### **Background**

The bill was introduced by the Senate Committee on Local Government, Transparency and Ethics at the request of Senator Bowers.

### ***Senate Committee on Local Government, Transparency and Ethics***

In the Senate Committee hearing, **proponent** testimony was presented by a representative of Ohio Township and the Mayor of the City of Clearwater. The conferees generally stated the only cemetery in Ohio Township is generally inactive and this is an agreed-upon compromise to reduce the tax burden on Ohio Township.

No other testimony was provided.

The Committee amended the bill to specify when the Board would elect the first at-large member of the Board and that the at-large member would stand for election on a nonpartisan basis.

### **Fiscal Information**

According to the fiscal note provided by the Division of the Budget on the bill, as introduced, the League of Kansas Municipalities indicates the City of Clearwater will likely have increased expenditures for the upkeep and maintenance of a cemetery; however, the League was unable to determine an exact fiscal effect.
