court shall establish procedures for monitoring a report
25 submitted under this section and review each report at least annually to
26 determine whether:

27 (1) The reports provide sufficient information to establish the
28 conservator has complied with the conservator's duties;

29 (2) the conservatorship should continue; and

30 (3) the conservator's requested fees, if any, should be approved.

31 (f) If the court determines there is reason to believe a conservator has
32 not complied with the conservator's duties or the conservatorship should
33 not continue, the court:

34 (1) Shall notify the individual subject to conservatorship, the
35 conservator and any other person entitled to notice under section 93(f), and
36 amendments thereto, or a subsequent order;

37 (2) may require additional information from the conservator;

38 (3) may appoint a court liaison to interview the individual subject to
39 conservatorship or conservator or investigate any matter involving the
40 conservatorship; and

41 (4) consistent with sections 112 and 113, and amendments thereto,
42 may hold a hearing to consider removal of the conservator, termination of
43 the conservatorship or a change in the powers granted to the conservator or

1 terms of the conservatorship.

2 (g) If the court has reason to believe fees requested by a conservator
3 are not reasonable, the court shall hold a hearing to determine whether to
4 adjust the requested fees.

5 (h) A conservator may petition the court for approval of a report filed
6 under this section. The court after review may approve the report. If the
7 court approves the report, there is a rebuttable presumption the report is
8 accurate as to a matter adequately disclosed in the report.

9 (i) An order, after notice and hearing, approving an interim report of a
10 conservator filed under this section adjudicates liabilities concerning a
11 matter adequately disclosed in the report, as to a person given notice of the
12 report or accounting.

13 (j) An order, after notice and hearing, approving a final report filed
14 under this section discharges the conservator from all liabilities, claims
15 and causes of action by a person given notice of the report and the hearing
16 as to a matter adequately disclosed in the report.

17 New Sec. 106. (a) The interest of an individual subject to
18 conservatorship in property included in the conservatorship estate is not
19 transferrable or assignable by the individual and is not subject to levy,
20 garnishment, or similar process for claims against the individual unless
21 allowed under section 110, and amendments thereto.

22 (b) If an individual subject to conservatorship enters into a contract
23 after having the right to enter the contract removed by the court, the
24 contract is void against the individual and the individual's property but is
25 enforceable against the person that contracted with the individual.

26 (c) A person other than the conservator that deals with an individual
27 subject to conservatorship with respect to property included in the
28 conservatorship estate is entitled to protection provided by law of this state
29 other than this act.

30 New Sec. 107. A transaction involving a conservatorship estate which
31 is affected by a substantial conflict between the conservator's fiduciary
32 duties and personal interests is voidable unless the transaction is
33 authorized by court order after notice to persons entitled to notice under
34 section 93(f), and amendments thereto, or a subsequent order. A
35 transaction affected by a substantial conflict includes a sale, encumbrance
36 or other transaction involving the conservatorship estate entered into by
37 the conservator, an individual with whom the conservator resides, the
38 spouse, descendant, sibling, agent or attorney of the conservator, or a
39 corporation or other enterprise in which the conservator has a substantial
40 beneficial interest.

41 New Sec. 108. (a) A person that assists or deals with a conservator in
42 good faith and for value in any transaction, other than a transaction
43 requiring a court order under section 102, and amendments thereto, is

1 protected as though the conservator properly exercised any power in
2 question. Knowledge alone by a person that the person is dealing with a
3 conservator does not require the person to inquire into the existence of
4 authority of the conservator or the propriety of the conservator's exercise
5 of authority, but restrictions on authority stated in letters of office, or
6 otherwise provided by law, are effective as to the person. A person that
7 pays or delivers property to a conservator is not responsible for proper
8 application of the property.

9 (b) Protection under subsection (a) extends to a procedural
10 irregularity or jurisdictional defect in the proceeding leading to the
11 issuance of letters of office and does not substitute for protection for a
12 person that assists or deals with a conservator provided by comparable
13 provisions in law of this state other than this act relating to a commercial
14 transaction or simplifying a transfer of securities by a fiduciary.

15 New Sec. 109. (a) If an individual subject to conservatorship dies, the
16 conservator shall deliver to the district court any will of the individual that
17 is in the conservator's possession and inform the personal representative
18 named in the will if feasible. The conservator shall give notice of the
19 delivery of the will under this section to any person entitled to notice under
20 section 93(f), and amendments thereto, or a subsequent order.

21 (b) On the death of an individual subject to conservatorship, the
22 conservator shall conclude the administration of the conservatorship estate
23 as provided in section 113, and amendments thereto.

24 New Sec. 110. (a) A conservator may pay a claim against the
25 conservatorship estate or the individual subject to conservatorship arising
26 before or during the conservatorship, on presentation and allowance in
27 accordance with the priorities under subsection (d). A claimant may
28 present a claim by:

29 (1) Sending or delivering to the conservator a statement in a record of
30 the claim, indicating its basis, the name and address of the claimant and
31 the amount claimed; or

32 (2) filing the claim with the court, in a form acceptable to the court,
33 and sending or delivering a copy of the claim to the conservator.

34 (b) A claim under subsection (a) is presented on receipt by the
35 conservator of the statement of the claim or the filing with the court of the
36 claim, whichever occurs first. A presented claim is allowed, if it is not
37 disallowed in whole or in part, by the conservator in a record sent or
38 delivered to the claimant not later than 60 days after its presentation.
39 Before payment, the conservator may change an allowance of the claim to
40 a disallowance in whole or in part, but not after allowance under a court
41 order or order directing payment of the claim. Presentation of a claim tolls
42 until 30 days after disallowance of the claim the running of a statute of
43 limitations that has not expired relating to the claim.

1 (c) A claimant whose claim under subsection (a) has not been paid
2 may petition the court to determine the claim at any time before it is barred
3 by a statute of limitations, and the court may order its allowance, payment
4 or security by encumbering property included in the conservatorship
5 estate. If a proceeding is pending against the individual subject to
6 conservatorship at the time of appointment of the conservator or is
7 initiated thereafter, the moving party shall give the conservator notice of
8 the proceeding if it could result in creating a claim against the
9 conservatorship estate.

10 (d) If a conservatorship estate is likely to be exhausted before all
11 existing claims are paid, the conservator shall distribute the estate in
12 money or in kind in payment of claims in the following order:

13 (1) Costs and expenses of administration;

14 (2) a claim of the federal or state government having priority under
15 law other than this act;

16 (3) a claim incurred by the conservator for support, care, education,
17 health or welfare previously provided to the individual subject to
18 conservatorship or an individual who is in fact dependent on the individual
19 subject to conservatorship;

20 (4) a claim arising before the conservatorship; and

21 (5) all other claims.

22 (e) Preference may not be given in the payment of a claim under
23 subsection (d) over another claim of the same class. A claim due and
24 payable may not be preferred over a claim not due unless:

25 (1) Doing so would leave the conservatorship estate without
26 sufficient funds to pay the basic living and healthcare expenses of the
27 individual subject to conservatorship; and

28 (2) the court authorizes the preference under section 102(a)(8), and
29 amendments thereto.

30 (f) If assets of a conservatorship estate are adequate to meet all
31 existing claims, the court, acting in the best interest of the individual
32 subject to conservatorship, may order the conservator to grant a security
33 interest in the conservatorship estate for payment of a claim at a future
34 date.

35 New Sec. 111. (a) Except as otherwise agreed by a conservator, the
36 conservator is not personally liable on a contract properly entered into in a
37 fiduciary capacity in the course of administration of the conservatorship
38 estate unless the conservator fails to reveal the conservator's representative
39 capacity in the contract or before entering into the contract.

40 (b) A conservator is personally liable for an obligation arising from
41 control of property of the conservatorship estate or an act or omission
42 occurring in the course of administration of the conservatorship estate only
43 if the conservator is personally at fault.

1 (c) A claim based on a contract entered into by a conservator in a
2 fiduciary capacity, an obligation arising from control of property included
3 in the conservatorship estate, or a tort committed in the course of
4 administration of the conservatorship estate may be asserted against the
5 conservatorship estate in a proceeding against the conservator in a
6 fiduciary capacity, whether or not the conservator is personally liable for
7 the claim.

8 (d) A question of liability between a conservatorship estate and the
9 conservator personally may be determined in a proceeding for accounting,
10 surcharge, or indemnification or another appropriate proceeding or action.

11 New Sec. 112. (a) The court may remove a conservator for failure to
12 perform the conservator's duties or other good cause and appoint a
13 successor conservator to assume the duties of the conservator.

14 (b) The court shall hold a hearing to determine whether to remove a
15 conservator and appoint a successor on:

16 (1) Petition of the individual subject to conservatorship, conservator
17 or person interested in the welfare of the individual which contains
18 allegations that, if true, would support a reasonable belief that removal of
19 the conservator and appointment of a successor may be appropriate, but
20 the court may decline to hold a hearing if a petition based on the same or
21 substantially similar facts was filed during the preceding six months;

22 (2) communication from the individual subject to conservatorship,
23 conservator or person interested in the welfare of the individual which
24 supports a reasonable belief that removal of the conservator and
25 appointment of a successor may be appropriate;

26 (3) determination by the court that a hearing would be in the best
27 interest of the individual subject to conservatorship; or

28 (4) determination by the court that the conservator's reports and
29 accountings are delinquent or deficient as filed.

30 (c) Notice of a petition under subsection (b)(1) or any hearing under
31 this section must be given to the individual subject to conservatorship, the
32 conservator, a person entitled to notice under section 93(f), and
33 amendments thereto, or a subsequent order, and any other person the court
34 determines.

35 (d) If the individual subject to conservatorship is not represented by
36 an attorney, the court shall appoint an attorney under the same conditions
37 as in section 88, and amendments thereto. The court shall award
38 reasonable attorney fees to the attorney as provided in section 42, and
39 amendments thereto.

40 (e) In selecting a successor conservator, the court shall follow the
41 priorities under section 92, and amendments thereto.

42 (f) Not later than 30 days after appointing a successor conservator,
43 the court or court's designee shall give notice of the appointment to the

1 individual subject to conservatorship and any person entitled to notice
2 under section 93(f), and amendments thereto, or a subsequent order.

3 New Sec. 113. (a) A conservatorship for a minor terminates on the
4 earliest of:

- 5 (1) A court order terminating the conservatorship;
- 6 (2) the minor becoming an adult except as provided in section 114,
7 and amendments thereto;
- 8 (3) emancipation of the minor; or
- 9 (4) death of the minor.

10 (b) A conservatorship for an adult terminates on order of the court or
11 when the adult dies.

12 (c) An individual subject to conservatorship, the conservator, or a
13 person interested in the welfare of the individual may petition for:

14 (1) Termination of the conservatorship on the ground that a basis for
15 appointment under section 83, and amendments thereto, does not exist or
16 termination would be in the best interest of the individual or for other good
17 cause; or

18 (2) modification of the conservatorship on the ground that the extent
19 of protection or assistance granted is not appropriate or for other good
20 cause.

21 (d) The court shall hold a hearing to determine whether termination
22 or modification of a conservatorship is appropriate on:

23 (1) Petition under subsection (c) which contains allegations that, if
24 true, would support a reasonable belief that termination or modification of
25 the conservatorship may be appropriate, but the court may decline to hold
26 a hearing if a petition based on the same or substantially similar facts was
27 filed within the preceding six months;

28 (2) a communication from the individual subject to conservatorship,
29 conservator or person interested in the welfare of the individual which
30 supports a reasonable belief that termination or modification of the
31 conservatorship may be appropriate, including because the functional
32 needs of the individual or supports or services available to the individual
33 have changed;

34 (3) a report from a guardian or conservator which indicates that
35 termination or modification may be appropriate because the functional
36 needs or supports or services available to the individual have changed or a
37 protective arrangement instead of conservatorship or other less restrictive
38 alternative is available; or

39 (4) a determination by the court that a hearing would be in the best
40 interest of the individual.

41 (e) Notice of a petition under subsection (c) or of a hearing under this
42 section must be given to the individual subject to conservatorship, the
43 conservator, a person entitled to notice under section 93(f), and

1 amendments thereto, or a subsequent order, and any other person the court
2 determines.

3 (f) After the hearing, the court shall order termination unless it is
4 proven that a basis for appointment of a conservator under section 83, and
5 amendments thereto, continues to exist.

6 (g) The court shall modify the powers granted to a conservator if the
7 powers are excessive or inadequate due to a change in the abilities or
8 limitations of the individual subject to conservatorship, the individual's
9 supports or other circumstances.

10 (h) Unless the court otherwise orders for good cause, before
11 terminating a conservatorship, the court shall follow the same procedures
12 to safeguard the rights of the individual subject to conservatorship which
13 apply to a petition for conservatorship.

14 (i) An individual subject to conservatorship who seeks to terminate or
15 modify the terms of the conservatorship has the right to retain an attorney
16 to represent the individual in this matter. If the individual is not
17 represented by an attorney, the court shall appoint an attorney under the
18 same conditions as in section 88, and amendments thereto. The court shall
19 award reasonable attorney fees to the attorney as provided in section 42,
20 and amendments thereto.

21 (j) On termination of a conservatorship other than by reason of the
22 death of the individual subject to conservatorship, property of the
23 conservatorship estate passes to the individual. The order of termination
24 must direct the conservator to file a final report and petition for discharge
25 on approval by the court of the final report.

26 (k) On termination of a conservatorship by reason of the death of the
27 individual subject to conservatorship, the conservator promptly shall file a
28 final report and petition for discharge on approval by the court of the final
29 report. On approval of the final report, the conservator shall proceed
30 expeditiously to distribute the conservatorship estate to the individual's
31 estate or as otherwise ordered by the court. The conservator may take
32 reasonable measures necessary to preserve the conservatorship estate until
33 distribution can be made.

34 (l) The court shall issue a final order of discharge on the approval by
35 the court of the final report and satisfaction by the conservator of any other
36 condition the court imposed on the conservator's discharge.

37 (m) Not later than 30 days after entering an order under this section,
38 the court or the court's designee shall give notice of the order to the adult
39 subject to conservatorship and any person entitled to notice under section
40 93(f), and amendments thereto, or a subsequent order.

41 New Sec. 114. (a) A conservatorship for a minor may be extended
42 beyond the minor's 18th birthday if the minor consents or the court finds by
43 clear and convincing evidence that substantial harm to the minor's interests

1 is otherwise likely. A conservatorship may be extended under this section
2 until the minor reaches the age of 21 and may be extended for two
3 additional two-year periods upon the same finding by the court or upon
4 consent of the minor. Consent to the extension of a conservatorship may be
5 withdrawn at any time.

6 (b) Any request to extend a minor conservatorship under this section
7 must be accompanied by:

8 (1) A description of the funds or assets of the minor's estate which the
9 conservator proposes to distribute to the minor over an extended period
10 following the minor's 18th birthday;

11 (2) the factual basis upon which the conservator alleges the need for
12 such an extended distribution plan; and

13 (3) a proposed conservator's plan that describes how the distribution
14 will occur.

15 (c) The court shall appoint an attorney to represent the minor as
16 provided in section 88, and amendments thereto.

17 (d) After a hearing, the court may extend a conservatorship for a
18 minor and grant to the conservator the authority to establish an extended
19 distribution plan if the court finds by clear and convincing evidence that:

20 (1) Substantial harm to the minor's interests is likely if the
21 conservatorship is not extended; and

22 (2) the plan approved by the court adequately provides for meeting
23 the expected needs of the minor from the minor's 18th birthday until the
24 final distribution of the funds or assets which the court authorizes to be set
25 aside or transferred from the estate are paid over to the minor, including
26 provisions for accelerated distribution in extraordinary circumstances,
27 which may require court approval.

28 (e) If the court orders a conservatorship for a minor to be extended
29 under this section, the court shall order the conservator to report any
30 expenditure or transfer of funds or assets from the minor's estate for the
31 purposes of effectuating an extended distribution plan within the
32 conservator's next accounting.

33 (f) The court may extend the conservatorship with regard to specific
34 funds or assets of the minor's estate, even though other funds or assets of
35 the minor's estate are paid over to the minor upon the minor's becoming 18
36 years of age.

37 (g) The minor shall be without the power, voluntarily or involuntarily,
38 to sell, mortgage, pledge, hypothecate, assign, alienate, anticipate, transfer
39 or convey any interest in the principal or the income from any funds or
40 assets of the minor's estate set aside or transferred to effectuate a plan for
41 extended distribution until such is actually paid to the minor.

42 New Sec. 115. (a) Unless a person required to transfer funds or other
43 property to a minor knows that a conservator for the minor has been

1 appointed or a proceeding is pending for conservatorship, the person may
2 transfer an amount or value not exceeding \$25,000 in a 12-month period
3 to:

4 (1) A person that has care or custody of the minor and with whom the
5 minor resides;

6 (2) a guardian for the minor;

7 (3) a custodian under the uniform transfers to minors act; or

8 (4) a financial institution as a deposit in an interest-bearing account or
9 certificate solely in the name of the minor and shall give notice to the
10 minor of the deposit.

11 (b) A person that transfers funds or other property under this section
12 is not responsible for its proper application.

13 (c) A person that receives funds or other property for a minor under
14 subsection (a)(1) or (2) may apply it only to the support, care, education,
15 health or welfare of the minor, and may not derive a personal financial
16 benefit from it, except for reimbursement for necessary expenses. Funds
17 not applied for these purposes must be preserved for the future support,
18 care, education, health or welfare of the minor, and the balance, if any,
19 transferred to the minor when the minor becomes an adult or otherwise is
20 emancipated.

21 (d) Any accumulated balance under this section shall be subject to
22 other provisions of this act.

23 New Sec. 116. The parent of a minor has the right and responsibility
24 to hold in trust and manage for the minor's benefit all of the personal and
25 real property vested in such minor when the total of such property does not
26 exceed \$25,000 in value, unless a guardian or conservator has been
27 appointed for the minor.

28 New Sec. 117. (a) Any court having either control over or possession
29 of any amount of money not exceeding \$100,000, the right to which is
30 vested in a minor, shall have the discretion to authorize, without the
31 appointment of a conservator or the giving of bond, and notwithstanding
32 the authority of a parent as provided for in section 116, and amendments
33 thereto, the deposit of the money in a savings account of a bank, credit
34 union, savings and loan association or any other investment account that
35 the court may authorize, payable either to a conservator, if one shall be
36 appointed for the minor, or to the minor upon attaining 18 years of age.

37 (b) Any court having either control over or possession of any amount
38 of money not exceeding \$25,000, the right to which is vested in a minor,
39 shall have the discretion to order the payment of the money to any person,
40 including the parent of the minor, or the minor. If the person is the
41 conservator for the minor, the court may waive or recommend the waiver
42 of the requirement of a bond. If the person is anyone other than the minor,
43 the court shall order that person to hold in trust and manage the minor's

1 estate for the minor's benefit.

2 New Sec. 118. Any court having either control over or possession of
3 any amount of money not exceeding \$25,000, the right to which is vested
4 in an adult subject to guardianship, shall have the discretion to authorize,
5 without the appointment of a conservator or the giving of bond, the deposit
6 of the money in a savings account of a bank, credit union or savings and
7 loan association, payable to the guardian for the benefit of the adult subject
8 to guardianship if authorized pursuant to section 78(c), and amendments
9 thereto, payable to a conservator, if one shall be appointed for the adult, or
10 payable to the adult subject to guardianship upon termination of the
11 guardianship.

12 New Sec. 119. (a) On receiving a petition for a guardianship for an
13 adult, a court may order a protective arrangement instead of guardianship
14 as a less restrictive alternative to guardianship.

15 (b) On receiving a petition for a conservatorship for an individual, a
16 court may order a protective arrangement instead of conservatorship as a
17 less restrictive alternative to conservatorship.

18 (c) A person interested in an adult's welfare, including the adult or a
19 conservator for the adult, may petition under sections 119 through 130,
20 and amendments thereto, for a protective arrangement instead of
21 guardianship.

22 (d) The following persons may petition under sections 119 through
23 130, and amendments thereto, for a protective arrangement instead of
24 conservatorship:

25 (1) The individual for whom the protective arrangement is sought;

26 (2) a person interested in the property, financial affairs or welfare of
27 the individual, including a person that would be affected adversely by lack
28 of effective management of property or financial affairs of the individual;
29 and

30 (3) the guardian for the individual.

31 New Sec. 120. (a) After the hearing on a petition under section 65,
32 and amendments thereto, for a guardianship or under section 119(b), and
33 amendments thereto, for a protective arrangement instead of guardianship,
34 the court may issue an order under subsection (b) for a protective
35 arrangement instead of guardianship if the court finds by clear and
36 convincing evidence that:

37 (1) The respondent lacks the ability to meet essential requirements for
38 physical health, safety or self-care because the respondent is unable to
39 receive and evaluate information or make or communicate decisions, even
40 with appropriate supportive services, technological assistance or supported
41 decision making; and

42 (2) the respondent's identified needs cannot be met by a less
43 restrictive alternative.

1 (b) If the court makes the findings under subsection (a), the court,
2 instead of appointing a guardian, may:

3 (1) Authorize or direct a transaction necessary to meet the
4 respondent's need for health, safety or care, including:

5 (A) A particular medical treatment or refusal of a particular medical
6 treatment;

7 (B) a move to a specified place of dwelling; or

8 (C) visitation between the respondent and another person;

9 (2) order supervised visitation with, or restrict access to the
10 respondent by, a specified person whose access places the respondent at
11 serious risk of physical, psychological or financial harm; and

12 (3) order other arrangements on a limited basis that are appropriate.

13 (c) In deciding whether to issue an order under this section, the court
14 shall consider the factors under sections 76 and 77, and amendments
15 thereto, which a guardian must consider when making a decision on behalf
16 of an adult subject to guardianship.

17 (d) Any order issued under this section may include reporting
18 requirements, time limits, bond requirements or any other provisions
19 deemed necessary by the court.

20 New Sec. 121. (a) After the hearing on a petition under section 84,
21 and amendments thereto, for conservatorship for an adult or under section
22 119(c), and amendments thereto, for a protective arrangement instead of
23 conservatorship for an adult, the court may issue an order under subsection
24 (c) for a protective arrangement instead of conservatorship for the adult if
25 the court finds by clear and convincing evidence that:

26 (1) The adult is unable to manage property or financial affairs
27 because:

28 (A) Of a limitation in the ability to receive and evaluate information
29 or make or communicate decisions, even with appropriate supportive
30 services, technological assistance or supported decision making; or

31 (B) the adult is missing, detained, or unable to return to the United
32 States;

33 (2) an order under subsection (c) is necessary to:

34 (A) Avoid harm to the adult or significant dissipation of the property
35 of the adult; or

36 (B) obtain or provide funds or other property needed for the support,
37 care, education, health or welfare of the adult or an individual entitled to
38 the adult's support; and

39 (3) the respondent's identified needs cannot be met by a less
40 restrictive alternative.

41 (b) After the hearing on a petition under section 84, and amendments
42 thereto, for conservatorship for a minor or under section 119(c), and
43 amendments thereto, for a protective arrangement instead of

1 conservatorship for a minor, the court may issue an order under subsection
2 (c) for a protective arrangement instead of conservatorship for the
3 respondent if the court finds by a preponderance of the evidence that the
4 arrangement is in the minor's best interest, and:

5 (1) If the minor has a parent, the court gives weight to any
6 recommendation of the parent whether an arrangement is in the minor's
7 best interest;

8 (2) either:

9 (A) The minor owns money or property requiring management or
10 protection that otherwise cannot be provided;

11 (B) the minor has or may have financial affairs that may be put at
12 unreasonable risk or hindered because of the minor's age; or

13 (C) the arrangement is necessary or desirable to obtain or provide
14 funds or other property needed for the support, care, education, health or
15 welfare of the minor; and

16 (3) the order under subsection (c) is necessary or desirable to obtain
17 or provide money needed for the support, care, education, health or
18 welfare of the minor.

19 (c) If the court makes the findings under subsection (a) or (b), the
20 court, instead of appointing a conservator, may:

21 (1) Authorize or direct a transaction necessary to protect the financial
22 interest or property of the respondent, including:

23 (A) An action to establish eligibility for benefits;

24 (B) payment, delivery, deposit or retention of funds or property;

25 (C) sale, mortgage, lease or other transfer of property;

26 (D) purchase of an annuity;

27 (E) entry into a contractual relationship, including a contract to
28 provide for personal care, supportive services, education, training or
29 employment;

30 (F) addition to or establishment of a trust;

31 (G) ratification or invalidation of a contract, trust, will or other
32 transaction, including a transaction related to the property or business
33 affairs of the respondent; or

34 (H) settlement of a claim; or

35 (2) restrict access to the respondent's property by a specified person
36 whose access to the property places the respondent at serious risk of
37 financial harm.

38 (d) After the hearing on a petition under section 119(a)(2) or (c), and
39 amendments thereto, whether or not the court makes the findings under
40 subsection (a) or (b), the court may issue an order to restrict access to the
41 respondent or the respondent's property by a specified person that the court
42 finds by clear and convincing evidence:

43 (1) Through fraud, coercion, duress or the use of deception and

1 control caused or attempted to cause an action that would have resulted in
2 financial harm to the respondent or the respondent's property; and

3 (2) poses a serious risk of substantial financial harm to the respondent
4 or the respondent's property.

5 (e) Before issuing an order under subsection (c) or (d), the court shall
6 consider the factors under section 99, and amendments thereto, a
7 conservator must consider when making a decision on behalf of an
8 individual subject to conservatorship.

9 (f) Before issuing an order under subsection (c) or (d) for a
10 respondent who is a minor, the court also shall consider the best interest of
11 the minor, the preference of the parents of the minor and the preference of
12 the minor, if the minor is 12 years of age or older.

13 (g) Any order issued under this section may include reporting
14 requirements, time limits, bond requirements or any other provisions
15 deemed necessary by the court.

16 New Sec. 122. A verified petition for a protective arrangement
17 instead of guardianship or conservatorship must state the petitioner's name,
18 principal residence, current street address, if different, relationship to the
19 respondent, interest in the protective arrangement, the name and address of
20 any attorney representing the petitioner and, to the extent known, the
21 following:

22 (a) The respondent's name, age, principal residence, current street
23 address if different, and address of the dwelling in which it is proposed the
24 respondent will reside if the petition is granted;

25 (b) the name and address of the respondent's:

27 respondent has shared household responsibilities for more than six months

30 parent and adult sibling of the respondent, or, if none, at least one adult
31 nearest in kinship to the respondent who can be found with reasonable
32 diligence; and

33 (3) adult former stepchildren with whom the respondent had an
34 ongoing relationship in the two-year period immediately before the filing
35 of the petition;

36 (c) the name and current address of each of the following, if
37 applicable:

38 (1) A person primarily responsible for the care or custody of the
39 respondent;

1 another jurisdiction;

2 (5) a trustee or custodian of a trust or custodianship of which the
3 respondent is a beneficiary;

4 (6) the fiduciary appointed for the respondent by the department of
5 veterans affairs and any curator appointed under K.S.A. 73-507, and
6 amendments thereto;

7 (7) an agent designated under a power of attorney for healthcare in
8 which the respondent is identified as the principal;

9 (8) an agent designated under a power of attorney for finances in
10 which the respondent is identified as the principal;

11 (9) a person nominated as guardian or conservator by the respondent
12 if the respondent is 12 years of age or older;

13 (10) a person nominated as guardian by the respondent's parent or
14 spouse in a will or other signed record;

15 (11) a person known to have routinely assisted the respondent with
16 decision making in the six-month period immediately before the filing of
17 the petition; and

18 (12) if the respondent is a minor:

19 (A) An adult not otherwise listed with whom the respondent resides;
20 and

21 (B) each person not otherwise listed that had primary care or custody
22 of the respondent for at least 60 days during the two years immediately
23 before the filing of the petition or for at least 730 days during the five
24 years immediately before the filing of the petition;

25 (d) the nature of the protective arrangement sought;

26 (e) the reason the protective arrangement sought is necessary,
27 including a description of:

28 (1) The nature and extent of the respondent's alleged need;

29 (2) any less restrictive alternative for meeting the respondent's alleged
30 need which has been considered or implemented;

31 (3) if no less restrictive alternative has been considered or
32 implemented, the reason less restrictive alternatives have not been
33 considered or implemented; and

34 (4) the reason other less restrictive alternatives are insufficient to
35 meet the respondent's alleged need;

36 (f) the name and current address, if known, of any person with whom
37 the petitioner seeks to limit the respondent's contact and the reason why
38 limited contact with the respondent is necessary;

39 (g) whether the respondent needs an interpreter, translator, or other
40 form of support to communicate effectively with the court or understand
41 court proceedings;

42 (h) if a protective arrangement instead of guardianship is sought and
43 the respondent has property other than personal effects, a general

1 statement of the respondent's property with an estimate of its value,
2 including any insurance or pension, and the source and amount of any
3 other anticipated income or receipts; and

4 (i) if a protective arrangement instead of conservatorship is sought, a
5 general statement of the respondent's property with an estimate of its
6 value, including any insurance or pension, and the source and amount of
7 other anticipated income or receipts.

8 New Sec. 123. (a) On filing of a petition under section 119, and
9 amendments thereto, the court shall set a date, time and place for a hearing
10 on the petition.

11 (b) A copy of a petition under section 119, and amendments thereto,
12 and notice of a hearing on the petition must be served personally on the
13 respondent. The notice must inform the respondent of the respondent's
14 rights at the hearing, including the right to an attorney and to attend the
15 hearing. The notice must include a description of the nature, purpose and
16 consequences of granting the petition. The court may not grant the petition
17 if notice substantially complying with this subsection is not served on the
18 respondent. The court may order any of the following persons to serve the
19 notice upon the respondent:

20 (1) The petitioner or the attorney for the petitioner;
21 (2) the attorney appointed by the court to represent the respondent;
22 (3) any law enforcement officer; or
23 (4) any other person whom the court finds to be a proper person to
24 serve this notice.

25 (c) In a proceeding on a petition under section 119, and amendments
26 thereto, the notice required under subsection (b) must be given to the
27 persons required to be listed in the petition under section 122(a) through
28 (c), and amendments thereto, and any other person interested in the
29 respondent's welfare the court determines. Failure to give notice under this
30 subsection does not preclude the court from granting the petition.

31 (d) After the court has ordered a protective arrangement under
32 sections 119 through 130, and amendments thereto, notice of a hearing on
33 a petition for any other order filed under this act, together with a copy of
34 the petition, must be given to the respondent and any other person the
35 court determines.

36 New Sec. 124. (a) On filing of a petition under section 119, and
37 amendments thereto, for a protective arrangement instead of guardianship,
38 the court may appoint a court liaison. The court liaison must be an
39 individual with training or experience in the type of abilities, limitations
40 and needs alleged in the petition.

41 (b) On filing of a petition under section 119, and amendments thereto,
42 for a protective arrangement instead of conservatorship for a minor, the
43 court may appoint a court liaison to investigate a matter related to the

1 petition or inform the minor or a parent of the minor about the petition or a
2 related matter.

3 (c) On filing of a petition under section 119, and amendments thereto,
4 for a protective arrangement instead of conservatorship for an adult, the
5 court may appoint a court liaison. The court liaison must be an individual
6 with training or experience in the types of abilities, limitations and needs
7 alleged in the petition.

8 (d) A court liaison appointed under subsection (a) or (c) shall
9 interview the respondent in person and in a manner the respondent is best
10 able to understand:

11 (1) Explain, in general, the petition, and the nature and purpose of the
12 proceeding including the potential loss of rights as a result of the
13 proceeding;

14 (2) obtain the respondent's views with respect to the order sought;

15 (3) if the petitioner seeks an order related to the dwelling of the
16 respondent, visit the respondent's present dwelling and any dwelling in
17 which it is reasonably believed the respondent will live if the order is
18 granted;

19 (4) if a protective arrangement instead of guardianship is sought,
20 obtain information from any physician or other provider known to have
21 treated, advised or assessed the respondent's relevant physical or mental
22 condition, to the extent that such information has not already been
23 provided to the court;

24 (5) if a protective arrangement instead of conservatorship is sought,
25 review financial records of the respondent, if relevant to the court liaison's
26 recommendation under subsection (e)(2); and

27 (6) investigate the allegations in the petition and any other matter
28 relating to the petition as directed by the court, including, but not limited
29 to, the respondent's family relationships, past conduct, the nature and
30 extent of any property or income of the respondent, whether the
31 respondent is likely to injure self or others and other matters as the court
32 may specify.

33 (e) A court liaison under this section promptly shall file a report with
34 the court at least 10 days prior to the hearing on the petition or other
35 hearing as directed by the court. Unless otherwise ordered by the court,
36 such report must include:

37 (1) To the extent relevant to the order sought, a summary of self-care,
38 independent-living tasks and financial-management tasks the respondent:

39 (A) Can manage without assistance or with existing supports;

40 (B) could manage with the assistance of appropriate supportive
41 services, technological assistance or supported decision making; and

42 (C) cannot manage;

43 (2) a recommendation regarding the appropriateness of the protective

1 arrangement sought and whether a less restrictive alternative for meeting
2 the respondent's needs is available;

3 (3) if the petition seeks to change the physical location of the
4 dwelling of the respondent, a statement whether the proposed dwelling
5 meets the respondent's needs and whether the respondent has expressed a
6 preference as to the respondent's dwelling;

7 (4) a statement whether the respondent is able to attend a hearing at
8 the location court proceedings typically are held;

9 (5) a statement whether the respondent is able to participate in a
10 hearing and which identifies any technology or other form of support that
11 would enhance the respondent's ability to participate; and

12 (6) any other matter the court directs.

13 (f) The costs of an investigation by a court liaison shall be assessed as
14 provided for in section 42, and amendments thereto.

15 New Sec. 125. (a) Unless the respondent in a proceeding under
16 sections 119 through 130, and amendments thereto, is represented by an
17 attorney, the court shall appoint an attorney to represent the respondent,
18 regardless of the respondent's ability to pay. The court shall give
19 preference in the appointment of an attorney to an attorney whom the
20 respondent has requested or to any attorney who has represented the
21 respondent in other matters if the court has knowledge of that prior
22 representation.

23 (b) An attorney representing the respondent in a proceeding under
24 sections 119 through 130, and amendments thereto, shall:

25 (1) Make reasonable efforts to ascertain the respondent's wishes;

26 (2) advocate for the respondent's wishes to the extent reasonably
27 ascertainable; and

28 (3) if the respondent's wishes are not reasonably ascertainable,
29 advocate for the result that is the least restrictive alternative in type,
30 duration and scope, consistent with the respondent's interests.

31 (c) The court may appoint an attorney to represent a parent of a minor
32 who is the subject of a proceeding under sections 119 through 130, and
33 amendments thereto, if:

34 (1) The parent objects to the entry of an order for a protective
35 arrangement instead of guardianship or conservatorship;

36 (2) the court determines that counsel is needed to ensure that consent
37 to the entry of an order for a protective arrangement is informed; or

38 (3) the court otherwise determines the parent needs representation.

39 (d) An attorney representing the respondent shall interview the
40 respondent in person and, in a manner the respondent is best able to
41 understand:

42 (1) Explain to the respondent the substance of the petition, the nature,
43 purpose and effect of the proceeding, and the respondent's rights at the

1 hearing on the petition;

2 (2) determine the respondent's views about the order sought by the
3 petitioner; and

4 (3) inform the respondent that all costs and expenses of the
5 proceeding, including respondent's attorney fees, may be paid from the
6 respondent's assets.

7 New Sec. 126. (a) Upon the filing of the petition or any other time at
8 or before the hearing, if the contents of the petition or evidence at the
9 hearing support a prima facie case of the need for a protective
10 arrangement, the court shall order an examination and evaluation of the
11 respondent to be conducted through a general hospital, psychiatric
12 hospital, community mental health center, or community developmental
13 disability organization, or by a licensed physician, psychiatrist,
14 psychologist, physician assistant, nurse practitioner, social worker or other
15 professional appointed by the court who is qualified to evaluate the
16 respondent's alleged cognitive and functional abilities and limitations and
17 will not be advantaged or disadvantaged by a decision to grant the petition
18 or otherwise have a conflict of interest.

19 (b) Unless otherwise specified by the court, the report of the
20 examination and evaluation submitted to the court shall contain:

21 (1) The respondent's name, age and date of birth;

22 (2) a description of the respondent's physical and mental condition;

23 (3) a description of the nature and extent of the respondent's cognitive
24 and functional abilities and limitations, including adaptive behaviors and
25 social skills, and, as appropriate, educational and developmental potential;

26 (4) a summary of self-care and independent-living tasks the
27 respondent can manage without assistance or with existing supports, could
28 manage with the assistance of appropriate supportive services,
29 technological assistance or supported decision making, and cannot
30 manage;

31 (5) a prognosis for any improvement and, as appropriate, any
32 recommendation for treatment or rehabilitation;

33 (6) a list and description of any prior assessments, evaluations or
34 examinations of the respondent, including the dates thereof, which were
35 relied upon in the preparation of this evaluation;

36 (7) the date and location where this examination and evaluation
37 occurred, and the name or names of the professional or professionals
38 performing the examination and evaluation and such professional's
39 qualifications;

40 (8) a statement by the professional that the professional has
41 personally completed an independent examination and evaluation of the
42 respondent, and that the report submitted to the court contains the results
43 of that examination and evaluation, and the professional's opinion with

1 regard to the issues of whether or not the respondent is in need of a
2 guardian and whether there are barriers to the respondent's attendance and
3 participation at the hearing on the petition; and

4 (9) the signature of the professional who prepared the report.

5 (c) The professional shall file with the court, at least five days prior to
6 the date of the trial, such professional's written report concerning the
7 examination and evaluation ordered by the court. The report shall be made
8 available by the court to counsel for all parties.

9 (d) In lieu of entering an order for an examination and evaluation as
10 provided for in this section, the court may determine that the report
11 accompanying the petition is in compliance with the requirements of this
12 section and that no further examination or evaluation should be required,
13 unless the respondent, or such person's attorney, requests such an
14 examination and evaluation in writing. Any such request shall be filed with
15 the court, and a copy thereof delivered to the petitioner, at least four days
16 prior to the date of the trial. Accompanying the request shall be a statement
17 of the reasons why an examination and evaluation is requested and the
18 name and address of a qualified professional or facility willing and able to
19 conduct this examination and evaluation. If the court orders a further
20 examination and evaluation, the court may continue the trial and fix a new
21 date, time and place of the trial at a time not to exceed 30 days from the
22 date of the filing of the request.

23 New Sec. 127. (a) Except as otherwise provided in subsection (b), a
24 hearing under sections 119 through 130, and amendments thereto, may not
25 proceed unless the respondent attends the hearing. If it is not reasonably
26 feasible for the respondent to attend a hearing at the location where court
27 proceedings typically are held, the court shall make reasonable efforts to
28 hold the hearing at an alternative location convenient to the respondent or
29 allow the respondent to attend the hearing using real-time audio-visual
30 technology.

31 (b) A hearing under sections 119 through 130, and amendments
32 thereto, may proceed without the respondent in attendance if the court
33 finds by clear and convincing evidence that:

34 (1) The respondent is choosing not to attend the hearing after having
35 been fully informed of the right to attend and the potential consequences
36 of failing to do so;

37 (2) there is no practicable way for the respondent to attend and
38 participate in the hearing even with appropriate supportive services and
39 technological assistance; or

40 (3) the respondent is a minor who has received proper notice and
41 attendance would be harmful to the minor.

42 (c) The respondent may be assisted in a hearing under sections 119
43 through 130, and amendments thereto, by a person or persons of the

1 respondent's choosing, assistive technology or an interpreter or translator,
2 or a combination of these supports. If assistance would facilitate the
3 respondent's participation in the hearing, but is not otherwise available to
4 the respondent, the court shall make reasonable efforts to provide it.

5 (d) The respondent has a right to retain an attorney to represent the
6 respondent at a hearing under sections 119 through 130, and amendments
7 thereto.

8 (e) At a hearing under sections 119 through 130, and amendments
9 thereto, the respondent may:

10 (1) Present evidence and subpoena witnesses and documents;
11 (2) examine witnesses, including any court-appointed evaluator and
12 the court liaison; and

13 (3) otherwise participate in the hearing.

14 (f) A hearing under sections 119 through 130, and amendments
15 thereto, must be closed on request of the respondent and a showing of
16 good cause.

17 (g) Any person may request to participate in a hearing under sections
18 119 through 130, and amendments thereto. The court may grant the
19 request, with or without a hearing, on determining that the best interest of
20 the respondent will be served. The court may impose appropriate
21 conditions on the person's participation.

22 New Sec. 128. The court shall give notice of an order under sections
23 119 through 130, and amendments thereto, to the individual who is subject
24 to the protective arrangement instead of guardianship or conservatorship, a
25 person whose access to the individual is restricted by the order and any
26 other person the court determines.

27 New Sec. 129. (a) The existence of a proceeding for or the existence
28 of a protective arrangement instead of guardianship or conservatorship is a
29 matter of public record unless the court seals the record after:

30 (1) The respondent, the individual subject to the protective
31 arrangement, or the parent of a minor subject to the protective arrangement
32 requests the record be sealed; and

33 (2) either:

34 (A) The proceeding is dismissed;

35 (B) the protective arrangement is no longer in effect; or

36 (C) an act authorized by the order granting the protective arrangement
37 has been completed.

38 (b) (1) An order of protective arrangement is a matter of public record
39 unless sealed by the court. All other court records of the proceeding
40 relating to the protective arrangement are not a matter of public record
41 except as further provided.

42 (2) The following persons may access court records of the proceeding
43 and resulting protective arrangement:

- 1 (A) A respondent;
2 (B) an individual subject to a protective arrangement instead of
3 guardianship or conservatorship;
4 (C) an attorney designated by the respondent or individual;
5 (D) a parent of a minor subject to a protective arrangement; and
6 (E) a licensed attorney, abstractor, or title insurance agent.

7 (3) A person not otherwise entitled to access to court records under
8 this subsection for good cause may request permission from the court for
9 access. The court shall grant access if access is in the best interest of the
10 respondent or individual subject to the protective arrangement or furthers
11 the public interest and does not endanger the welfare or financial interests
12 of the respondent or individual.

13 (c) A report of a court liaison or professional evaluation generated in
14 the course of a proceeding under sections 119 through 130, and
15 amendments thereto, must be sealed on filing but is available to:

- 16 (1) The court;
17 (2) the individual who is the subject of the report or evaluation,
18 without limitation as to use;
19 (3) the petitioner, court liaison and petitioner's and respondent's
20 attorneys, for purposes of the proceeding;
21 (4) unless the court orders otherwise, an agent appointed under a
22 power of attorney for finances in which the respondent is the principal;
23 (5) if the order is for a protective arrangement instead of guardianship
24 and unless the court orders otherwise, an agent appointed under a power of
25 attorney for healthcare in which the respondent is identified as the
26 principal; and
27 (6) any other person if it is in the public interest or for a purpose the
28 court orders for good cause.

29 New Sec. 130. The court may appoint a facilitator to assist in
30 implementing a protective arrangement under sections 119 through 130,
31 and amendments thereto. The facilitator has the authority conferred by the
32 order of appointment and serves until discharged by court order.

33 New Sec. 131. For purposes of this act, the judicial council shall
34 develop a statement of rights form, petition forms and report and
35 accounting forms.

36 New Sec. 132. In applying and construing this uniform act,
37 consideration must be given to the need to promote uniformity of the law
38 with respect to its subject matter among states that enact it.

39 New Sec. 133. This act modifies, limits or supersedes the electronic
40 signatures in global and national commerce act, 15 U.S.C. § 7001 et seq.,
41 but does not modify, limit or supersede section 101(c) of that act, 15
42 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices
43 described in section 103(b) of that act, 15 U.S.C. § 7003(b).

1 New Sec. 134. (a) This act applies to:

2 (1) A proceeding for appointment of a guardian or conservator or for
3 a protective arrangement instead of guardianship or conservatorship
4 commenced after January 1, 2026; and

5 (2) except as provided in subsection (b), a guardianship,
6 conservatorship or protective arrangement instead of guardianship or
7 conservatorship in existence on January 1, 2026, unless the court finds
8 application of a particular provision of this act would substantially
9 interfere with the effective conduct of the proceeding or prejudice the
10 rights of a party, in which case the particular provision of this act does not
11 apply and the superseded law applies.

12 (b) Sections 79 and 103, and amendments thereto, mandating a
13 guardian's plan or conservator's plan shall not apply to guardianships or
14 conservatorships in existence on January 1, 2026, unless the court orders
15 that a guardian's plan or conservator's plan is required.

16 New Sec. 135. If any provision of this act or its application to any
17 person or circumstance is held invalid, the invalidity does not affect other
18 provisions or applications of this act which can be given effect without the
19 invalid provision or application, and to this end the provisions of this act
20 are severable.

21 Sec. 136. K.S.A. 9-1215 is hereby amended to read as follows: 9-

24 state that provides that at the time of the owner's death, the balance of the
25 owner's legal share of the account shall be paid to one or more
26 beneficiaries. If a beneficiary has predeceased the owner, that beneficiary's
27 share shall be divided equally among the remaining beneficiaries unless
28 the contract provides otherwise.

29 (b) If any beneficiary is a minor at the time funds become payable to
30 the beneficiary pursuant to this section, the bank shall pay out in
31 accordance with ~~K.S.A. 59-3053~~ *section 116*, and amendments thereto.

32 (c) During the owner's lifetime, the owner has the right to both
33 withdraw funds on deposit in the account in the manner provided in the
34 contract, in whole or in part, as though no beneficiary has been named, and
35 to change the designation of beneficiary. No change in the designation of
36 the beneficiary shall be valid unless executed in the form and manner
37 prescribed by the bank and delivered to the bank prior to the death of the
38 owner.

39 (d) The interest of the beneficiary shall not vest until the death of the
40 owner. Vesting of the beneficiary's interest is subject to the following if,
41 prior to the owner's death or payment to the beneficiary, the bank has
42 received written notice:

43 (1) From the department for children and families of a claim pursuant

1 to K.S.A. 39-709, and amendments thereto, the balance of the owner's
2 share shall be paid to the department for children and families to the extent
3 of medical assistance expended on the deceased owner, with the
4 beneficiary then receiving the balance of the owner's share, if any remains;
5 or

7 under K.S.A. 59-6a214, and amendments thereto, the balance of the
8 owner's share shall be paid to the court having jurisdiction as provided in
9 K.S.A. 59-6a214, and amendments thereto, to the extent of the owner's
10 surviving spouse's elective share, with the beneficiary then receiving the
11 balance of the owner's share, if any remains.

12 (e) Transfers pursuant to this section shall not be considered
13 testamentary or be invalidated due to nonconformity with the provisions of
14 chapter 59 of the Kansas Statutes Annotated, and amendments thereto.

15 (f) Payment by the bank of the owner's deposit account pursuant to
16 the provisions of this section shall release and discharge the bank from
17 further liability for the payment.

18 (g) For the purposes of this section:

19 (1) The balance of the owner's deposit account or the balance of the
20 owner's legal share of a deposit account shall be construed to not include
21 any portion of the account which under the law of joint tenancy is the
22 property of another joint tenant of the account upon the death of the
23 owner; and

24 (2) where multiple owners exist, such owners will be presumed to
25 own equal shares of the deposit account unless the deposit contract with
26 the bank specifies a different percentage of ownership for the owners.

27 Sec. 137. K.S.A. 17-2263 is hereby amended to read as follows: 17-
28 2263. (a) Subject to the provisions of this section and K.S.A. 17-2264, and
29 amendments thereto, an individual adult or minor, hereafter referred to as
30 the member, may enter into a written contract with any credit union
31 located in this state providing that the balance of the member's account, or
32 the balance of the member's legal share of an account, at the time of death
33 of the member shall be made payable on the death of the member to one or
34 more persons or, if the persons predecease the owner, to another person or
35 persons, hereafter referred to as the beneficiary or beneficiaries. If any
36 beneficiary is a minor at the time the account, or any portion of the
37 account, becomes payable to the beneficiary and the balance, or portion of
38 the balance, exceeds the amount specified by ~~K.S.A. 59-3053~~ *section 116*,
39 and amendments thereto, the moneys shall be payable only to a
40 conservator of the minor beneficiary.

41 (b) Transfers pursuant to this section shall not be considered
42 testamentary or be invalidated due to nonconformity with the provisions of
43 chapter 59 of the Kansas Statutes Annotated, and amendments thereto.

1 (c) Every contract authorized by this section shall be considered to
2 contain a right on the part of the member during the member's lifetime
3 both to withdraw funds on deposit in the account in the manner provided
4 in the contract, in whole or in part, as though no beneficiary has been
5 named, and to change the designation of beneficiary. The interest of the
6 beneficiary shall be considered not to vest until the death of the member
7 and, if there is a claim pursuant to K.S.A. 39-709, and amendments
8 thereto, until such claim is satisfied.

9 (d) No change in the designation of the beneficiary shall be valid
10 unless executed in the form and manner prescribed by the credit union and
11 delivered to the credit union prior to the death of the member.

12 (e) For the purposes of this section, the balance of the member's
13 account or the balance of the member's legal share of an account shall not
14 be construed to include any portion of the account that under the law of
15 joint tenancy is the property of another joint tenant of the account, upon
16 the death of the owner.

22 contract authorized in K.S.A. 17-2263, and amendments thereto, the
23 shareholder's account subject to the contract or any part of or interest on
24 the account shall be paid by the credit union to the shareholder or pursuant
25 to the shareholder's order during the shareholder's lifetime. On the
26 shareholder's death, the deposit account or any part of or interest on the
27 account shall be paid by the credit union to the secretary for children and
28 families for a claim pursuant to K.S.A. 39-709, and amendments thereto,
29 or, if there is no such claim or if any portion of the account remains after
30 such claim is satisfied, to the designated beneficiary or beneficiaries. If
31 any designated beneficiary is a minor at the time the account, or any
32 portion of the account, becomes payable to the beneficiary and the
33 balance, or portion of the balance, exceeds the amount specified by ~~K.S.A.~~
34 ~~59-3053~~ *section 116*, and amendments thereto, the credit union shall pay
35 the moneys or any interest on them only to a conservator of the minor
36 beneficiary. The receipt of the conservator shall release and discharge the
37 credit union for the payment.

16 best interests of the principal, and to avoid self-dealing and conflicts of
17 interest, as in the case of a trustee with respect to the trustee's beneficiary

8 distributees of a deceased principal's estate whose claims or distributions
9 theretofore have not been satisfied in full. The approval or waiver shall be
10 in writing, signed by the affected persons and filed with the court.

11 (c) For the purposes of subsection (b), a legal representative or a
12 person providing services to the principal's estate shall not be considered a
13 creditor of the principal's estate. No express approval or waiver shall be
14 required from the legal representative of a disabled principal if the
15 principal's legal capacity has been restored, or from the personal
16 representative of a deceased principal's estate, or from any other person
17 entitled to compensation or expense for services rendered to a disabled or
18 deceased principal's estate, unless the principal or the principal's estate is
19 unable to pay in full the compensation and expense to which the person

43 *guardianship, conservatorship and other protective arrangements act,*

1 *sections 24 through 135, and amendments thereto.*

2 (f) In addition to any other remedies available under law, if after

4 the principal is a disabled person and that the attorney in fact has breached
5 such attorney in fact's fiduciary duty to the principal or that there is a
6 reasonable likelihood that such attorney in fact may do so in the immediate
7 future, the court, in its discretion, may issue an order that some or all of
8 the authority granted by the durable power of attorney be suspended or
9 modified, and that a different attorney in fact be authorized to exercise
10 some or all of the powers granted by the durable power of attorney. Such

22 a legal guardian, and the district court which has jurisdiction over the
23 patient of the patient's voluntary status. When a notice of voluntary

31 (b) (1) If the voluntary patient is an adult admitted upon the
32 application of a legal guardian or pursuant to an order of the court issued
33 pursuant to ~~K.S.A. 59-3077~~ *sections 77 and 78*, and amendments thereto,
34 any request for discharge must be made, in writing, by the legal guardian.

35 (2) If the voluntary patient is a minor, the written request for
36 discharge shall be made by the child's parent or legal guardian except if the
37 minor was admitted upon their own written application to become a
38 voluntary patient made pursuant to K.S.A. 59-29b49 and amendments
39 thereto, then the minor may make the request. In the case of a minor 14 or
40 more years of age who had made written application to become a
41 voluntary patient on their own behalf and who has requested to be
42 discharged, the head of the treatment facility shall promptly inform the
43 child's parent, legal guardian or other person known to the head of the

10 order shall in no event be earlier than seven days or later than 14 days after
11 the date of the filing of the petition. If a demand for a trial by jury is later
12 filed by the proposed patient, the court may continue the trial and fix a
13 new time and place of the trial at a time that may exceed beyond the 14
14 days but shall be fixed within a reasonable time not exceeding 30 days
15 from the date of the filing of the demand.

16 (2) An order that the proposed patient appear at the time and place of
17 the hearing and providing that the proposed patient's presence will be
18 required at the hearing unless the attorney for the proposed patient shall
19 make a request that the proposed patient's presence be waived and the
20 court finds that the proposed patient's presence at the hearing would be
21 injurious to the proposed patient's welfare. The order shall further provide
22 that notwithstanding the foregoing provision, if the proposed patient
23 requests in writing to the court or to such person's attorney that the
24 proposed patient wishes to be present at the hearing, the proposed patient's
25 presence cannot be waived.

26 (3) An order appointing an attorney to represent the proposed patient
27 at all stages of the proceedings and until all orders resulting from such
28 proceedings are terminated. The court shall give preference, in the
29 appointment of this attorney, to any attorney who has represented the

31 representation. The proposed patient shall have the right to engage an
32 attorney of the proposed patient's own choice and, in such event, the
33 attorney appointed by the court shall be relieved of all duties by the court.

34 (4) An order that the proposed patient shall appear at a time and place
35 that is in the best interests of the patient where the proposed patient will
36 have the opportunity to consult with the proposed patient's court-appointed
37 attorney, which time shall be at least five days prior to the date set for the
38 trial under K.S.A. 59-29b65, and amendments thereto.

39 (5) An order for an evaluation as provided for in K.S.A. 59-29b61,
40 and amendments thereto.

41 (6) A notice as provided for in K.S.A. 59-29b63, and amendments
42 thereto.

43 (7) If the petition also contains allegations as provided for in ~~K.S.A.~~

3 determination of the need for a legal guardian or conservator, or both, to
4 act on behalf of the proposed patient. For these purposes, the trials
5 required by K.S.A. 59-29b65 ~~and K.S.A. 59-3067~~, and amendments
6 thereto, *sections 30, 53, 55, 66 and 70, and amendments thereto*, may be
7 consolidated.

8 (8) If the petitioner shall not have named a proposed treatment
9 facility to which the proposed patient may be sent as provided for
10 ~~subsection (b)(8) of~~ in K.S.A. 59-29b57(b)(8), and amendments thereto,
11 but instead stated that the secretary for aging and disability services has
12 been notified and requested to determine which treatment facility the
13 proposed patient should be sent to, then the court shall issue an order
14 requiring the secretary, or the secretary's designee, to make that
15 determination and to notify the court of the name and address of that
16 treatment facility by such time as the court shall specify in the court's
17 order.

18 (b) Nothing in this section shall prevent the court from granting an
19 order of continuance, for good cause shown, to any party for no longer
20 than seven days, except that such limitation does not apply to a request for
21 an order of continuance made by the proposed patient or to a request made
22 by any party if the proposed patient is absent such that further proceedings
23 can not be held until the proposed patient has been located. The court also,
24 upon the request of any party, may advance the date of the hearing if
25 necessary and in the best interests of all concerned.

26 Sec. 156. K.S.A. 2024 Supp. 59-29c03 is hereby amended to read as
27 follows: 59-29c03. (a) The fact that a person has been detained for
28 emergency observation and treatment under this act shall not be construed
29 to mean that such person shall have lost any civil right such person would
30 otherwise have as a resident or citizen, any property right or legal capacity,
31 except as may be specified within any court order or as otherwise limited
32 by the provisions of this act or the reasonable policies which the head of a
