

Move Over for Stopped Vehicles; SB 8

SB 8 requires the driver of a vehicle approaching a stopped vehicle displaying hazard warning signal lamps, road flares, or caution signals to proceed with caution and change lanes away from the stopped vehicle if it is possible and safe to do so. If it is not safe or possible to change lanes away from the stopped vehicle, the bill requires the driver to proceed with due caution, reduce the speed of the vehicle, and maintain a safe speed for the road, weather, and traffic conditions. These provisions are added to the Uniform Act Regulating Traffic on Highways.

The bill adds a fine of \$75 for unlawful passing of a stationary vehicle to the uniform fine schedule for traffic infractions.
