

KANSAS STATE UNIVERSITY

Budget Summary – Agency Request

Executive Summary

Kansas State University (KSU) was established in 1863, becoming the first land grant institution under the provisions of the Morrill Act of 1862. KSU is a comprehensive research institution that offers instruction in Agriculture, Architecture Planning and Design, Arts and Sciences, Business Administration, Education, Engineering, Human Ecology, Technology, and Veterinary Medicine, and offers a full complement of graduate studies. KSU’s Veterinary Medical School in Manhattan and its Agricultural Research program are treated as separate agencies for budget preparation purposes. KSU is fully accredited by the North Central Accrediting Association and by various professional accrediting agencies.

Approved Budget

1. 2025 SB 125

The 2025 Legislature passed, and the Governor enacted, one bill appropriating and adjusting funding for state agencies. Select appropriations for this agency include:

- **2025 Pay Plan:** The Legislature approved increasing funding by \$8.2 million, including \$2.4 million SGF, in FY 2026 to implement a legislative pay plan providing an increase of 2.5 percent as a merit pool; and
- **Bonding Projects:** The Legislature approved adding language authorizing bonding authority of \$23.5 million for capital improvement projects related to animal science, agronomy research, Global Center for Grain, and Call and Weber Hall for FY 2026.

Reappropriations

2. State General Fund Reappropriation

The agency reappropriated \$13.5 million in unspent SGF funds from FY 2025 to FY 2026. This includes:

- **Water Wide Institute (\$5,640):** Funds carried over due to a year-end payroll processing lag;
- **Capital Renewal Initiative (\$9.7 million):** Carry forward projects include Thompson Hall renovation and Willard Relocation/Renovation;
- **Central Immersive Training Hub (\$1.6 million):** Carry forward funding for the Central Immersive Training Hub on the Salina campus; and

KANSAS STATE UNIVERSITY

Budget Summary – Agency Request

- **Demolition (\$2.2 million):** Continued progress demolishing the International Student Center.

3. Educational Building Fund Reappropriation

The agency reappropriated \$17.1 million in unspent EBF funds from FY 2025 to FY 2026. Projects include Seaton Hall main entry stairs and Campus Creek remodel.

Other Changes

4. Salaries and Wages

The agency's revised estimate includes an increase of \$15.4 million, including \$5.0 million SGF, in FY 2026. This increase is for implementation of the 2.5 percent pay plan. The approved funding only applied to certain funds, so the agency has implemented the pay plan using its other funding sources. The overall increase is partially offset by decreases in the Research program as the agency anticipates impacts from changes by the federal government.

The agency's revised estimate also includes an increase of 69.5 FTE positions in FY 2026. This is primarily due to the agency realigning the number of positions to reflect the current level of filled and vacant positions. The increases are primarily in the Instructional Services and Research programs.

5. Contractual Services

The agency's revised estimate includes an increase of \$10.8 million, including \$1.7 million SGF, in FY 2026. The increases are primarily related to service costs related to increased student headcount and IT transformation costs following the agency's cybersecurity incident.

6. Capital Outlay

The agency's revised estimate includes a decrease of \$4.1 million, including \$4.0 million SGF, for capital outlay expenditures in FY 2026. The overall decrease is primarily due to the agency reducing expenditures in the Research program to anticipate changes by the federal government and to shift funding from capital outlay to salaries and wages to accommodate the 2.5 percent pay plan.

7. Capital Improvements

The agency's revised estimate includes an increase of \$43.6 million, all from non-SGF funding sources, for capital improvement projects in FY 2026. This includes two transfers from the Kansas Board of Regents:

- **Educational Building Fund (\$17.5 million):** These projects include infrastructure and HVAC upgrades for Eisenhower Hall, construction of the Global Center for Grain and Food Innovation, and renovations at Thompson Hall and Fairchild Hall; and
- **Kansas Campus Restoration Act (\$7.4 million):** KCRA projects include BIVAP renovation, Strong Complex renovation, and Wildcat One Stop construction.

8. Student Aid

The agency's revised estimate includes an increase of \$23.8 million, including \$508,917 SGF, for student aid in FY 2026. The overall increase is primarily due to the agency revising its FY 2026 estimate to reflect actual expenditures in FY 2025. These expenditures are primarily scholarships provided by the Foundation. The SGF increase is primarily due to the agency receiving a transfer of \$453,307 from the Kansas Board of Regents for need based aid.

9. All Other Adjustments

The agency's revised estimate includes other adjustments resulting in an increase of \$2.3 million all funds, including a decrease of \$1.6 million SGF, in FY 2026. The SGF decrease is primarily due to the

KANSAS STATE UNIVERSITY

Budget Summary – Agency Request

agency reducing its budgeted commodities and debt service expenditures and shifting the SGF to salaries and wages to accommodate the 2.5 percent pay plan.

Approved Budget

1. One-Time Adjustments

The approved budget includes expenditures in FY 2026 that are not included in the agency allocation for FY 2027. These expenditures are not included for FY 2027 as to better provide a point of comparison. For Kansas State University, these adjustments include \$66.4 million in capital improvement expenditures that do not re-occur in FY 2027.

Other Changes

2. Salaries and Wages

The agency's request includes an increase of \$19.7 million, including \$6.3 million SGF, for FY 2027. This increase continues the implementation of the 2.5 percent pay plan from FY 2026.

3. Contractual Services

The agency's request includes an increase of \$8.4 million, including an SGF decrease of \$5,364, for FY 2027. The increase continues the FY 2026 trends of increased expenditures for increased student headcount and IT transformation costs following the agency's cybersecurity incident.

4. Capital Outlay

The agency's request includes a decrease of \$4.1 million, including \$4.0 million SGF, for FY 2027. The overall decrease continues the FY 2026 trend of reducing expenditures in the Research program to anticipate changes by the federal government and to shift funding from capital outlay to salaries and wages to accommodate the 2.5 percent pay plan.

5. Student Aid

The agency's request includes an increase of \$23.4 million, including \$55,910 SGF, for student aid for FY 2027. The overall increase continues the FY 2026 trend of increasing scholarship expenditures

KANSAS STATE UNIVERSITY

Budget Summary – Agency Request

from the Foundation to match FY 2025 actual expenditures. Compared to FY 2027, the SGF expenditures are slightly lower due to the need-based aid funding being reflected in the KBOR budget for FY 2027.

6. All Other Adjustments

The agency's request includes other adjustments totaling \$2.2 million, including a decrease of \$1.6 million SGF, for FY 2027. The SGF decrease is primarily due to the agency reducing its budgeted commodities and debt service expenditures and shifting the SGF to salaries and wages to accommodate the 2.5 percent pay plan.
