

SESSION OF 2026

## SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2505

As Amended by House Committee on Federal  
and State Affairs

### **Brief\***

HB 2505, as amended, would amend the Kansas Open Records Act to no longer require the Kansas Department of Wildlife and Parks (KDWP) to disclose the following records, except when requested by a landowner, landowner's lessee, or other designee regarding such person's own property:

- The precise location of any species that is listed as threatened or endangered pursuant to the federal Endangered Species Act; or
- The precise location of any species that is threatened, endangered, or in need of conservation pursuant to the state's Nongame and Endangered Species Conservation Act.

### **Background**

The bill was introduced by Representative W. Carpenter.

### ***House Committee on Federal and State Affairs***

In the House Committee hearing, **proponent** testimony was provided by a representative of KDWP, who stated the bill would allow the Department to continue to collect critical information about protected species and safeguard private property interests.

---

\*Supplemental notes are prepared by the Legislative Research Department and do not express legislative intent. The supplemental note and fiscal note for this bill may be accessed on the Internet at <https://klrd.gov/>

Written-only **opponent** testimony was provided by representatives of Kansas Farm Bureau and Kansas Livestock Association.

No other testimony was provided.

The House Committee amended the bill to:

- Specify the precise location of any protected species would not be subject to disclosure; and
- Add an exception when a request for disclosure is made by a landowner, landowner's lessee, or other designee regarding such person's own property.

### **Fiscal Information**

According to the fiscal note prepared by the Division of the Budget on the bill, as introduced, KDWP indicates enactment of the bill would not have a fiscal effect.
