1 derived from state and local sales, use and transient guest tax imposed
2 pursuant to K.S.A. 12-187 et seq., 12-1692 et seq., 79-3601 et seq. and 79-
3 3701 et seq., and amendments thereto, collected from taxpayers doing
4 business within that portion of a STAR bond project district occupied by a
5 project that is in excess of the amount of base year revenue. For purposes
6 of this subsection, the base year shall be the 12-month period immediately
7 prior to the month in which the STAR bond project district is established.
8 The department of revenue shall determine base year revenue by reference
9 to the revenue collected during the base year from taxpayers doing
10 business within the specific area in which a STAR bond project district is
11 subsequently established. The base year of a STAR bond project district,
12 following the addition of area to the STAR bond project district, shall be
13 the base year for the original area, and with respect to the additional area,
14 the base year shall be any 12-month period immediately prior to the month
15 in which additional area is added to the STAR bond project district. For
16 purposes of this subsection, revenue collected from taxpayers doing
17 business within a STAR bond project district, or within a specific area in
18 which a STAR bond project district is subsequently established shall not
19 include local sales and use tax revenue that is sourced to jurisdictions other
20 than those in which the project is located. The secretary of revenue and the
21 secretary of commerce shall certify the appropriate amount of base year
22 revenue for taxpayers relocating from within the state into a STAR bond
23 district.

24 (2) With respect to any STAR bond project district as defined in
25 subsection (cc)(2), "tax increment" may include all revenue described in
26 paragraph (1) collected from retail sales from any business within such
27 STAR bond project district. "Tax increment" shall include all revenue
28 derived from the sale of alcoholic liquor as defined in K.S.A. 79-41a01,
29 and amendments thereto, pursuant to K.S.A. 79-4101 and 79-41a02, and
30 amendments thereto, collected from consumers purchasing alcoholic
31 liquor within such STAR bond project district that is in excess of the
32 amount of base year revenue for such taxes. The "tax increment" for any
33 such STAR bond project district that has been independently established
34 by the secretary as provided by K.S.A. 12-17,164, and amendments
35 thereto, shall not include local sales, use or transient guest tax imposed
36 pursuant to K.S.A. 12-187 et seq. and 12-1692 et seq., and amendments
37 thereto, unless approved by a participating city or county as provided by
38 K.S.A. 12-17,164, and amendments thereto. If a STAR bond project
39 district as defined in subsection (cc)(2) includes real property that is or has
40 been part of another previously approved STAR bond project district, the
41 "tax increment" shall also exclude that portion of state and local sales, use
42 or transient guest tax revenue pledged to repayment of any STAR bonds
43 issued for a previously approved STAR bond project within such other

1 district while such bonds are outstanding. The amount of base year
2 revenue for any revenue derived from the sale of alcoholic liquor and any
3 state sales and use taxes shall be set by the secretary in the secretary's sole
4 discretion upon the establishment of a STAR bond project district as
5 defined in K.S.A. 12-17,162(cc)(2), and amendments thereto. If local
6 sales, use or transient guest tax revenue are also pledged by a city or
7 county, whether such city or county is participating with the secretary, or is
8 itself establishing such STAR bond project district, as provided by K.S.A.
9 12-17,164, and amendments thereto, the amount of base year revenue for
10 such local tax revenues shall be set by the city or county in the city or
11 county's discretion and approved by the secretary. Base year revenue
12 determinations by the secretary or by the city or county as approved by the
13 secretary shall not be required to be based on the procedure provided in
14 paragraph (1).

15 (ii) "Taxpayer" means a person, corporation, limited liability
16 company, S corporation, partnership, registered limited liability
17 partnership, foundation, association, nonprofit entity, sole proprietorship,
18 business trust, group or other entity that is subject to the Kansas income
19 tax act, K.S.A. 79-3201 et seq., and amendments thereto.

25 of county commissioners by the passage of a county resolution.

26 (ii) The governing body of a county may establish one or more STAR
27 bond projects in any unincorporated area of the county.

28 (iii) No STAR bond project as defined by K.S.A. 12-17,162(aa)(2),
29 and amendments thereto, shall be established by a city or county unless

34 amendments thereto, established independently by the secretary pursuant
35 to an agreement authorized by K.S.A. ~~2024~~ **{2025}** Supp. 12-17,181, and
36 amendments thereto, by pledging local sales, use and transient guest tax
37 revenues for the repayment of STAR bonds issued by the Kansas
38 development finance authority pursuant to this section and K.S.A. 12-
39 17,169, and amendments thereto. If the governing body of the city or
40 county elects to participate, the governing body of the city or county shall
41 hold a public hearing and pass an appropriate ordinance or resolution
42 specifying the city or county's pledge of such local revenues that meet any

11 secretary, a STAR bond project as defined in K.S.A. 12-17,162(aa)~~(2)~~, and
12 amendments thereto, may be financed by the Kansas development finance
13 authority as provided by K.S.A. 12-17,169, and amendments thereto.

14 (2) In lieu of the procedure required for a city or county to establish a
15 STAR bond project district and a STAR bond project set forth in K.S.A.
16 12-17,165 and 12-17,166, and amendments thereto, or to finance a project,
17 the secretary may independently establish a STAR bond project district as
18 defined in K.S.A. 12-17,162(cc)(2), and amendments thereto, undertake a
19 STAR bond project as defined in K.S.A. 12-17,162(aa)(2), and
20 amendments thereto, or finance such a STAR bond project through special
21 obligation bonds issued by the Kansas development finance authority as

24 otherwise provided, in addition to all powers granted to the secretary, the
25 secretary shall have the powers of a city or county as provided by the

36 guest taxes imposed pursuant to K.S.A. 12-187 et seq. and 12-1692 et seq.,
37 and amendments thereto, shall be pledged as a source of repayment of
38 such special obligation bonds unless approved by the city or county as
39 provided by paragraph (1)(B). Such bonds shall not be a general obligation
40 of the state. Any such bonds and interest thereon shall be an obligation
41 only of the Kansas development finance authority and shall not constitute
42 a debt of the state of Kansas within the meaning of section 6 or 7 of article
43 11 of the constitution of the state of Kansas and shall not pledge the full

15 thereto. Except as provided in paragraph (2), the secretary, upon approving
16 the project, may approve such financing in an amount not to exceed 50%
17 of the total costs including all project costs and any other costs related to
18 the project. The proceeds of such STAR bond financing may only be used
19 to pay for incurred project costs.

20 (2) For a STAR bond project as defined in K.S.A 12-17,162(aa)(2),
21 and amendments thereto, the secretary may approve such financing issued
22 by the city or county or by the Kansas development finance authority, as
23 applicable, in an amount not to exceed 70% of the total costs including all
24 project costs and any other costs related to the project.

35 amendments thereto.

36 (2) The provisions of paragraph (1) shall not apply to a STAR bond
37 project as defined in K.S.A. 12-17,162(aa)(2), and amendments thereto.

38 (f) A project shall not be approved by the secretary if the market
39 study required by K.S.A. 12-17,166, and amendments thereto, indicates a
40 substantial negative impact upon businesses in the project or complex
41 market area or the granting of such project or complex would cause a
42 default in the payment of any outstanding special obligation bond payable
43 from revenues authorized pursuant to K.S.A. 12-17,169(a)(1), and

1 amendments thereto.

2 (g) (1) Except as provided in paragraph (2), the maximum maturity of
3 special obligation bonds payable primarily from revenues described by
4 K.S.A. 12-17,169(a)(1), and amendments thereto, to finance STAR bond

6 considered an exception to the requirements of the open meetings act
7 pursuant to K.S.A. 75-4319(b)(4), and amendments thereto, and closed to
8 the public. All information relating to the project provided or disseminated

7 *(6) Under no circumstance shall state general fund moneys be*
8 *pledged for the repayment of any special obligation bond issued by a city*
9 *or county to finance a STAR bond project pursuant to subsection (a)(1) or*
10 *(a)(2).*

11 (b) (1) Subject to the provisions of subsection (b)(2), any city shall
12 have the power to issue full faith and credit tax increment bonds to finance
13 the undertaking, establishment or redevelopment of any major motorsports
14 complex, as defined in K.S.A. 12-17,162, and amendments thereto. Such
15 full faith and credit tax increment bonds shall be made payable, both as to
16 principal and interest: (A) From the revenue sources identified in
17 subsection (a)(1) or by any combination of these sources; and (B) subject
18 to the provisions of subsection (b)(2), from a pledge of the city's full faith
19 and credit to use its ad valorem taxing authority for repayment thereof in
20 the event all other authorized sources of revenue are not sufficient.

21 (2) Except as provided in subsection (b)(3), before the governing
22 body of any city proposes to issue full faith and credit tax increment bonds
23 as authorized by this subsection, the feasibility study required by K.S.A.
24 12-17,166(b), and amendments thereto, shall demonstrate that the benefits
25 derived from the project will exceed the cost and that the income
26 therefrom will be sufficient to pay the costs of the project. No full faith
27 and credit tax increment bonds shall be issued unless the governing body
28 states in the resolution required by K.S.A. 12-17,166(e), and amendments
29 thereto, that it may issue such bonds to finance the proposed STAR bond
30 project. The governing body may issue the bonds unless within 60 days
31 following the conclusion of the public hearing on the proposed STAR
32 bond project plan a protest petition signed by 3% of the qualified voters of
33 the city is filed with the city clerk in accordance with the provisions of
34 K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is
35 filed, no full faith and credit tax increment bonds shall be issued until the
36 issuance of the bonds is approved by a majority of the voters voting at an
37 election thereon. Such election shall be called and held in the manner
38 provided by the general bond law. The failure of the voters to approve the
39 issuance of full faith and credit tax increment bonds shall not prevent the
40 city from issuing special obligation bonds in accordance with this section.
41 No such election shall be held in the event the board of county
42 commissioners or the board of education determines, as provided in
43 K.S.A. 12-17,165, and amendments thereto, that the proposed STAR bond

1 project district will have an adverse effect on the county or school district.

2 (3) As an alternative to subsection (b)(2), any city which adopts a
3 STAR bond project plan for a major motorsports complex, but does not
4 state its intent to issue full faith and credit tax increment bonds in the
5 resolution required by K.S.A. 12-17,166(e), and amendments thereto, and
6 has not acquired property in the STAR bond project area may issue full
7 faith and credit tax increment bonds if the governing body of the city
8 adopts a resolution stating its intent to issue the bonds and the issuance of
9 the bonds is approved by a majority of the voters voting at an election
10 thereon. Such election shall be called and held in the manner provided by
11 the general bond law. The failure of the voters to approve the issuance of
12 full faith and credit tax increment bonds shall not prevent the city from
13 issuing special obligation bonds pursuant to subsection (a)(1). Any project
14 plan adopted by a city prior to the effective date of this act in accordance
15 with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by
16 any requirements of this act.

17 (4) During the progress of any major motorsports complex project in
18 which the project costs will be financed, in whole or in part, with the
19 proceeds of full faith and credit tax increment bonds, the city may issue
20 temporary notes in the manner provided in K.S.A. 10-123, and
21 amendments thereto, to pay the project costs for the major motorsports
22 complex project. Such temporary notes shall not be issued and the city
23 shall not acquire property in the STAR bond project area until the
24 requirements of subsection (b)(2) or (b)(3), whichever is applicable, have
25 been met.

26 (5) Full faith and credit tax increment bonds issued under this
27 subsection shall be general obligations of the city and are declared to be
28 negotiable instruments. Such bonds shall be issued in accordance with the
29 general bond law. All such bonds and all income or interest therefrom shall
30 be exempt from all state taxes. The amount of the full faith and credit tax
31 increment bonds issued and outstanding which exceeds 3% of the assessed
32 valuation of the city shall be within the bonded debt limit applicable to
33 such city.

34 (6) Any city issuing full faith and credit tax increment bonds under
35 the provisions of this subsection may refund all or part of such issue
36 pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

37 (c) (1) For each project established by a city or county financed with
38 special obligation bonds payable from the revenues described in
39 subsection (a)(1) and (a)(2), the city or county shall prepare and submit to
40 the secretary by October 1 of each year, a report describing the status of
41 any projects within such STAR bond project area, any expenditures of the

2 revenue has been spent, the projected amount of such revenue, the
3 anticipated use of such revenue and the names of the owners, partners,
4 officers or principals of any developer and of any associated business

8 year.
